Except in the case of a retrospective review, the reconsideration shall occur within 1 working day after receipt of the request and shall be conducted by your provider and clinical peer reviewer making the initial determination, or his designee. **New York Disclosure and Synopsis Statement**
The accident and health insurance evidenced by this certificate provides dental insurance only.

The Patient Charge Schedule highlights the benefits of the plan. The benefits shown may not always be payable because the plan contains certain limitations and exclusions. Dental benefits, for instance, are not payable for such things as work-related injuries or unnecessary care. These limitations and others can be found in their entirety on subsequent pages of the certificate.

**Eligibility - Effective Date**

**Employee Insurance**
This plan is offered to you as an Employee.

**Eligibility for Employee Insurance**
You will become eligible for insurance on the day you complete the waiting period if:
- you are in a Class of Eligible Employees; and
• you are an eligible, full-time Employee; and
• you normally work at least 30 hours a week; and
• you pay any required contribution.

If you were previously insured and your insurance ceased, you must satisfy the Waiting Period to become insured again. If your insurance ceased because you were no longer employed in a Class of Eligible Employees, you are not required to satisfy any waiting period if you again become a member of a Class of Eligible Employees within one year after your insurance ceased.

**Eligibility for Dependent Insurance**
You will become eligible for Dependent insurance on the later of:
• the day you become eligible for yourself; or
• the day you acquire your first Dependent.

**Waiting Period**
The first day of the month following date of hire.

**Classes of Eligible Employees**
Each Employee as reported to the insurance company by your Employer.

**Effective Date of Employee Insurance**
You will become insured on the date you elect the insurance by signing an approved payroll deduction or enrollment form, as applicable, but no earlier than the date you become eligible. If you are a Late Entrant, you may elect the insurance only during an Open Enrollment Period. Your insurance will become effective on the first day of the month after the end of that Open Enrollment Period in which you elect it.

You will become insured on your first day of eligibility, following your election, if you are in Active Service on that date, or if you are not in Active Service on that date due to your health status.

**Late Entrant – Employee**
You are a Late Entrant if:
• you elect the insurance more than 30 days after you become eligible; or
• you again elect it after you cancel your payroll deduction (if required).

**Open Enrollment Period**
Open Enrollment Period means a period in each calendar year as designated by your Employer.

---

**Dependent Insurance**
For your Dependents to be insured, you will have to pay the required contribution, if any, toward the cost of Dependent Insurance.

**Effective Date of Dependent Insurance**
Insurance for your Dependents will become effective on the date you elect it by signing an approved payroll deduction form (if required), but no earlier than the day you become eligible for Dependent Insurance. All of your Dependents as defined will be included.

If you are a Late Entrant for Dependent Insurance, the insurance for each of your Dependents will not become effective until Cigna agrees to insure that Dependent.

Your Dependents will be insured only if you are insured.

**Late Entrant – Dependent**
You are a Late Entrant for Dependent Insurance if:
• you elect that insurance more than 30 days after you become eligible for it; or
• you again elect it after you cancel your payroll deduction (if required).

**Choice of Dental Office for Cigna Dental Care**
When you elect Employee Insurance, you may select a Dental Office from the list provided by CDH. If your first choice of a Dental Office is not available, you will be notified by CDH of your designated Dental Office, based on your alternate selection. You and each of your insured Dependents may select your own designated Dental Office. No Dental Benefits are covered unless the Dental Service is received from your designated Dental Office, referred by a Network General Dentist at that facility to a specialist approved by CDH, or otherwise authorized by CDH, except for Emergency Dental Treatment. A transfer from one Dental Office to another Dental Office may be requested by you through CDH. Any such transfer will take effect on the first day of the month after it is authorized by CDH. A transfer will not be authorized if you or your Dependent has an outstanding balance at the Dental Office.

---

**Important Information about Your Dental Plan**
When you elected Dental Insurance for yourself and your Dependents, you elected one of the two options offered:
• Cigna Dental Care; or
Dental Benefits – Cigna Dental Care

Your Cigna Dental Coverage

The information below outlines your coverage and will help you to better understand your Dental Plan. Included is information about which services are covered, which are not, and how much dental services will cost you.

Member Services

If you have any questions or concerns about the Dental Plan, Member Services Representatives are just a toll-free phone call away. They can explain your benefits or help with matters regarding your Dental Office or Dental Plan. For assistance with transfers, specialty referrals, eligibility, second opinions, emergencies, Covered Services, plan benefits, ID cards, location of Dental Offices, conversion coverage or other matters, call Member Services from any location at 1-800-Cigna24. The hearing impaired may contact the state TTY toll-free relay service number listed in their local telephone directory.

Other Charges – Patient Charges

Your Patient Charge Schedule lists the dental procedures covered under your Dental Plan. Some dental procedures are covered at no charge to you. For other Covered Services, the Patient Charge Schedule lists the fees you must pay when you visit your Dental Office. There are no deductibles and no annual dollar limits for services covered by your Dental Plan.

Your Network General Dentist should tell you about Patient Charges for Covered Services, the amount you must pay for non-Covered Services and the Dental Office’s payment policies. Timely payment is important. It is possible that the Dental Office may add late charges to overdue balances.

Your Patient Charge Schedule is subject to annual change. Cigna Dental will give written notice to your Group of any change in Patient Charges at least 60 days prior to such change. You will be responsible for the Patient Charges listed on the Patient Charge Schedule that is in effect on the date a procedure is started.

Choice of Dentist

You and your Dependents should have selected a Dental Office when you enrolled in the Dental Plan. If you did not, you must advise Cigna Dental of your Dental Office selection prior to receiving treatment. The benefits of the Dental Plan are available only at your Dental Office, except in the case of an emergency or when Cigna Dental otherwise authorizes payment for out-of-network benefits.

You may select a network Pediatric Dentist as the Network General Dentist for your dependent child under age 7 by calling Member Services at 1-800-Cigna24 for a list of network Pediatric Dentists in your Service Area or, if your Network General Dentist sends your child under age 7 to a network Pediatric Dentist, the network Pediatric Dentist’s office will have primary responsibility for your child’s care. Your Network General Dentist will provide care for children 7 years and older. If your child continues to visit the Pediatric Dentist after his/her 7th birthday, you will be fully responsible for the Pediatric Dentist’s Usual Fees. Exceptions for medical reasons may be considered on a case-by-case basis.

If for any reason your selected Dental Office cannot provide your dental care, or if your Network General Dentist terminates from the network, Cigna Dental will let you know and will arrange a transfer to another Dental Office. Refer to the section titled "Office Transfers" if you wish to change your Dental Office.

To obtain a list of Dental Offices near you, visit our website at myCigna.com, or call the Dental Office Locator at 1-800-Cigna24. It is available 24 hours a day, 7 days per week. If you would like to have the list faxed to you, enter your fax number, including your area code. You may always obtain a current Dental Office Directory by calling Member Services.
Your Payment Responsibility (General Care)
For Covered Services provided by your Dental Office, you will be charged the fees listed on your Patient Charge Schedule. For services listed on your Patient Charge Schedule at any other dental office, you may be charged Usual Fees. For non-Covered Services, you are responsible for paying Usual Fees.

If, on a temporary basis, there is no Network General Dentist in your Service Area, Cigna Dental will let you know and you may obtain Covered Services from a non-network Dentist. You will pay the non-network Dentist the applicable Patient Charge for Covered Services. Cigna Dental will pay the non-network Dentist the difference, if any, between his or her Usual Fee and the applicable Patient Charge.

See the Specialty Referrals section regarding payment responsibility for specialty care.

All contracts between Cigna Dental and network Dentists state that you will not be liable to the network Dentist for any sums owed to the network Dentist by Cigna Dental.

Emergency Dental Care – Reimbursement

An emergency is a dental condition of recent onset and severity which would lead a prudent layperson possessing an average knowledge of dentistry to believe the condition needs immediate dental procedures necessary to control excessive bleeding, relieve severe pain, or eliminate acute infection. You should contact your Network General Dentist if you have an emergency in your Service Area.

- **Emergency Care Away From Home**

  If you have an emergency while you are out of your Service Area or unable to contact your Network General Dentist, you may receive emergency Covered Services as defined above from any general dentist. Routine restorative procedures or definitive treatment (e.g. root canal) are not considered emergency care. You should return to your Network General Dentist for these procedures. For emergency Covered Services, you will be responsible for the Patient Charges listed on your Patient Charge Schedule. Cigna Dental will reimburse you the difference, if any, between the dentist’s Usual Fee for emergency Covered Services and your Patient Charge, up to a total of $50 per incident. To receive reimbursement, send appropriate reports and x-rays to Cigna Dental at the address listed for your state on the front of this booklet.

- **Emergency Care After Hours**

  There is a Patient Charge listed on your Patient Charge Schedule for emergency care rendered after regularly scheduled office hours. This charge will be in addition to other applicable Patient Charges.

Limitations on Covered Services

Listed below are limitations on services when covered by your Dental Plan:

- **Frequency** – The frequency of certain Covered Services, like cleanings, is limited. Your Patient Charge Schedule lists any limitations on frequency.

- **Pediatric Dentistry** – Coverage for treatment by a Pediatric Dentist ends on your child’s 7th birthday. Effective on your child’s 7th birthday, dental services must be obtained from a Network General Dentist; however, exceptions for medical reasons may be considered on an individual basis.

- **Oral Surgery** – The surgical removal of an impacted wisdom tooth may not be covered if the tooth is not diseased or if the removal is only for orthodontic reasons. Your Patient Charge Schedule lists any limitations on oral surgery.

- **Periodontal (gum tissue and supporting bone) Services** - Periodontal regenerative procedures are limited to one regenerative procedure per site (per tooth, if applicable), when covered on the Patient Charge Schedule. Localized delivery of antimicrobial agents is limited to eight teeth (or eight sites, if applicable) per 12 consecutive months, when covered on the Patient Charge Schedule.

- **Clinical Oral Evaluations** - When this limitation is noted on the Patient Charge Schedule, periodic oral evaluations, comprehensive oral evaluations, comprehensive periodontal evaluations, and oral evaluations for patients under 3 years of age are limited to a combined total of 4 evaluations during a 12 consecutive month period.

- **Surgical Placement of Implant Services** – When covered on the Patient Charge Schedule, surgical placement of a dental implant; repair, maintenance, or removal of a dental implant; implant abutment(s); or any services related to the surgical placement of a dental implant are limited to one per year with replacement of a surgical implant frequency limitation of one every 10 years.

- **Prosthesis Over Implant** – When covered on the Patient Charge Schedule, a prosthetic device, supported by an implant or implant abutment is considered a separate distinct service(s) from surgical placement of an implant. Replacement of any type of prosthesis with a prosthesis supported by an implant or implant abutment is only covered if the existing prosthesis is at least 5 calendar years old, is not serviceable and cannot be repaired.

Appointments
To make an appointment with your network Dentist, call the Dental Office that you have selected. When you call, your Dental Office will ask for your identification number and will check your eligibility.

Broken Appointments
The time your network Dentist schedules for your appointment is valuable to you and the dentist. Broken appointments make it difficult for your Dental Office to schedule time with other patients.

If you or your enrolled Dependent break an appointment with less than 24 hours notice to the Dental Office, you may be charged a broken appointment fee.

Office Transfers
If you decide to change Dental Offices, we can arrange a transfer. You should complete any dental procedure in progress before transferring to another Dental Office. To arrange a transfer, call Member Services at 1-800-Cigna24. To obtain a list of Dental Offices near you, visit our website at myCigna.com, or call the Dental Office Locator at 1-800-Cigna24. Your transfer request will take about 5 days to process. Transfers will be effective the first day of the month after the processing of your request. Unless you have an emergency, you will be unable to schedule an appointment at the new Dental Office until your transfer becomes effective.

There is no charge to you for the transfer; however, all Patient Charges which you owe to your current Dental Office must be paid before the transfer can be processed.

Specialty Care
Your Network General Dentist at your Dental Office has primary responsibility for your professional dental care.

Because you may need specialty care, the Cigna Dental network includes the following types of specialty dentists:
- Pediatric Dentists – children's dentistry.
- Periodontists – treatment of gums and bone.
- Oral Surgeons – complex extractions and other surgical procedures.
- Orthodontists – tooth movement.

When specialty care is needed, your Network General Dentist must start the referral process. X-rays taken by your Network General Dentist should be sent to the Network Specialty Dentist.

Specialty Referrals
In General
Upon referral from a Network General Dentist, your Network Specialty Dentist will submit a specialty care treatment plan to Cigna Dental for payment authorization, except for Pediatric Dentistry and Endodontics, for which prior authorization is not required. You should verify with the Network Specialty Dentist that your treatment plan has been authorized for payment by Cigna Dental before treatment begins.

When Cigna Dental authorizes payment to the Network Specialty Dentist, the fees or no-charge services listed on the Patient Charge Schedule in effect on the date each procedure is started will apply, except as set out in the Orthodontics section. Treatment by the Network Specialty Dentist must begin within 90 days from the date of Cigna Dental’s authorization. If you are unable to obtain treatment within the 90-day period, please call Member Services to request an extension. Your coverage must be in effect when each procedure begins.
For non-Covered Services or if Cigna Dental does not authorize payment to the Network Specialty Dentist for Covered Services, including Adverse Determinations, you must pay the Network Specialty Dentist’s Usual Fee. If you have a question or concern regarding an authorization or a denial, contact Member Services.

After the Network Specialty Dentist has completed treatment, you should return to your Network General Dentist for cleanings, regular checkups and other treatment. If you visit a Network Specialty Dentist without a referral or if you continue to see a Network Specialty Dentist after you have completed specialty care, it will be your responsibility to pay for treatment at the dentist’s Usual Fees.

When your Network General Dentist determines that you need specialty care and a Network Specialty Dentist is not available, as determined by Cigna Dental, Cigna Dental will authorize a referral to a non-Network Specialty Dentist. The referral procedures applicable to specialty care will apply. In such cases, you will be responsible for the applicable Patient Charge for Covered Services. Cigna Dental will reimburse the non-network Dentist the difference, if any, between his or her Usual Fee and the applicable Patient Charge. For non-Covered Services or services not authorized for payment, including Adverse Determinations, you must pay the dentist’s Usual Fee.

**Orthodontics** (This section is only applicable if Orthodontia is listed on your Patient Charge Schedule.)

**Definitions** –

- **Orthodontic Treatment Plan and Records** – the preparation of orthodontic records and a treatment plan by the Orthodontist.

- **Interceptive Orthodontic Treatment** – treatment prior to full eruption of the permanent teeth, frequently a first phase preceding comprehensive treatment.

- **Comprehensive Orthodontic Treatment** – treatment after the eruption of most permanent teeth, generally the final phase of treatment before retention.

- **Retention (Post Treatment Stabilization)** – the period following orthodontic treatment during which you may wear an appliance to maintain and stabilize the new position of the teeth.

**Patient Charges**

The Patient Charge for Orthodontic Treatment is based upon 24 months of interceptive and/or comprehensive treatment. If you require more than 24 months of treatment in total, you will be charged an additional amount for each additional month of treatment, based upon the Orthodontist's Contract Fee. If you require less than 24 months of treatment, your Patient Charge will be reduced on a prorated basis.

**Additional Charges**

You will be responsible for the Orthodontist's Usual Fees for the following non-Covered Services:

- incremental costs associated with optional/elective materials, including but not limited to ceramic, clear, lingual brackets, or other cosmetic appliances;

- orthognathic surgery and associated incremental costs;

- appliances to guide minor tooth movement;

- appliances to correct harmful habits; and

- services which are not typically included in orthodontic treatment. These services will be identified on a case-by-case basis.

**Orthodontics In Progress**

If orthodontic treatment is in progress for you or your Dependent at the time you enroll, the fee listed on the Patient Charge Schedule is not applicable. Please call Member Services at 1-800-Cigna24 to find out if you are entitled to any benefit under the Dental Plan.

**Complex Rehabilitation/Multiple Crown Units**

Complex rehabilitation is extensive dental restoration involving 6 or more "units" of crown, bridge and/or implant supported prosthesis (including crowns and bridges) in the same treatment plan. Using full crowns (caps), fixed bridges and/or implant supported prosthesis (including crowns and bridges) which are cemented in place, your Network General Dentist will rebuild natural teeth, fill in spaces where teeth are missing and establish conditions which allow each tooth to function in harmony with the occlusion (bite). The extensive procedures involved in complex rehabilitation require an extraordinary amount of time, effort, skill and laboratory collaboration for a successful outcome.

Complex rehabilitation will be covered when performed by your Network General Dentist after consultation with you about diagnosis, treatment plan and charges. Each tooth or tooth replacement included in the treatment plan is referred to as a "unit" on your Patient Charge Schedule. The crown, bridge and/or implant supported prosthesis (including crowns and bridges) charges on your Patient Charge Schedule are for each unit of crown or bridge. You pay the per unit charge for each unit of crown, bridge and/or implant supported prosthesis (including crowns and bridges) PLUS an additional charge for each unit when 6 or more units are prescribed in your Network General Dentist's treatment plan.
Coordination of Benefits

This section is intended to establish uniformity in the permissive use of overinsurance provisions and to avoid claim delays and misunderstandings that could otherwise result from the use of inconsistent or incompatible provisions among plans.

A coordination of benefits (COB) provision is one that is intended to avoid claims payment delays and duplication of benefits when a person is covered by two or more plans providing benefits or services for medical, dental or other care or treatment. It avoids claims payment delays by establishing an order in which plans pay their claims and providing the authority for the orderly transfer of information needed to pay claims promptly. It avoids duplication of benefits by permitting a reduction of the benefits of a plan when, by the rules established by this section, it does not have to pay its benefits first.

A plan that does not include such a COB provision may not take the benefits of another plan into account when it determines its benefits. There are two exceptions:

- a contract holder's coverage that is designed to supplement a part of a basic package of benefits may provide that the supplementary coverage shall be excess to any other parts of the plan provided by the contract holder; and
- any noncontributory group or blanket insurance coverage which is in force on January 1, 1987 which provides excess major medical benefits intended to supplement any basic benefits on a covered person may continue to be excess to such basic benefits.

Definitions

For the purposes of this section, the following terms have the meanings set forth below:

Plan

A plan is a form of coverage written on an expense-incurred basis with which coordination is allowed. The definition of Plan in a contract must state the types of coverage which will be considered in applying the COB provision of that contract.

This section uses the term Plan. However, a contract may, instead, use program or some other term.
all plans which cover the person use the order of benefit determination rules required by this section and under those rules the Plan determines its benefits first.

There may be more than one Primary Plan (for example, two plans which have no order of benefit determination rules).

**Secondary Plan**

A Secondary Plan is one which is not a Primary Plan. If a person is covered by more than one Secondary Plan, the order of benefit determination rules of this section decide the order in which their benefits are determined in relation to each other. The benefits of each Secondary Plan may take into consideration the benefits of the Primary Plan or Plans and the benefits of any other Plan which, under the rules of this section, has its benefits determined before those of that Secondary Plan.

**Allowable Expense**

Allowable expense is the necessary, reasonable, and customary item of expense for health care, when the item of expense is covered at least in part under any of the Plans involved, except where a statute requires a different definition. However, items of expense under coverages such as dental care, vision care, prescription drug or hearing aid programs may be excluded from the definition of allowable expense. A Plan which provides benefits only for any such items of expense may limit its definition of allowable expenses to like items of expense.

When a Plan provides benefits in the form of services, the Reasonable Cash Value of each service will be considered as both an allowable expense and a benefit paid.

The difference between the cost of a private hospital room and the cost of a semiprivate hospital room is not considered an allowable expense under the above definition unless the patient's stay in a private hospital room is medically necessary in terms of generally accepted medical practice.

When COB is restricted in its use to specific coverage in a contract (for example, major medical or dental), the definition of Allowable Expense must include the corresponding expenses or services to which COB applies.

**Claim Determination Period**

A Claim Determination Period is the period of time, which must not be less than 12 consecutive months, over which allowable expenses are compared with total benefits payable in the absence of COB, to determine:

- whether overinsurance exists; and
- how much each Plan will pay or provide.

A Claim Determination Period is usually a calendar year, but a Plan may use some other period of time that fits the coverage of the contract. A person may be covered by a Plan during a portion of a Claim Determination Period if that person's coverage starts or ends during the Claim Determination Period.

As each claim is submitted, each Plan is to determine its liability and pay or provide benefits based upon allowable expenses incurred to that point in the Claim Determination Period. But that determination is subject to adjustment as later allowable expenses are incurred in the same Claim Determination Period.

**Reasonable Cash Value**

An amount which a duly licensed provider of health care services usually charges patients and which is within the range of fees usually charged for the same service by other health care providers located within the immediate geographic area.

**Order of Benefit Determination Rules**

The Primary Plan must pay or provide its benefits as if the Secondary Plan or Plans did not exist. A Secondary Plan may take the benefits of another Plan into account only when, under these rules, it is secondary to that other Plan. When there is a basis for a claim under more than one Plan, a Plan with a coordination of benefits provision complying with this section is a Secondary Plan which has its benefits determined after those of the other Plan, unless the other Plan has a COB provision complying with this section in which event the order of benefit determination rules will apply.

The order of benefit payments is determined using the first of the following rules which applies:

- the benefits of a Plan which covers the person as an employee, member (that is, other than as a dependent) are determined before those of a Plan which covers the person as a dependent;
- except as stated in subparagraph (3) of this paragraph, when a Plan and another Plan cover the same child as a dependent of different persons, called parents:
  - the benefits of the Plan of the parent whose birthday falls earlier in a year are determined before those of the Plan of the parent whose birthday falls later in that year; but
  - if both parents have the same birthday, the benefits of the Plan which covered the parent longer are determined before those of the Plan which covered the other parent for a shorter period of time;
- if the other Plan does not have the rule described above, but instead has a rule based upon the gender of the parent, and if, as a result, the Plans do not agree on the order of benefits, the rule in the other Plan will determine the order of benefits;
- the word birthday refers only to month and day in a calendar year, not the year in which the person was born;
• if two or more Plans cover a person as a dependent child of divorced or separated parents, benefits for the child are determined in this order:
  • first, the Plan of the parent with custody of the child;
  • then, the Plan of the spouse of the parent with custody of the child;
  • finally, the Plan of the parent not having custody of the child; and
  • if the specific terms of a court decree state that one of the parents is responsible for the health care expenses of the child, and the entity obligated to pay or provide the benefits of the Plan of that parent has actual knowledge of those terms, the benefits of that Plan are determined first. This paragraph does not apply with respect to any Claim Determination Period or Plan year during which any benefits are actually paid or provided before the entity has that actual knowledge;
  • the benefits of a Plan which covers a person as an employee who is neither laid off nor retired (or as that employee's dependent) are determined before those of a Plan which covers that person as a laid off or retired employee (or as that employee's dependent). If the other Plan does not have this rule, and if, as a result, the Plans do not agree on the order of benefits, this subparagraph is ignored;
  • if none of the above rules determines the order of benefits, the benefits of the Plan which covered an employee, member or subscriber longer are determined before those of the Plan which covered that person for the shorter time.

• to determine the length of time a person has been covered under a Plan, two Plans shall be treated as one if the claimant was eligible under the second within 24 hours after the first ended. Thus, the start of a new Plan does not include:
  • a change in the amount or scope of a Plan's benefits;
  • a change in the entity which pays, provides or administers the Plan's benefits; or
  • a change from one type of Plan to another (such as, from a single employer Plan to that of a multiple employer Plan).

• The claimant's length of time covered under a Plan is measured from the claimant's first date of coverage under that Plan. If that date is not readily available, the date the claimant first became a member of the group shall be used as the date from which to determine the length of time the claimant's coverage under the present Plan has been in force.

Payment of Benefits
To Whom Payable
Dental Benefits are assignable to the provider. When you assign benefits to a provider, you have assigned the entire amount of the benefits due on that claim. If the provider is overpaid because of accepting a patient’s payment on the charge, it is the provider’s responsibility to reimburse the patient. Because of Cigna’s contracts with providers, all claims from contracted providers should be assigned.

Cigna may, at its option, make payment to you for the cost of any Covered Expenses from a Non-Participating Provider even if benefits have been assigned. When benefits are paid to you or your Dependent, you or your Dependents are responsible for reimbursing the provider.

If any person to whom benefits are payable is a minor or, in the opinion of Cigna is not able to give a valid receipt for any payment due him, such payment will be made to his legal guardian. If no request for payment has been made by his legal guardian, Cigna may, at its option, make payment to the person or institution appearing to have assumed his custody and support.

When one of our participants passes away, Cigna may receive notice that an executor of the estate has been established. The executor has the same rights as our insured and benefit payments for unassigned claims should be made payable to the executor.

Payment as described above will release Cigna from all liability to the extent of any payment made.

Recovery of Overpayment
When an overpayment has been made by Cigna, Cigna will have the right at any time to: recover that overpayment from the person to whom or on whose behalf it was made; or offset the amount of that overpayment from a future claim payment.

Miscellaneous
Clinical research has established an association between dental disease and complication of some medical conditions, such as the conditions noted below.

If you are a Cigna Dental plan member and you have one or more of the conditions listed below, you may apply for 100% reimbursement of your copayment or coinsurance for certain periodontal or caries-protection procedures (up to the
applicable plan maximum reimbursement levels and annual plan maximums.)
For members with diabetes, cerebrovascular or cardiovascular disease:
- periodontal scaling and root planing (sometimes referred to as “deep cleaning”)
- periodontal maintenance
For members who are pregnant:
- periodic, limited and comprehensive oral evaluation.
- periodontal evaluation

- an additional cleaning during pregnancy.
- palliative (emergency) treatment – minor procedure
For members with chronic kidney disease or going to or having undergone an organ transplant or undergoing head and neck Cancer Radiation:
- topical application of fluoride
- topical fluoride varnish

Please refer to the plan enrollment materials for further details.

Termination of Insurance

Employees
Your insurance will cease on the earliest date below:
- the date you cease to be in a Class of Eligible Employees or cease to qualify for the insurance.
- the last day for which you have made any required contribution for the insurance.
- the date the policy is canceled.
- the last day of the calendar month in which your Active Service ends except as described below.
Any continuation of insurance must be based on a plan which precludes individual selection.

Injury or Sickness
If your Active Service ends due to an Injury or Sickness, your insurance will be continued while you remain totally and continuously disabled as a result of the Injury or Sickness. However, the insurance will not continue past the date your Employer stops paying premium for you or otherwise cancels the insurance.

Note:
When a person’s Dental Insurance ceases, Cigna does not offer any Converted Policy either on an individual or group basis. However, upon termination of insurance due to termination of employment in an eligible class or ceasing to qualify as a Dependent, you or any of your Dependents may apply to Cigna Dental Health, Inc. for coverage under an individual dental plan.

Upon request, Cigna Dental Health Inc. or your Employer will provide you with further details of the Converted Policy.

Dependents
Your insurance for all of your Dependents will cease on the earliest date below:
- the date your insurance ceases.
- the date you cease to be eligible for Dependent Insurance.
- the last day for which you have made any required contribution for the insurance.
- the date Dependent Insurance is canceled.
The insurance for any one of your Dependents will cease on the date that Dependent no longer qualifies as a Dependent.

Dental Benefits Extension
An expense incurred in connection with a Dental Service that is completed after a person's benefits cease will be deemed to be incurred while he is insured if:
- for fixed bridgework and full or partial dentures, the first impressions are taken and/or abutment teeth fully prepared while he is insured and the device installed or delivered to him within 3 calendar months after his insurance ceases.
- for a crown, inlay or onlay, the tooth is prepared while he is insured and the crown, inlay or onlay installed within 3 calendar months after his insurance ceases.
- for root canal therapy, the pulp chamber of the tooth is opened while he is insured and the treatment is completed within 3 calendar months after his insurance ceases.
• for Orthodontic Services, the treatment commenced while the person was insured and the expenses are incurred within 60 days after his insurance ceases.
• post operative visits related to covered oral surgery or periodontal services within 3 calendar months after his insurance ceases.

There is no extension for any Dental Service not shown above. This extension of benefits does not apply if insurance ceases due to nonpayment of premiums.

Federal Requirements

The following pages explain your rights and responsibilities under federal laws and regulations. Some states may have similar requirements. If a similar provision appears elsewhere in this booklet, the provision which provides the better benefit will apply.

Qualified Medical Child Support Order Defined

A Qualified Medical Child Support Order is a judgment, decree or order (including approval of a settlement agreement) or administrative notice, which is issued pursuant to a state domestic relations law (including a community property law), or to an administrative process, which provides for child support or provides for health benefit coverage to such child and relates to benefits under the group health plan, and satisfies all of the following:

• the order recognizes or creates a child’s right to receive group health benefits for which a participant or beneficiary is eligible;
• the order specifies your name and last known address, and the child’s name and last known address, except that the name and address of an official of a state or political subdivision may be substituted for the child’s mailing address;
• the order provides a description of the coverage to be provided, or the manner in which the type of coverage is to be determined;
• the order states the period to which it applies; and
• if the order is a National Medical Support Notice completed in accordance with the Child Support Performance and Incentive Act of 1998, such Notice meets the requirements above.

The QMCSO may not require the health insurance policy to provide coverage for any type or form of benefit or option not otherwise provided under the policy, except that an order may require a plan to comply with State laws regarding health care coverage.

Payment of Benefits

Any payment of benefits in reimbursement for Covered Expenses paid by the child, or the child’s custodial parent or legal guardian, shall be made to the child, the child’s custodial parent or legal guardian, or a state official whose name and address have been substituted for the name and address of the child.

Effect of Section 125 Tax Regulations on This Plan

Your Employer has chosen to administer this Plan in accordance with Section 125 regulations of the Internal Revenue Code. Per this regulation, you may agree to a pretax salary reduction put toward the cost of your benefits. Otherwise, you will receive your taxable earnings as cash (salary).
A. Coverage Elections
Per Section 125 regulations, you are generally allowed to enroll for or change coverage only before each annual benefit period. However, exceptions are allowed if your Employer agrees and you enroll for or change coverage within 31 days of the following:

- the date you meet the criteria shown in the following Sections B through H.

B. Change of Status
A change in status is defined as:

- change in legal marital status due to marriage, death of a spouse, divorce, annulment or legal separation;
- change in number of Dependents due to birth, adoption, placement for adoption, or death of a Dependent;
- change in employment status of Employee, spouse or Dependent due to termination or start of employment, strike, lockout, beginning or end of unpaid leave of absence, including under the Family and Medical Leave Act (FMLA), or change in worksite;
- changes in employment status of Employee, spouse or Dependent resulting in eligibility or ineligibility for coverage;
- change in residence of Employee, spouse or Dependent to a location outside of the Employer’s network service area; and
- changes which cause a Dependent to become eligible or ineligible for coverage.

C. Court Order
A change in coverage due to and consistent with a court order of the Employee or other person to cover a Dependent.

D. Medicare or Medicaid Eligibility/Entitlement
The Employee, spouse or Dependent cancels or reduces coverage due to entitlement to Medicare or Medicaid, or enrolls or increases coverage due to loss of Medicare or Medicaid eligibility.

E. Change in Cost of Coverage
If the cost of benefits increases or decreases during a benefit period, your Employer may, in accordance with plan terms, automatically change your elective contributions.

When the change in cost is significant, you may either increase your contribution or elect less-costly coverage. When a significant overall reduction is made to the benefit option you have elected, you may elect another available benefit option. When a new benefit option is added, you may change your election to the new benefit option.

F. Changes in Coverage of Spouse or Dependent Under Another Employer’s Plan
You may make a coverage election change if the plan of your spouse or Dependent: incurs a change such as adding or deleting a benefit option; allows election changes due to Change in Status, Court Order or Medicare or Medicaid Eligibility/Entitlement; or this Plan and the other plan have different periods of coverage or open enrollment periods.

G. Reduction in work hours
If an Employee’s work hours are reduced below 30 hours/week (even if it does not result in the Employee losing eligibility for the Employer’s coverage); and the Employee (and family) intend to enroll in another plan that provides Minimum Essential Coverage (MEC). The new coverage must be effective no later than the 1st day of the 2nd month following the month that includes the date the original coverage is revoked.

H. Enrollment in Qualified Health Plan (QHP)
The Employee must be eligible for a Special Enrollment Period to enroll in a QHP through a Marketplace or the Employee wants to enroll in a QHP through a Marketplace during the Marketplace’s annual open enrollment period; and the disenrollment from the group plan corresponds to the intended enrollment of the Employee (and family) in a QHP through a Marketplace for new coverage effective beginning no later than the day immediately following the last day of the original coverage.

Eligibility for Coverage for Adopted Children
Any child who is adopted by you, including a child who is placed with you for adoption, will be eligible for Dependent Insurance, if otherwise eligible as a Dependent, upon the date of placement with you. A child will be considered placed for adoption when you become legally obligated to support that child, totally or partially, prior to that child’s adoption.

If a child placed for adoption is not adopted, all health coverage ceases when the placement ends, and will not be continued.

The provisions in the “Exception for Newborns” section of this document that describe requirements for enrollment and effective date of insurance will also apply to an adopted child or a child placed with you for adoption.
Group Plan Coverage Instead of Medicaid
If your income and liquid resources do not exceed certain limits established by law, the state may decide to pay premiums for this coverage instead of for Medicaid, if it is cost effective. This includes premiums for continuation coverage required by federal law.

Requirements of Medical Leave Act of 1993 (as amended) (FMLA)
Any provisions of the policy that provide for: continuation of insurance during a leave of absence; and reinstatement of insurance following a return to Active Service; are modified by the following provisions of the federal Family and Medical Leave Act of 1993, as amended, where applicable:

Continuation of Health Insurance During Leave
Your health insurance will be continued during a leave of absence if:
- that leave qualifies as a leave of absence under the Family and Medical Leave Act of 1993, as amended; and
- you are an eligible Employee under the terms of that Act.
The cost of your health insurance during such leave must be paid, whether entirely by your Employer or in part by you and your Employer.

Reinstatement of Canceled Insurance Following Leave
Upon your return to Active Service following a leave of absence that qualifies under the Family and Medical Leave Act of 1993, as amended, any canceled insurance (health, life or disability) will be reinstated as of the date of your return.
You will not be required to satisfy any eligibility or benefit waiting period to the extent that they had been satisfied prior to the start of such leave of absence.
Your Employer will give you detailed information about the Family and Medical Leave Act of 1993, as amended.

Uniformed Services Employment and Re-Employment Rights Act of 1994 (USERRA)
The Uniformed Services Employment and Re-employment Rights Act of 1994 (USERRA) sets requirements for continuation of health coverage and re-employment in regard to an Employee’s military leave of absence. These requirements apply to medical and dental coverage for you and your Dependents. They do not apply to any Life, Short-term or Long-term Disability or Accidental Death & Dismemberment coverage you may have.

Continuation of Coverage
For leaves of less than 31 days, coverage will continue as described in the Termination section regarding Leave of Absence.
For leaves of 31 days or more, you may continue coverage for yourself and your Dependents as follows:
- You may continue benefits by paying the required premium to your Employer, until the earliest of the following:
  - 24 months from the last day of employment with the Employer;
  - the day after you fail to return to work; and
  - the date the policy cancels.
- Your Employer may charge you and your Dependents up to 102% of the total premium.
- Following continuation of health coverage per USERRA requirements, you may convert to a plan of individual coverage according to any “Conversion Privilege” shown in your certificate.

Reinstatement of Benefits (applicable to all coverages)
If your coverage ends during the leave of absence because you do not elect USERRA or an available conversion plan at the expiration of USERRA and you are reemployed by your current Employer, coverage for you and your Dependents may be reinstated if you gave your Employer advance written or verbal notice of your military service leave, and the duration of all military leaves while you are employed with your current Employer does not exceed 5 years.
- You and your Dependents will be subject to only the balance of a waiting period that was not yet satisfied before the leave began. However, if an Injury or Sickness occurs or is aggravated during the military leave, full Plan limitations will apply.
- If your coverage under this plan terminates as a result of your eligibility for military medical and dental coverage and your order to active duty is canceled before your active duty service commences, these reinstatement rights will continue to apply.

Claim Determination Procedures under ERISA
Procedures Regarding Medical Necessity Determinations
In general, health services and benefits must be Medically Necessary to be covered under the plan. The procedures for
determining Medical Necessity vary, according to the type of service or benefit requested, and the type of health plan. You or your authorized representative (typically, your health care professional) must request Medical Necessity determinations according to the procedures described below, in the Certificate, and in your provider's network participation documents as applicable.

When services or benefits are determined to be not covered, you or your representative will receive a written description of the adverse determination, and may appeal the determination. Appeal procedures are described in the Certificate, in your provider's network participation documents as applicable, and in the determination notices.

Postservice Determinations
When you or your representative requests a coverage determination or a claim payment determination after services have been rendered, Cigna will notify you or your representative of the determination within 30 days after receiving the request. However, if more time is needed to make a determination due to matters beyond Cigna's control Cigna will notify you or your representative within 30 days after receiving the request. This notice will include the date a determination can be expected, which will be no more than 45 days after receipt of the request.

If more time is needed because necessary information is missing from the request, the notice will also specify what information is needed and you or your representative must provide the specified information to Cigna within 45 days after receiving the notice. The determination period will be suspended on the date Cigna sends such a notice of missing information, and the determination period will resume on the date you or your representative responds to the notice.

Notice of Adverse Determination
Every notice of an adverse benefit determination will be provided in writing or electronically, and will include all of the following that pertain to the determination: the specific reason or reasons for the adverse determination; reference to the specific plan provisions on which the determination is based; a description of any additional material or information necessary to perfect the claim and an explanation of why such material or information is necessary; a description of the plan's review procedures and the time limits applicable, including a statement of a claimant's rights to bring a civil action under section 502(a) of ERISA following an adverse benefit determination on appeal, if applicable; upon request and free of charge, a copy of any internal rule, guideline, protocol or other similar criterion that was relied upon in making the adverse determination regarding your claim, and an explanation of the scientific or clinical judgment for a determination that is based on a Medical Necessity, experimental treatment or other similar exclusion or limit; and in the case of a claim involving urgent care, a description of the expedited review process applicable to such claim.

COBRA Continuation Rights Under Federal Law
For You and Your Dependents
What is COBRA Continuation Coverage?
Under federal law, you and/or your Dependents must be given the opportunity to continue health insurance when there is a “qualifying event” that would result in loss of coverage under the Plan. You and/or your Dependents will be permitted to continue the same coverage under which you or your Dependents were covered on the day before the qualifying event occurred, unless you move out of that plan’s coverage area or the plan is no longer available. You and/or your Dependents cannot change coverage options until the next open enrollment period.

When is COBRA Continuation Available?
For you and your Dependents, COBRA continuation is available for up to 18 months from the date of the following qualifying events if the event would result in a loss of coverage under the Plan:

- your termination of employment for any reason, other than gross misconduct; or
- your reduction in work hours.

For your Dependents, COBRA continuation coverage is available for up to 36 months from the date of the following qualifying events if the event would result in a loss of coverage under the Plan:

- your death;
- your divorce or legal separation; or
- for a Dependent child, failure to continue to qualify as a Dependent under the Plan.

Who is Entitled to COBRA Continuation?
Only a “qualified beneficiary” (as defined by federal law) may elect to continue health insurance coverage. A qualified beneficiary may include the following individuals who were covered by the Plan on the day the qualifying event occurred: you, your spouse, and your Dependent children. Each qualified beneficiary has their own right to elect or decline COBRA continuation coverage even if you decline or are not eligible for COBRA continuation.

The following individuals are not qualified beneficiaries for purposes of COBRA continuation: domestic partners, grandchildren (unless adopted by you), stepchildren (unless
adopted by you). Although these individuals do not have an independent right to elect COBRA continuation coverage, if you elect COBRA continuation coverage for yourself, you may also cover your Dependents even if they are not considered qualified beneficiaries under COBRA. However, such individuals’ coverage will terminate when your COBRA continuation coverage terminates. The sections titled “Secondary Qualifying Events” and “Medicare Extension For Your Dependents” are not applicable to these individuals.

Secondary Qualifying Events
If, as a result of your termination of employment or reduction in work hours, your Dependent(s) have elected COBRA continuation coverage and one or more Dependents experience another COBRA qualifying event, the affected Dependent(s) may elect to extend their COBRA continuation coverage for an additional 18 months (7 months if the secondary event occurs within the disability extension period) for a maximum of 36 months from the initial qualifying event. The second qualifying event must occur before the end of the initial 18 months of COBRA continuation coverage or within the disability extension period discussed below. Under no circumstances will COBRA continuation coverage be available for more than 36 months from the initial qualifying event. Secondary qualifying events are: your death; your divorce or legal separation; or, for a Dependent child, failure to continue to qualify as a Dependent under the Plan.

Disability Extension
If, after electing COBRA continuation coverage due to your termination of employment or reduction in work hours, you or one of your Dependents is determined by the Social Security Administration (SSA) to be totally disabled under Title II or XVI of the SSA, you and all of your Dependents who have elected COBRA continuation coverage may extend such continuation for an additional 11 months, for a maximum of 29 months from the initial qualifying event.

To qualify for the disability extension, all of the following requirements must be satisfied:
- SSA must determine that the disability occurred prior to or within 60 days after the disabled individual elected COBRA continuation coverage; and
- A copy of the written SSA determination must be provided to the Plan Administrator within 60 calendar days after the date the SSA determination is made AND before the end of the initial 18-month continuation period.

If the SSA later determines that the individual is no longer disabled, you must notify the Plan Administrator within 30 days after the date the final determination is made by SSA. The 11-month disability extension will terminate for all covered persons on the first day of the month that is more than 30 days after the date the SSA makes a final determination that the disabled individual is no longer disabled.

All causes for “Termination of COBRA Continuation” listed below will also apply to the period of disability extension.

Medicare Extension for Your Dependents
When the qualifying event is your termination of employment or reduction in work hours and you became enrolled in Medicare (Part A, Part B or both) within the 18 months before the qualifying event, COBRA continuation coverage for your Dependents will last for up to 36 months after the date you became enrolled in Medicare. Your COBRA continuation coverage will last for up to 18 months from the date of your termination of employment or reduction in work hours.

Termination of COBRA Continuation
COBRA continuation coverage will be terminated upon the occurrence of any of the following:
- the end of the COBRA continuation period of 18, 29 or 36 months, as applicable;
- failure to pay the required premium within 30 calendar days after the due date;
- cancellation of the Employer’s policy with Cigna;
- after electing COBRA continuation coverage, a qualified beneficiary enrolls in Medicare (Part A, Part B, or both);
- after electing COBRA continuation coverage, a qualified beneficiary becomes covered under another group health plan, unless the qualified beneficiary has a condition for which the new plan limits or excludes coverage under a pre-existing condition provision. In such case coverage will continue until the earliest of: the end of the applicable maximum period; the date the pre-existing condition provision is no longer applicable; or the occurrence of an event described in one of the first three bullets above;
- any reason the Plan would terminate coverage of a participant or beneficiary who is not receiving continuation coverage (e.g., fraud).

Employer’s Notification Requirements
Your Employer is required to provide you and/or your Dependents with the following notices:
- An initial notification of COBRA continuation rights must be provided within 90 days after your (or your spouse’s) coverage under the Plan begins (or the Plan first becomes subject to COBRA continuation requirements, if later). If you and/or your Dependents experience a qualifying event before the end of that 90-day period, the initial notice must be provided within the time frame required for the COBRA continuation coverage election notice as explained below.
- A COBRA continuation coverage election notice must be provided to you and/or your Dependents within the following timeframes:
  - if the Plan provides that COBRA continuation coverage and the period within which an Employer must notify the
Plan Administrator of a qualifying event starts upon the loss of coverage, 44 days after loss of coverage under the Plan;

- if the Plan provides that COBRA continuation coverage and the period within which an Employer must notify the Plan Administrator of a qualifying event starts upon the occurrence of a qualifying event, 44 days after the qualifying event occurs; or
- in the case of a multi-employer plan, no later than 14 days after the end of the period in which Employers must provide notice of a qualifying event to the Plan Administrator.

How to Elect COBRA Continuation Coverage

The COBRA coverage election notice will list the individuals who are eligible for COBRA continuation coverage and inform you of the applicable premium. The notice will also include instructions for electing COBRA continuation coverage. You must notify the Plan Administrator of your election no later than the due date stated on the COBRA election notice. If a written election notice is required, it must be post-marked no later than the due date stated on the COBRA election notice. If you do not make proper notification by the due date shown on the notice, you and your Dependents will lose the right to elect COBRA continuation coverage. If you reject COBRA continuation coverage before the due date, you may change your mind as long as you furnish a completed election form before the due date.

Each qualified beneficiary has an independent right to elect COBRA continuation coverage. Continuation coverage may be elected for only one, several, or for all Dependents who are qualified beneficiaries. Parents may elect to continue coverage on behalf of their Dependent children. You or your spouse may elect continuation coverage on behalf of all the qualified beneficiaries. You are not required to elect COBRA continuation coverage in order for your Dependents to elect COBRA continuation.

How Much Does COBRA Continuation Coverage Cost?

Each qualified beneficiary may be required to pay the entire cost of continuation coverage. The amount may not exceed 102% of the cost to the group health plan (including both Employer and Employee contributions) for coverage of a similarly situated active Employee or family member. The premium during the 11-month disability extension may not exceed 150% of the cost to the group health plan (including both employer and employee contributions) for coverage of a similarly situated active Employee or family member.

For example: If the Employee alone elects COBRA continuation coverage, the Employee will be charged 102% (or 150%) of the active Employee premium. If more than one qualified beneficiary elects COBRA continuation coverage, they will be charged 102% (or 150%) of the applicable family premium.

When and How to Pay COBRA Premiums

First payment for COBRA continuation

If you elect COBRA continuation coverage, you do not have to send any payment with the election form. However, you must make your first payment no later than 45 calendar days after the date of your election. (This is the date the Election Notice is postmarked, if mailed.) If you do not make your first payment within that 45 days, you will lose all COBRA continuation rights under the Plan.

Subsequent payments

After you make your first payment for COBRA continuation coverage, you will be required to make subsequent payments of the required premium for each additional month of coverage. Payment is due on the first day of each month. If you make a payment on or before its due date, your coverage under the Plan will continue for that coverage period without any break.

Grace periods for subsequent payments

Although subsequent payments are due by the first day of the month, you will be given a grace period of 30 days after the first day of the coverage period to make each monthly payment. Your COBRA continuation coverage will be provided for each coverage period as long as payment for that coverage period is made before the end of the grace period for that payment. However, if your payment is received after the due date, your coverage under the Plan may be suspended during this time. Any providers who contact the Plan to confirm coverage during this time may be informed that coverage has been suspended. If payment is received before the end of the grace period, your coverage will be reinstated back to the beginning of the coverage period. This means that any claim you submit for benefits while your coverage is suspended may be denied and may have to be resubmitted once your coverage is reinstated. If you fail to make a payment before the end of the grace period for that coverage period, you will lose all rights to COBRA continuation coverage under the Plan.

You Must Give Notice of Certain Qualifying Events

If you or your Dependent(s) experience one of the following qualifying events, you must notify the Plan Administrator within 60 calendar days after the later of the date the qualifying event occurs or the date coverage would cease as a result of the qualifying event:

- Your divorce or legal separation; or
- Your child ceases to qualify as a Dependent under the Plan.
- The occurrence of a secondary qualifying event as discussed under “Secondary Qualifying Events” above (this notice

myCigna.com
must be received prior to the end of the initial 18- or 29-month COBRA period.

(Also refer to the section titled “Disability Extension” for additional notice requirements.)

Notice must be made in writing and must include: the name of the Plan, name and address of the Employee covered under the Plan, name and address(es) of the qualified beneficiaries affected by the qualifying event; the qualifying event; the date the qualifying event occurred; and supporting documentation (e.g., divorce decree, birth certificate, disability determination, etc.).

**Newly Acquired Dependents**

If you acquire a new Dependent through marriage, birth, adoption or placement for adoption while your coverage is being continued, you may cover such Dependent under your COBRA continuation coverage. However, only your newborn or adopted Dependent child is a qualified beneficiary and may continue COBRA continuation coverage for the remainder of the coverage period following your early termination of COBRA coverage or due to a secondary qualifying event. COBRA coverage for your Dependent spouse and any Dependent children who are not your children (e.g., stepchildren or grandchildren) will cease on the date your COBRA coverage ceases and they are not eligible for a secondary qualifying event.

**COBRA Continuation for Retirees Following Employer’s Bankruptcy**

If you are covered as a retiree, and a proceeding in bankruptcy is filed with respect to the Employer under Title 11 of the United States Code, you may be entitled to COBRA continuation coverage. If the bankruptcy results in a loss of coverage for you, your Dependents or your surviving spouse within one year before or after such proceeding, you and your covered Dependents will become COBRA qualified beneficiaries with respect to the bankruptcy. You will be entitled to COBRA continuation coverage until your death. Your surviving spouse and covered Dependent children will be entitled to COBRA continuation coverage for up to 36 months following your death. However, COBRA continuation coverage will cease upon the occurrence of any of the events listed under “Termination of COBRA Continuation” above.

**Interaction With Other Continuation Benefits**

You may be eligible for other continuation benefits under state law. Refer to the Termination section for any other continuation benefits.

**Plan Type**

The plan is a healthcare benefit plan.

**Collective Bargaining Agreements**

You may contact the Plan Administrator to determine whether the Plan is maintained pursuant to one or more collective bargaining agreements and if a particular Employer is a sponsor. A copy is available for examination from the Plan Administrator upon written request.

**Discretionary Authority**

The Plan Administrator delegates to Cigna the discretionary authority to interpret and apply plan terms and to make factual determinations in connection with its review of claims under the plan. Such discretionary authority is intended to include, but not limited to, the determination of the eligibility of persons desiring to enroll in or claim benefits under the plan, the determination of whether a person is entitled to benefits under the plan, and the computation of any and all benefit
payments. The Plan Administrator also delegates to Cigna the discretionary authority to perform a full and fair review, as required by ERISA, of each claim denial which has been appealed by the claimant or his duly authorized representative.

**Plan Modification, Amendment and Termination**

The Employer as Plan Sponsor reserves the right to, at any time, change or terminate benefits under the Plan, to change or terminate the eligibility of classes of employees to be covered by the Plan, to amend or eliminate any other plan term or condition, and to terminate the whole plan or any part of it. Contact the Employer for the procedure by which benefits may be changed or terminated, by which the eligibility of classes of employees may be changed or terminated, or by which part or all of the Plan may be terminated. No consent of any participant is required to terminate, modify, amend or change the Plan.

Termination of the Plan together with termination of the insurance policy(s) which funds the Plan benefits will have no adverse effect on any benefits to be paid under the policy(s) for any covered medical expenses incurred prior to the date that policy(s) terminates. Likewise, any extension of benefits under the policy(s) due to you or your Dependent's total disability which began prior to and has continued beyond the date the policy(s) terminates will not be affected by the Plan termination. Rights to purchase limited amounts of life and medical insurance to replace part of the benefits lost because the policy(s) terminated may arise under the terms of the policy(s). A subsequent Plan termination will not affect the extension of benefits and rights under the policy(s).

Your coverage under the Plan’s insurance policy(s) will end on the earliest of the following dates:

- the date you leave Active Service (or later as explained in the Termination Section);
- the date you are no longer in an eligible class;
- if the Plan is contributory, the date you cease to contribute;
- the date the policy(s) terminates.

See your Plan Administrator to determine if any extension of benefits or rights are available to you or your Dependents under this policy(s). No extension of benefits or rights will be available solely because the Plan terminates.

**Statement of Rights**

As a participant in the plan you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all plan participants shall be entitled to:

**Receive Information About Your Plan and Benefits**

- examine, without charge, at the Plan Administrator’s office and at other specified locations, such as worksites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements and a copy of the latest annual report (Form 5500 Series) filed by the plan with the U.S. Department of Labor and available at the Public Disclosure room of the Employee Benefits Security Administration.

- obtain, upon written request to the Plan Administrator, copies of documents governing the Plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) and updated summary plan description. The administrator may make a reasonable charge for the copies.

- receive a summary of the Plan’s annual financial report. The Plan Administrator is required by law to furnish each person under the Plan with a copy of this summary financial report.

**Continue Group Health Plan Coverage**

- continue health care coverage for yourself, your spouse or Dependents if there is a loss of coverage under the Plan as a result of a qualifying event. You or your Dependents may have to pay for such coverage. Review the documents governing the Plan on the rules governing your federal continuation coverage rights.

**Prudent Actions by Plan Fiduciaries**

In addition to creating rights for plan participants, ERISA imposes duties upon the people responsible for the operation of the employee benefit plan. The people who operate your plan, called “fiduciaries” of the Plan, have a duty to do so prudently and in the interest of you and other plan participants and beneficiaries. No one, including your employer, your union, or any other person may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA. If your claim for a welfare benefit is denied or ignored you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

**Enforce Your Rights**

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of documents governing the plan or the latest annual report from the plan and do not receive them within 30 days, you may file suit in a federal court. In such a case, the court may require the plan administrator to provide the materials and pay you up to $110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or federal court.

In addition, if you disagree with the plan’s decision or lack thereof concerning the qualified status of a domestic relations order or a medical child support order, you may file suit in federal court. If it should happen that plan fiduciaries misuse
the plan’s money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a federal court. The court will decide who should pay court costs and legal fees. If you are successful the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example if it finds your claim is frivolous.

**Assistance with Your Questions**

If you have any questions about your plan, you should contact the plan administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the plan administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

**External Appeal**

**Your Right to an External Appeal**

In some cases, you have a right to an external appeal of a denial of coverage. Specifically, if we have denied coverage on the basis that a service does not meet our requirements for
Medical Necessity (including appropriateness, health care setting, level of care or effectiveness of a covered benefit); or is an experimental or investigational treatment (including clinical trials and treatments for rare diseases), you or your representative may appeal that decision to an External Appeal Agent, an independent third party certified by the state to conduct these appeals.

In order for you to be eligible for an external appeal you must meet the following two requirements:

- the service, procedure, or treatment must otherwise be a Covered Service under the certificate; and
- in general, you must have received a final adverse determination through the first level of our internal appeal process. But, you can file an external appeal even though you have not received a final adverse determination through the first level of our internal appeal process if:
  - we agree in writing to waive the internal appeal. We are not required to agree to your request to waive the internal appeal; or
  - you file an external appeal at the same time as you apply for an expedited internal appeal; or
  - we fail to adhere to utilization review claim processing requirements (other than a minor violation that is not likely to cause prejudice or harm to you, and we demonstrate that the violation was for good cause or due to matters beyond our control and the violation occurred during an ongoing, good faith exchange of information between you and us).

Your Right to Appeal a Determination that a Service is not Medically Necessary

If we have denied coverage on the basis that the service does not meet our requirements for Medical Necessity, you may appeal to an External Appeal Agent if you meet the requirements for an external appeal in the paragraph “Your Right to an External Appeal” above.

Your Right to Appeal a Determination that a Service is Experimental or Investigational

If we have denied coverage on the basis that the service is an experimental or investigational treatment, you must satisfy the two requirements for an external appeal in the paragraph “Your Right to an External Appeal” above and your attending Physician must certify that your condition is one for which:

- standard health services are ineffective or medically inappropriate;
- there does not exist a more beneficial standard service or procedure covered by us; or
- there exists a clinical trial or rare disease treatment (as defined by law).

In addition, your attending Physician must have recommended one of the following:

- A service, procedure or treatment that two (2) documents from available medical and scientific evidence indicate is likely to be more beneficial to you than any standard Covered Service (only certain documents will be considered in support of this recommendation – your attending Physician should contact the state for current information as to what documents will be considered or acceptable); or
- A clinical trial for which you are eligible (only certain clinical trials can be considered); or
- A rare disease treatment for which your attending Physician certifies that there is no standard treatment that is likely to be more clinically beneficial to you than the requested service, the requested service is likely to benefit you in the treatment of your rare disease, and such benefit outweighs the risk of the service. In addition, your attending Physician must certify that your condition is a rare disease that is currently or was previously subject to a research study by the National Institutes of Health Rare Disease Clinical Research Network or that it affects fewer than 200,000 U.S. residents per year.

For purposes of this section, your attending Physician must be a licensed, board-certified or board eligible Physician qualified to practice in the area appropriate to treat your condition or disease. In addition, for a rare disease treatment, the attending Physician may not be your treating Physician.

Your Right to Appeal a Determination That a Service Is Out-of-Network

If we have denied coverage of an out-of-network treatment because it is not materially different than the health service available in-network, you may appeal to an External Appeal Agent if you meet the two requirements for an external appeal in paragraph “Your Right to an External Appeal” above, and you have requested preauthorization for the out-of-network treatment.

In addition, your attending Physician must certify that the out-of-network service is materially different from the alternate recommended in-network health service, and based on two documents from available medical and scientific evidence, is likely to be more clinically beneficial than the alternate in-network treatment and that the adverse risk of the requested health service would likely not be substantially increased over the alternate in-network health service.

For purposes of this section, your attending Physician must be a licensed, board-certified or board eligible Physician qualified to practice in the specialty area appropriate to treat you for the health service.

You do not have a right to an external appeal for a denial of a referral to an out-of-network provider on the basis that a
health care provider is available in-network to provide the particular health service requested by you.

The External Appeal Process

You have four (4) months from receipt of a final adverse determination or from receipt of a waiver of the internal appeal process to file a written request for an external appeal. If you are filing an external appeal based on our failure to adhere to claim processing requirements, you have four (4) months from such failure to file a written request for an external appeal.

We will provide an external appeal application with the final adverse determination issued through the first level of our internal appeal process or our written waiver of an internal appeal. You may also request an external appeal application from the New York State Department of Financial Services at 1.800.400.8882. Submit the completed application to the Department of Financial Services at the address indicated on the application. If you meet the criteria for an external appeal, the state will forward the request to a certified External Appeal Agent.

You can submit additional documentation with your external appeal request. If the External Appeal Agent determines that the information you submit represents a material change from the information on which we based our denial, the External Appeal Agent will share this information with us in order for us to exercise our right to reconsider our decision. If we choose to exercise this right, we will have three (3) business days to amend or confirm our decision. Please note that in the case of an expedited external appeal (described below), we do not have a right to reconsider our decision.

In general, the External Appeal Agent must make a decision within 30 days of receipt of your completed application. The External Appeal Agent may request additional information from you, your Physician, or us. If the External Appeal Agent requests additional information, it will have five (5) additional business days to make its decision. The External Appeal Agent must notify you in writing of its decision within two (2) business days.

If your attending Physician certifies that a delay in providing the service that has been denied poses an imminent or serious threat to your health; or if your attending Physician certifies that the standard external appeal time frame would seriously jeopardize your life, health or ability to regain maximum function; or if you received emergency services and have not been discharged from a facility and the denial concerns an admission, availability of care, or continued stay, you may request an expedited external appeal. In that case, the External Appeal Agent must make a decision within seventy-two (72) hours of receipt of your completed application. Immediately after reaching a decision, the External Appeal Agent must notify you and us by telephone or facsimile of that decision.

The External Appeal Agent must also notify you in writing of its decision.

If the External Appeal Agent overturns our decision that a service is not Medically Necessary or approves coverage of an experimental or investigational treatment, we will provide coverage subject to the other terms and conditions of this certificate. Please note that if the External Appeal Agent approves coverage of an experimental or investigational treatment that is part of a clinical trial, we will only cover the cost of services required to provide treatment to you according to the design of the trial. We will not be responsible for the costs of investigational drugs or devices, the costs of non-health care services, the costs of managing the research, or costs that would not be covered under this certificate for non-experimental or non-investigational treatments provided in the clinical trial.

The External Appeal Agent’s decision is binding on both you and us. The External Appeal Agent’s decision is admissible in any court proceeding.

We will charge you a fee of $25 for each external appeal, not to exceed $75 in a single plan year. The external appeal application will explain how to submit the fee. We will waive the fee if we determine that paying the fee would be a hardship to you. If the External Appeal Agent overturns the denial of coverage, the fee will be refunded to you.

Your Responsibilities. It is your responsibility to start the external appeal process

You may start the external appeal process by filing a completed application with the New York State Department of Financial Services. You may appoint a representative to assist you with your application; however, the Department of Financial Services may contact you and request that you confirm in writing that you have appointed the representative.

Under New York State law, your completed request for external appeal must be filed within four (4) months of either the date upon which you receive a final adverse determination, or the date upon which you receive a written waiver of any internal appeal, or our failure to adhere to claim processing requirements. We have no authority to extend this deadline.

Notice of Benefit Determination on Grievance or Appeal

Every notice of a determination on grievance or appeal will be provided in writing or electronically and, if an adverse determination, will include: the specific reason or reasons for the adverse determination including clinical rationale; reference to the specific plan provisions on which the determination is based; a statement that the claimant is entitled to receive, upon request and free of charge, reasonable access to and copies of all documents, records, and other Relevant Information as defined; a statement describing the procedures to initiate the next level of appeal; any voluntary appeal
procedures offered by the plan; and the claimant's right to bring an action under ERISA section 502(a); upon request and free of charge, a copy of any internal rule, guideline, protocol or other similar criterion that was relied upon in making the adverse determination regarding your appeal, and an explanation of the scientific or clinical judgment for a determination that is based on a Medical Necessity, experimental treatment or other similar exclusion or limit.

In addition, every notice of a utilization review final adverse determination must include: a clear statement describing the basis and clinical rationale for the denial as applicable to the insured; a clear statement that the notice constitutes the final adverse determination; Cigna's contact person and his or her telephone number; the insured's coverage type; the name and full address of Cigna's utilization review agent, if any; the utilization review agent's contact person and his or her telephone number; a description of the health care service that was denied, including, as applicable and available, the dates of service, the name of the facility and/or Dentist proposed to provide the treatment and the developer/manufacturer of the health care service; a statement that the insured may be eligible for an external appeal and the time frames for requesting an appeal; and a clear statement written in bolded text that the four month time frame for requesting an external appeal begins upon receipt of the final adverse determination of the first level appeal, regardless of whether or not a second level appeal is requested, and that by choosing the request a second level internal appeal, the time may expire for the insured to request an external appeal.

You also have the right to bring a civil action under section 502(a) of ERISA if you are not satisfied with the level two decision (or with the level one decision for all expedited grievance or appeals and all Medical Necessity appeals). You or your plan may have other voluntary alternative dispute resolution options such as Mediation. One way to find out what may be available is to contact your local U.S. Department of Labor office and your state insurance regulatory agency. You may also contact the Plan Administrator.

**Definitions**

**Active Service**

You will be considered in Active Service:

- on any of your Employer's scheduled work days if you are performing the regular duties of your work on a full-time basis on that day either at your Employer's place of business or at some location to which you are required to travel for your Employer's business.
- on a day which is not one of your Employer's scheduled work days if you were in Active Service on the preceding scheduled work day.

**Adverse Determination**

An Adverse Determination is a decision made by Cigna Dental that it will not authorize payment for certain limited specialty care procedures. Any such decision will be based on the necessity or appropriateness of the care in question. To be considered clinically necessary, the treatment or service must be reasonable and appropriate and must meet the following requirements. It must:

- be consistent with the symptoms, diagnosis or treatment of the condition present;
- conform to commonly accepted standards of treatment;
- not be used primarily for the convenience of the member or provider of care; and
- not exceed the scope, duration or intensity of that level of care needed to provide safe and appropriate treatment.
Requests for payment authorizations that are declined by Cigna Dental based upon the above criteria will be the responsibility of the member at the dentist’s Usual Fees.

Cigna Dental Health (herein referred to as CDH)
CDH is a wholly-owned subsidiary of Cigna Corporation that, on behalf of Cigna, contracts with Participating General Dentists for the provision of dental care. CDH also provides management and information services to Policyholders and Participating Dental Facilities.

II. Introduction To Your Cigna Dental Plan

Welcome to the Cigna Dental Plan. We encourage you to use your dental benefits. Please note that enrollment in the Dental Plan allows the release of patient records to Cigna Dental or its designee for health plan operation purposes.

III. Eligibility/When Coverage Begins

To enroll in the Dental Plan, you and your Dependents must be able to seek treatment for Covered Services within a Cigna Dental Service Area. Other eligibility requirements are determined by your Group.

If you enrolled in the Dental Plan before the effective date of your Group Contract, you will be covered on the first day the Group Contract is effective. If you enrolled in the Dental Plan after the effective date of the Group Contract, you will be covered on the first day of the month following processing of
your enrollment (unless effective dates other than the first day of the month are provided for in your Group Contract).

Dependents may be enrolled in the Dental Plan at the time you enroll, during an open enrollment, or within 31 days of becoming eligible due to a life status change such as marriage, birth, adoption, placement, or court or administrative order. You may drop coverage for your Dependents only during the open enrollment periods for your Group, unless there is a change in status such as divorce. Cigna Dental may require evidence of good dental health at your expense if you or your Dependents enroll after the first period of eligibility (except during open enrollment) or after disenrollment because of nonpayment of Premiums.

If you have family coverage, a newborn child is automatically covered during the first 31 days of life. If you wish to continue coverage beyond the first 31 days, your baby must be enrolled in the Dental Plan and you must begin paying Premiums, if any additional are due, during that period.

Under the Family and Medical Leave Act of 1993, you may be eligible to continue coverage during certain leaves of absence from work. During such leaves, you will be responsible for paying your Group the portion of the Premiums, if any, which you would have paid if you had not taken the leave. Additional information is available through your Benefits Representative.

IV. Your Cigna Dental Coverage

The information below outlines your coverage and will help you to better understand your Dental Plan. Included is information about which services are covered, which are not, and how much dental services will cost you. A copy of the Group Contract will be furnished to you upon your request.

A. Customer Service

If you have any questions or concerns about the Dental Plan, Customer Service Representatives are just a toll-free phone call away. They can explain your benefits or help with matters regarding your Dental Office or Dental Plan. For assistance with transfers, specialty referrals, eligibility, second opinions, emergencies, Covered Services, plan benefits, ID cards, location of Dental Offices, conversion coverage or other matters, call Customer Service from any location at 1-800-Cigna24. The hearing impaired may contact the state TTY toll-free relay service number listed in their local telephone directory.

B. Premiums

Your Group sends a monthly fee to Cigna Dental for customers participating in the Dental Plan. The amount and term of this fee is set forth in your Group Contract. You may contact your Benefits Representative for information regarding any part of this fee to be withheld from your salary or to be paid by you to the Group.

C. Other Charges – Patient Charges

Network General Dentists are typically reimbursed by Cigna Dental through fixed monthly payments and supplemental payments for certain procedures. No bonuses or financial incentives are used as an inducement to limit services. Network Dentists are also compensated by the fees which you pay, as set out in your Patient Charge Schedule.

Your Patient Charge Schedule lists the dental procedures covered under your Dental Plan. Some dental procedures are covered at no charge to you. For other Covered Services, the Patient Charge Schedule lists the fees you must pay when you visit your Dental Office. There are no deductibles and no annual dollar limits for services covered by your Dental Plan.

Your Network General Dentist should tell you about Patient Charges for Covered Services, the amount you must pay for non-Covered Services and the Dental Office’s payment policies. Timely payment is important. It is possible that the Dental Office may add late charges to overdue balances.

Your Patient Charge Schedule is subject to annual change in accordance with your Group Contract. Cigna Dental will give written notice to your Group of any change in Patient Charges at least 60 days prior to such change. You will be responsible for the Patient Charges listed on the Patient Charge Schedule that is in effect on the date a procedure is started.

D. Choice of Dentist

You and your Dependents should have selected a Dental Office when you enrolled in the Dental Plan. If you did not, you must advise Cigna Dental of your Dental Office selection prior to receiving treatment. The benefits of the Dental Plan are available only at your Dental Office, except in the case of an emergency or when Cigna Dental otherwise authorizes payment for out-of-network benefits.

You may select a network Pediatric Dentist as the Network General Dentist for your dependent child under age 7 by calling Customer Service at 1-800-Cigna24 to get a list of network Pediatric Dentists in your Service Area or if your Network General Dentist sends your child under the age of 7 to a network Pediatric Dentist, the network Pediatric Dentist’s office will have primary responsibility for your child’s care. For children 7 years and older, your Network General Dentist will provide care. If your child continues to visit the Pediatric Dentist upon the age of 7, you will be fully responsible for the Pediatric Dentist’s Usual Fees. Exceptions for medical reasons may be considered on a case-by-case basis.
If for any reason your selected Dental Office cannot provide your dental care, or if your Network General Dentist terminates from the network, Cigna Dental will let you know and will arrange a transfer to another Dental Office. Refer to the Section titled “Office Transfers” if you wish to change your Dental Office.

To obtain a list of Dental Offices near you, visit our website at myCigna.com, or call the Dental Office Locator at 1-800-Cigna24. It is available 24 hours a day, 7 days per week. If you would like to have the list faxed to you, enter your fax number, including your area code. You may always obtain a current Dental Office Directory by calling Customer Service.

E. Your Payment Responsibility (General Care)

For Covered Services at your Dental Office, you will be charged the fees listed on your Patient Charge Schedule. For services listed on your Patient Charge Schedule at any other dental office, you may be charged Usual Fees. For non-Covered Services, you are responsible for paying Usual Fees.

If, on a temporary basis, there is no Network General Dentist in your Service Area, Cigna Dental will let you know and you may obtain Covered Services from a non-Network Dentist. You will pay the non-Network Dentist the applicable Patient Charge for Covered Services. Cigna Dental will pay the non-Network Dentist the difference, if any, between his or her Usual Fee and the applicable Patient Charge.

See Section IX, Specialty Referrals, regarding payment responsibility for specialty care.

All contracts between Cigna Dental and Network Dentists state that you will not be liable to the Network Dentist for any sums owed to the Network Dentist by you.

F. Emergency Dental Care - Reimbursement

An emergency is a dental condition of recent onset and severity which would lead a prudent layperson possessing an average knowledge of dentistry to believe the condition needs immediate dental procedures necessary to control excessive bleeding, relieve severe pain, or eliminate acute infection. You should contact your Network General Dentist if you have an emergency in your Service Area.

1. Emergency Care Away From Home

If you have an emergency while you are out of your Service Area or you are unable to contact your Network General Dentist, you may receive emergency Covered Services as defined above from any general dentist. Routine restorative procedures or definitive treatment (e.g. root canal) are not considered emergency care. You should return to your Network General Dentist for these procedures. For emergency Covered Services, you will be responsible for the Patient Charges listed on your Patient Charge Schedule. Cigna Dental will reimburse you the difference, if any, between the dentist’s Usual Fee for emergency Covered Services and your Patient Charge, up to a total of $50 per incident. To receive reimbursement, send appropriate reports and x-rays to Cigna Dental at the address listed for your state on the front of this booklet.

2. Emergency Care After Hours

There is a Patient Charge listed on your Patient Charge Schedule for emergency care rendered after regularly scheduled office hours. This charge will be in addition to other applicable Patient Charges.

G. Limitations on Covered Services

Listed below are limitations on services when covered by your Dental Plan:

- **Frequency** - The frequency of certain Covered Services, like cleanings, is limited. Your Patient Charge Schedule lists any limitations on frequency.

placement of a dental implant; repair, maintenance, or removal of a dental implant; implant abutment(s); or any services related to the surgical placement of a dental implant are limited to one per year with replacement of a surgical implant frequency limitation of one every 10 years.

- **Prosthesis Over Implant** - When covered on the Patient Charge Schedule, a prosthetic device, supported by an implant or implant abutment is considered a separate distinct service(s) from surgical placement of an implant. Replacement of any type of prosthesis with a prosthesis supported by an implant or implant abutment is only covered if the existing prosthesis is at least 5 calendar years old, is not serviceable and cannot be repaired.

**General Limitations Dental Benefits**

V. Appointments

To make an appointment with your Network Dentist, call the Dental Office that you have selected. When you call, your Dental Office will ask for your identification number and will check your eligibility.

VI. Broken Appointments

The time your Network Dentist schedules for your appointment is valuable to you and the dentist. Broken appointments make it difficult for your Dental Office to schedule time with other patients.

If you or your enrolled Dependent breaks an appointment with less than 24 hours notice to the Dental Office, you may be charged a broken appointment fee.

VII. Office Transfers

If you decide to change Dental Offices, we can arrange a transfer. You should complete any dental procedure in progress before transferring to another Dental Office. To arrange a transfer, call Customer Service at 1-800-Cigna24. To obtain a list of Dental Offices near you, visit our website at myCigna.com, or call the Dental Office Locator at 1-800-Cigna24.

Your transfer request will take about 5 days to process. Transfers will be effective the first day of the month after the processing of your request. Unless you have an emergency, you will be unable to schedule an appointment at the new Dental Office until your transfer becomes effective.
There is no charge to you for the transfer; however, all Patient Charges which you owe to your current Dental Office must be paid before the transfer can be processed.

VIII. Specialty Care

Your Network General Dentist at your Dental Office has primary responsibility for your professional dental care. Because you may need specialty care, the Cigna Dental Network includes the following types of specialty dentists:

- Pediatric Dentists – children’s dentistry.
- Periodontists – treatment of gums and bone.
- Oral Surgeons – complex extractions and other surgical procedures.
- Orthodontists – tooth movement.

There is no coverage for referrals to prosthodontists or other specialty dentists not listed above.

When specialty care is needed, your Network General Dentist must start the referral process. X-rays taken by your Network General Dentist should be sent to the Network Specialty Dentist.

See Section IV.D, Choice of Dentist, regarding treatment by a Pediatric Dentist.

IX. Specialty Referrals

A. In General

Upon referral from a Network General Dentist, your Network Specialty Dentist will submit a specialty care treatment plan to Cigna Dental for payment authorization, except for Pediatrics, Orthodontics and Endodontics, for which prior authorization is not required. You should verify with the Network Specialty Dentist that your treatment plan has been authorized for payment by Cigna Dental before treatment begins.

When Cigna Dental authorizes payment to the Network Specialty Dentist, the fees or no-charge services listed on the Patient Charge Schedule in effect on the date each procedure is started will apply, except as set out in Section IX.B., Orthodontics. Treatment by the Network Specialty Dentist must begin within 90 days from the date of Cigna Dental’s authorization. If you are unable to obtain treatment within the 90 day period, please call Customer Service to request an extension. Your coverage must be in effect when each procedure begins.

For non-Covered Services or if Cigna Dental does not authorize payment to the Network Specialty Dentist for Covered Services, including Adverse Determinations, you must pay the Network Specialty Dentist’s Usual Fee. If you have a question or concern regarding an authorization or a denial, contact Customer Service.

After the Network Specialty Dentist has completed treatment, you should return to your Network General Dentist for cleanings, regular checkups and other treatment. If you visit a Network Specialty Dentist without a referral or if you continue to see a Network Specialty Dentist after you have completed specialty care, it will be your responsibility to pay for treatment at the dentist’s Usual Fees.

When your Network General Dentist determines that you need specialty care and a Network Specialty Dentist is not available, as determined by Cigna Dental, Cigna Dental will authorize a referral to a non-Network Specialty Dentist. The referral procedures applicable to specialty care will apply. In such cases, you will be responsible for the applicable Patient Charge for Covered Services. Cigna Dental will reimburse the non-Network Dentist the difference, if any, between his or her Usual Fee and the applicable Patient Charge. For non-Covered Services or services not authorized for payment, including Adverse Determinations, you must pay the dentist’s Usual Fee.

B. Orthodontics (This section is applicable only when Orthodontics is listed on your Patient Charge Schedule.)

1. Definitions – If your Patient Charge Schedule indicates coverage for orthodontic treatment, the following definitions apply:
   a. Orthodontic Treatment Plan and Records – the preparation of orthodontic records and a treatment plan by the Orthodontist.
   b. Interceptive Orthodontic Treatment – treatment prior to full eruption of the permanent teeth, frequently a first phase preceding comprehensive treatment.
   c. Comprehensive Orthodontic Treatment – treatment after the eruption of most permanent teeth, generally the final phase of treatment before retention.
   d. Retention (Post Treatment Stabilization) – the period following orthodontic treatment during which you may wear an appliance to maintain and stabilize the new position of the teeth.

2. Patient Charges

The Patient Charge for your entire orthodontic case, including retention, will be based upon the Patient Charge Schedule in effect on the date of your visit for Treatment Plan and Records. However, if a. banding/appliance insertion does not occur within 90 days of such visit, b. your treatment plan changes, or c. there is an interruption in your coverage or
treatment, a later change in the Patient Charge Schedule may apply.

The Patient Charge for Orthodontic Treatment is based upon 24 months of interceptive and/or comprehensive treatment. If you require more than 24 months of treatment in total, you will be charged an additional amount for each additional month of treatment, based upon the Orthodontist’s Contract Fee. If you require less than 24 months of treatment, your Patient Charge will be reduced on a pro-rated basis.

3. Additional Charges
You will be responsible for the Orthodontist’s Usual Fees for the following non-Covered Services:

a. incremental costs associated with optional/elective materials, including but not limited to ceramic, clear, lingual brackets, or other cosmetic appliances;

b. orthognathic surgery and associated incremental costs;

c. appliances to guide minor tooth movement;

d. appliances to correct harmful habits; and

e. services which are not typically included in Orthodontic Treatment. These services will be identified on a case-by-case basis.

4. Orthodontics In Progress
If Orthodontic Treatment is in progress for you or your Dependent at the time you enroll, the fee listed on the Patient Charge Schedule is not applicable. Please call Customer Service at 1-800-Cigna24 to find out if you are entitled to any benefit under the Dental Plan.

X. Complex Rehabilitation/Multiple Crown Units
Complex rehabilitation is extensive dental restoration involving 6 or more “units” of crown, bridge and/or implant supported prosthesis (including crowns and bridges) in the same treatment plan. Using full crowns (caps), fixed bridges and/or implant supported prosthesis (including crowns and bridges) which are cemented in place, your Network General Dentist will rebuild natural teeth, fill in spaces where teeth are missing and establish conditions which allow each tooth to function in harmony with the occlusion (bite). The extensive procedures involved in complex rehabilitation require an extraordinary amount of time, effort, skill and laboratory collaboration for a successful outcome.

Complex rehabilitation will be covered when performed by your Network General Dentist after consultation with you about diagnosis, treatment plan and charges. Each tooth or tooth replacement included in the treatment plan is referred to as a “unit” on your Patient Charge Schedule. The crown, bridge and/or implant supported prosthesis (including crowns and bridges) charges on your Patient Charge Schedule are for each unit of crown or bridge. You pay the per unit charge for each unit of crown, bridge and/or implant supported prosthesis (including crowns and bridges) PLUS an additional charge for each unit when 6 or more units are prescribed in your Network General Dentist’s treatment plan.

Note: Complex rehabilitation only applies for implant supported prosthesis, when implant supported prosthesis are specifically listed on your Patient Charge Schedule.

XI. What To Do If There Is A Problem
For the purposes of this section, any reference to “you” or “your” also refers to a representative or dentist designated by you to act on your behalf. Time frames or requirements may vary depending on the laws in your State. Consult your State Rider for further details.

Most problems can be resolved between you and your dentist. However, we want you to be completely satisfied with the Dental Plan. That is why we have established a process for addressing your concerns and complaints. The complaint procedure is voluntary and will be used only upon your request.

A. Start with Customer Service
We are here to listen and to help. If you have a concern about your Dental Office or the Dental Plan, you can call 1-800-Cigna24 toll-free and explain your concern to one of our Customer Service Representatives. You can also express that concern in writing to Cigna Dental, P.O. Box 188047, Chattanooga, TN 37422-8047. We will do our best to resolve the matter during your initial contact. If we need more time to review or investigate your concern, we will get back to you as soon as possible, usually by the end of the next business day, but in any case within 30 days.

If you are not satisfied with the results of a coverage decision, you may start the appeals procedure.

B. Appeals Procedure
Cigna Dental has a two-step appeals procedure for coverage decisions. To initiate an appeal, you must submit a request in writing to Cigna Dental, P.O. Box 188047, Chattanooga, TN 37422-8047, within 1 year from the date of the initial Cigna Dental decision. You should state the reason you feel your appeal should be approved and include any information to support your appeal. If you are unable or choose not to write, you may ask Customer Service to register your appeal by calling 1-800-Cigna24.
1. Level-One Appeals

Your level-one appeal will be reviewed and the decision made by someone not involved in the initial review. Appeals involving dental necessity or clinical appropriateness will be reviewed by a dental professional.

If your appeal concerns a denied pre-authorization, we will respond with a decision within 15 calendar days after we receive your appeal. For appeals concerning all other coverage issues, we will respond with a decision within 30 calendar days after we receive your appeal. If we need more information to make your level-one appeal decision, we will notify you in writing to request an extension of up to 15 calendar days and to specify any additional information needed to complete the review.

You may request that the appeal resolution be expedited if the time frames under the above process would seriously jeopardize your life or health or would jeopardize your ability to regain the dental functionality that existed prior to the onset of your current condition. A dental professional, in consultation with the treating dentist, will decide if an expedited review is necessary. When a review is expedited, Cigna Dental will respond orally with a decision within 72 hours, followed up in writing.

2. Level-Two Appeals

To initiate a level-two appeal, follow the same process required for a level-one appeal. Your level-two appeal will be reviewed and a decision made by someone not involved in the level-one appeal. For appeals involving dental necessity or clinical appropriateness, the decision will be made by a dentist. If specialty care is in dispute, the appeal will be conducted by a dentist in the same or similar specialty as the care under review.

The review will be completed within 30 calendar days. If we need more information to complete the appeal, we will notify you in writing to request an extension of up to 15 calendar days and to specify any additional information needed to complete the review. The decision will include the specific contractual or clinical reasons for the decision, as applicable.

You may request that the appeal resolution be expedited if the time frames under the above process would seriously jeopardize your life or health or would jeopardize your ability to regain the dental functionality that existed prior to the onset of your current condition. A dental professional, in consultation with the treating dentist, will decide if an expedited review is necessary. When a review is expedited, the Dental Plan will respond orally with a decision within 72 hours, followed up in writing.

3. Independent Review Procedure

The independent review procedure is a voluntary program arranged by the Dental Plan and is not available in all areas. Consult your State Rider for more details if applicable.

4. Appeals to the State

You have the right to contact your State’s Department of Insurance and/or Department of Health for assistance at any time. See your State Rider for further details.

Cigna Dental will not cancel or refuse to renew your coverage because you or your Dependent has filed a complaint or an appeal involving a decision made by Cigna Dental. You have the right to file suit in a court of law for any claim involving the professional treatment performed by a dentist.

XII. Dual Coverage

You and your Dependents may not be covered twice under this Dental Plan. If you and your spouse have enrolled each other or the same Dependents twice, please contact your Benefit Administrator.

If you or your Dependents have dental coverage through your spouse’s employer or other sources such as an HMO or similar dental plan, applicable coordination of benefit rules will determine which coverage is primary or secondary. In most cases, the plan covering you as an employee is primary for you, and the plan covering your spouse as an employee is primary for him or her. Your children are generally covered as primary by the plan of the parent whose birthday occurs earlier in the year. Dual coverage should result in lowering or eliminating your out-of-pocket expenses. It should not result in reimbursement for more than 100% of your expenses.

Coordination of benefit rules are attached to the Group Contract and may be reviewed by contacting your Benefit Administrator. Cigna Dental coordinates benefits only for specialty care services.

XIII. Disenrollment From the Dental Plan – Termination of Benefits

A. Time Frames for Disenrollment/Termination

Except as otherwise provided in the sections titled “Extension/Continuation of Benefits” or in your Group Rider for further details.
Contract, disenrollment from the Dental Plan and termination of benefits will occur on the last day of the month:

1. in which Premiums are not remitted to Cigna Dental.
2. in which eligibility requirements are no longer met.
3. after 30 days notice from Cigna Dental due to permanent breakdown of the dentist-patient relationship as determined by Cigna Dental, after at least two opportunities to transfer to another Dental Office.
4. after 30 days notice from Cigna Dental due to fraud or misuse of dental services and/or Dental Offices.
5. after 60 days notice by Cigna Dental, due to continued lack of a Dental Office in your Service Area.
6. after voluntary disenrollment.

B. Effect on Dependents

When one of your Dependents is disenrolled, you and your other Dependents may continue to be enrolled. When you are disenrolled, your Dependents will be disenrolled as well.

XIV. Extension of Benefits

Coverage for completion of a dental procedure (other than orthodontics) which was started before your disenrollment from the Dental Plan will be extended for 90 days after disenrollment unless disenrollment was due to nonpayment of Premiums.

Coverage for orthodontic treatment which was started before disenrollment from the Dental Plan will be extended to the end of the quarter or for 60 days after disenrollment, whichever is later, unless disenrollment was due to nonpayment of Premiums.

XV. Continuation of Benefits (COBRA)

For Groups with 20 or more employees, federal law requires the employer to offer continuation of benefits coverage for a specified period of time after termination of employment or reduction of work hours, for any reason other than gross misconduct. You will be responsible for sending payment of the required Premiums to the Group. Additional information is available through your Benefits Representative.

XVI. Conversion Coverage

If you are no longer eligible for coverage under your Group’s Dental Plan, you and your enrolled Dependents may continue your dental coverage by enrolling in the Cigna Dental conversion plan. You must enroll within three (3) months after becoming ineligible for your Group’s Dental Plan. Premium payments and coverage will be retroactive to the date coverage under your Group’s Dental Plan ended. You and your enrolled Dependents are eligible for conversion coverage unless benefits were discontinued due to:

- Permanent breakdown of the dentist-patient relationship,
- Fraud or misuse of dental services and/or Dental Offices,
- Nonpayment of Premiums by the Subscriber,
- Selection of alternate dental coverage by your Group, or
- Lack of network/Service Area.

Benefits and rates for Cigna Dental conversion coverage and any succeeding renewals will be based on the Covered Services listed in the then-current standard conversion plan and may not be the same as those for your Group’s Dental Plan. Please call the Cigna Dental Conversion Department at 1-800-Cigna24 to obtain current rates and make arrangements for continuing coverage.

XVII. Confidentiality/Privacy

Cigna Dental is committed to maintaining the confidentiality of your personal and sensitive information. Information about Cigna Dental’s confidentiality policies and procedures is made available to you during the enrollment process and/or as part of your customer plan materials. You may obtain additional information about Cigna Dental’s confidentiality policies and procedures by calling Customer Service at 1-800-Cigna24, or via the Internet at myCigna.com.

XVIII. Miscellaneous

As a Cigna Dental plan customer, you may be eligible for various discounts, benefits, or other consideration for the purpose of promoting your general health and well being. Please visit our website at myCigna.com for details.

As a Cigna Dental plan customer, you may also be eligible for additional dental benefits during certain health conditions. IV. Your Cigna Dental Coverage
D. Choice of Dentist

If, due to circumstances beyond the control of Cigna Dental, such as complete or partial destruction of Dental Offices, war, riot, civil insurrection, labor disputes, or the disability of a significant number of Network Dentists, no Network Dentist can render Covered Services, then you may seek Covered Services from a non-Network Dentist and Cigna Dental will reimburse you as follows: 1. for no-charge services as listed on the applicable Patient Charge Schedule, to the extent that the non-Network Dentist’s fees are reasonable and customary for dentists in the same geographical area; and 2. for other Covered Services, the difference between the applicable Patient Charge Schedule and the non-Network Dentist’s reasonable and customary fee. This reimbursement will be made after you submit appropriate reports and x-rays to Cigna Dental.

H. Services Not Covered Under Your Dental Plan

The following bullet is amended for Maryland residents:

- general anesthesia, sedation and nitrous oxide, unless specifically listed on your Patient Charge Schedule. When listed on your Patient Charge Schedule, general anesthesia and IV sedation are covered when medically necessary and provided in conjunction with Covered Services performed by an Oral Surgeon or Periodontist. Maryland residents: General anesthesia is covered when medically necessary and authorized by your physician. There is no coverage for general anesthesia or intravenous sedation when used for the purposes of anxiety control or patient management.

The following bullet:

- services considered to be unnecessary or experimental in nature or do not meet commonly accepted dental standards.

Is replaced by:

- Services considered to be unnecessary in nature or do not meet commonly accepted dental standards.

IX. Specialty Referrals

Your Network General Dentist may not refer you to a dental care entity in which your Network General Dentist and/or his or her immediate family owns a beneficial interest or has a compensation arrangement, unless the services are personally performed by your Network General Dentist or under his or her direct supervision. This provision does not prohibit a referral to another dentist in the same group practice as your Network General Dentist.

XI. What To Do If There Is A Problem

The following information replaces Section XI. of your Plan Booklet in its entirety.

For the purposes of this section, any reference to “you” or “your” also refers to a representative or provider designated by you to act on your behalf.

Most problems can be resolved between you and your dentist. However, we want you to be completely satisfied with the Dental Plan. That is why we have established a process for addressing your concerns and complaints. The complaint procedure is voluntary and will be used only upon your request.

A. Start With Customer Service

We are here to listen and to help. If you have a concern about your Dental Office or the Dental Plan, you can call 1-800-Cigna24 toll-free and explain your concern to one of our Customer Service Representatives. You can also express that concern in writing to the address listed for your state on the cover page of your plan booklet. We will do our best to resolve the matter during your initial contact. If we need more time to review or investigate your concern, we will get back to you as soon as possible usually by the end of the next business day, but in any case within 30 days.

The Maryland Insurance Administration is also available to assist you with any complaint you may have against the Dental Plan. If your complaint concerns a Coverage Decision or an Adverse Determination, please refer to the appropriate section below. For all other issues, you may register your complaint with the Maryland Insurance Administration, Life and Health Inquiry and Investigation
B. Complaints Involving Coverage Decisions

1. Definitions - the following additional definitions apply to this Section:
   
   a. **Appeal** - a protest regarding a coverage decision filed under Cigna Dental’s internal appeal process.
   
   b. **Appeal Decision** - a final determination by Cigna Dental on an appeal of coverage decision filed under Cigna Dental’s internal appeal process.
   
   c. **Coverage Decision** - an initial determination by Cigna Dental that results in noncoverage of a dental procedure; a determination that an individual is not eligible for coverage under the plan; or, a determination that results in the recission of an individual’s coverage under the plan. It also includes nonpayment of all or any part of a claim. A coverage decision does not include an Adverse Determination, as defined in subsection C. “Complaints Involving Adverse Determinations” of this rider.
   
   d. **Urgent Medical Condition** - a condition that satisfies either of the following:
      
      1. A medical condition, including a physical or dental condition, where the absence of medical attention within 72 hours could reasonably be expected by an individual, acting on behalf of a carrier, applying the judgment of a prudent layperson who possesses an average knowledge of health and medicine, to result in:
         
         (a) Placing your life or health in serious jeopardy;
         (b) The inability to regain maximum function;
         (c) Serious impairment to bodily function; or
         (d) Serious dysfunction of any bodily organ or part; or
      
      2. A medical condition, including a physical or dental condition, where the absence of medical attention within 72 hours, in the opinion of a health care provider with knowledge of your medical condition, would subject you to severe pain that cannot be adequately managed without the care or treatment that is the subject of the Coverage Decision.

2. **Appeals Procedure**

   If you are not satisfied with the results of a Coverage Decision, you may start the Appeals Procedure. Cigna Dental has a two-step Appeals Procedure for Coverage Decisions. To initiate an Appeal, you must submit a request in writing to Cigna Dental, at the address listed for your state on the cover page of your plan booklet, within 1 year from the date of the initial Cigna Dental decision. You should state the reason you feel your Appeal should be approved and include any information to support your Appeal. If you are unable or choose not to write, you may ask Customer Service to register your Appeal by calling 1-800-Cigna24.

   Following a coverage decision, the HAU is also available to assist in mediating and filing an appeal under the internal process. After an Appeal Decision, the Health Education and Advocacy Unit is available to assist the customer in filing a complaint with the Commissioner. You may contact the Health Education and Advocacy Unit at:

   Office of the Attorney General
   Consumer Protection Division
   200 St. Paul Place, 16th floor
   Baltimore MD 21202
   Email: heau@oag.state.md.us
   Phone: 410-576-1840 or 1.877.261.8807
   Fax: 410.576.6571
   TTY: 1.800.576.6372

   a. **Level One Appeals**

      Your Level One Appeal will be reviewed and the decision made by someone not involved in the initial review. If your appeals concerns a denied pre-authorization, Cigna Dental will render a final decision in writing, to you and any provider acting on your behalf, within 15 calendar days after we receive your Appeal. For Appeals concerning all other Coverage Decisions, Cigna Dental will render a final decision in writing, to you and any provider acting on your behalf, within 30 calendar days after we receive your Appeal. If we need more time or information to make the decision, we will notify you in writing to request an extension of up to 15 calendar days and to specify any additional information needed to complete the review.

      You may request that the Appeal resolution be expedited if the time frames under the above process would seriously jeopardize your life or health or would jeopardize your ability to regain the dental functionality that existed prior to the
onset of your current condition. A dental professional, in consultation with the treating dentist, will decide if an expedited review is necessary. When a review is expedited, Cigna Dental will respond orally with a decision within 72 hours, followed up in writing.

If you are not satisfied with our Level One Appeal decision, you may either: (1) proceed to a Level Two Appeal or (2) register a complaint with the Maryland Insurance Administration (See “Appeals to the State” below).

b. Level Two Appeals

To initiate a Level Two Appeal, follow the same process required for a Level One Appeal. Level Two Appeals will be conducted by an Appeals Committee consisting of at least 3 people. Anyone involved in the prior decision may not vote on the Appeals Committee. If specialty care is in dispute, the Appeals Committee will consult with a dentist in the same or similar specialty as the care under review.

Cigna Dental will acknowledge your Appeal in writing within 5 business days and schedule an Appeals Committee review. The acknowledgment letter will include the name, address, and telephone number of the Appeals Coordinator. We may request additional information at that time. If your Appeal concerns a denied preauthorization, the Appeals Committee review will be completed within 15 calendar days.

For Appeals concerning all other coverage issues, the Appeals Committee review will be completed within 30 calendar days. If we need more time or information to complete the review, we will notify you in writing to request an extension of up to 15 calendar days and to specify any additional information needed by the Appeals Committee to complete the review.

You may present your Appeal to the Appeals Committee in person or by conference call. You must advise Cigna Dental 5 days in advance if you or your representative plan to attend in person. Cigna Dental will notify you, and any provider acting on your behalf, of the Appeals Committee’s final decision, in writing, within 5 business days after the meeting. The decision will include the specific contractual or clinical reasons for the decision, as applicable.

You may request that the Appeal resolution be expedited if the timeframes under the above process would seriously jeopardize your life or health or would jeopardize your ability to regain the dental functionality that existed prior to the onset of your current condition. A dental professional, in consultation with the treating dentist, will decide if an expedited review is necessary. When a review is expedited, the Dental Plan will respond orally with a decision within 72 hours, followed up in writing.

If you are not satisfied with our Level Two Appeal decision, you may register a complaint with the Maryland Insurance Administration by following the instructions below.

3. Appeals to the State

Before seeking the assistance of the Maryland Insurance Administration regarding the Appeal of a Coverage Decision, you must first exhaust Cigna Dental’s Level One Appeals procedure. However, if your complaint involves an Urgent Medical Condition for which care has not yet been rendered, you may file a complaint with the Maryland Insurance Administration without first exhausting Cigna Dental’s Level One Appeals Procedure.

If you are not satisfied with Cigna Dental’s final resolution regarding your Coverage Decision, you may, within 60 working days of receipt of Cigna Dental’s Level One or Level Two Appeal decision, file a written complaint with the Maryland Insurance Administration. Your complaint should be addressed to the Life and Health Inquiry and Investigation Unit, 525 St. Paul Place, Baltimore, MD 21202, telephone (410) 468-2244, fax (410) 468-2260, TTY 1-800-735-2258.

C. Complaints Involving Adverse Determinations

The following applies to decisions made by Cigna Dental that a proposed or delivered Covered Service is or was not necessary, appropriate or efficient and which resulted in non-coverage of the service. For such Adverse Determinations, the complaint/appeal process is designated as a grievance process under Maryland law. Adverse determination means a utilization review determination that a proposed or delivered health care service covered under the customer’s contract is or was not medically necessary, appropriate, or efficient; and may result in non-coverage of the health care service.

1. In General

The Cigna Dental Appeals Coordinator is responsible for the internal grievance process and may be contacted at P.O. Box 188047, Chattanooga, TN 37422; Phone 1-800-Cigna24.
A grievance may be filed by you or your designated representative, which may include your Network Dentist.

“Filing Date,” as used below, refers to the earlier of 5 days after the date of mailing or the date of receipt.

2. **Grievances Involving Preauthorization Requests and Covered Services Already Provided**

   For grievances involving preauthorization requests, you or your Network Dentist may request a review in writing within 60 days of receipt of an Adverse Determination. Cigna Dental will render a final decision in writing within 30 working days after the date a grievance is filed unless:

   a. the grievance involves an emergency. An emergency is a service necessary to treat a condition or illness that, without immediate dental attention, would:
      
      (1) seriously jeopardize the life or health of the customer or the customer’s ability to regain maximum function, or
      
      (2) cause the customer to be a danger to self or others.

      If your grievance involves an emergency, Cigna Dental will respond orally with a decision within 24 hours after the grievance is filed.

   b. you or your designated representative agrees in writing to an extension for a period not to exceed 30 working days;

   c. the grievance involves Covered Services already provided.

   For grievances involving Covered Services already provided, you or your Network Dentist may request a review in writing within 180 days of receipt of an Adverse Determination. Cigna Dental shall render a final decision in writing within 45 working days after the date a grievance is filed; unless you or your designated representative agrees in writing to an extension for a period not to exceed 30 working days.

   If, within 5 days of the Filing Date, Cigna Dental does not have sufficient information to complete the grievance process, Cigna Dental will request additional information for review and will assist you or your Network Dentist in gathering information as required.

   Cigna Dental will notify you or your designated representative orally of its grievance decision, followed up in writing to you and your designated representative, within 5 working days, and within 1 day if your grievance involves an emergency, after the decision is made. The notice shall include:

   a. the specified factual basis for the decision;

   b. the specific criteria and standards, including interpretive guidelines on which the grievance decision was based;

   c. the name, business address and telephone number of the Cigna Dental Appeals Coordinator; and

   d. the instructions and time frame for filing a complaint with the Maryland Insurance Commissioner, including the Commissioner’s address, telephone number and facsimile number.

3. **Appeals to the State**

   The Maryland Health Education and Advocacy Unit is available to assist you in filing a grievance under Cigna Dental’s internal grievance process or in mediating a resolution to an Adverse Determination. However, it is not available to represent or accompany you during grievance proceedings. The Health Education and Advocacy Unit can be reached at: Consumer Protection Division, Office of the Attorney General, 200 St. Paul Place, 16th Floor, Baltimore, MD 21202; Phone (410) 528-1840 or 1-877-261-8807; TTY 1-800-576-6372; Fax (410) 576-6571; Email: beau@oag.state.md.us.

   If you have exhausted Cigna Dental’s internal grievance process and are not satisfied with Cigna Dental’s decision, you may also file a written complaint with the Maryland Insurance Commissioner, within four months of receipt of Cigna Dental’s grievance decision, at Maryland Insurance Administration, Chief of Complaints, 525 St. Paul Place, Baltimore, MD 21202; Phone 1-800-492-6116; Fax (410) 468-2270; TTY 1-800-735-2258.

   You may also file a complaint with the Insurance Commissioner if you do not receive a grievance decision on a timely basis as set out in Sections 2. and 3. above.

   You or your Network Dentist may file a complaint with the Maryland Insurance Commissioner without first exhausting Cigna Dental’s internal grievance process, if you can demonstrate to the Commissioner a compelling reason why you should not proceed under Cigna Dental’s internal grievance process. A “compelling reason” demonstrates that the potential delay in receipt of a health care service until after the customer or health care provider exhausts the internal grievance process and obtains a final decision under
the grievance process could result in loss of life, serious impairment to a bodily function, serious dysfunction of a bodily organ, or the customer remaining seriously mentally ill with symptoms that cause the customer to be a danger to self or others.

XIII. Disenrollment From the Dental Plan – Termination of Benefits

The following supersedes the provisions of Section XIII, Subsection A.4. of your plan booklet.

4. After 30 days notice from Cigna Dental due to fraud or misuse of dental services and/or Dental Offices, Cigna Dental may not terminate coverage for an entire family because a Dependent fraudulently uses the membership card; only the Dependent’s coverage may be terminated.

IV. Your Cigna Dental Plan

E. Your Payment Responsibility (General Care)

The following is in addition to the process described in Section IV. E. of your Plan Booklet:

If, on a temporary basis, there is no Network General Dentist in your Service Area, Cigna Dental will let you know and you may obtain Covered Services from a non-Network Dentist. You will pay the non-Network Dentist the applicable Patient Charge for Covered Services. Cigna Dental will pay the non-Network Dentist the difference, if any, between his or her Usual Fee and the applicable Patient Charge. There is no additional cost to you.

Cigna Dental is not a member of any Guaranty Fund. In the event of Cigna Dental’s insolvency, you will not be liable to the Network Dentist for any sums owed to the Network Dentist by Cigna Dental. However, you may be financially responsible for services rendered by a non-network dentist whether or not Cigna Dental authorizes payment for a referral.

If you are undergoing treatment and the Dental Plan becomes insolvent, Cigna Dental will arrange for the continuation of services until the expiration of your Group Contract.

XI. What To Do If There Is A Problem

The following is in addition to the process described in Section XI of your Plan Booklet:

A. Start With Member Services

You can reach Member Services by calling 1-800-Cigna24 or by writing to Cigna Dental Health of Ohio, Inc., P.O. Box 453099, Sunrise, Florida 33345-3099, Attention: Member Services. You may also submit a complaint in person at any Cigna Dental Office.

B. Appeals Procedure

1. Level One Appeals

Cigna Dental will provide a written response to your written complaint.

Within 30 days of receiving a response from Cigna Dental, you may appeal a complaint resolution regarding cancellation, termination or non-renewal of
The following supersedes Section XII of your Plan Booklet.

A. Coordination of Benefits

“Coordination of benefits” is the procedure used to pay health care expenses when a person is covered by more than one plan. Cigna Dental follows rules established by Ohio law to decide which plan pays first and how much the other plan must pay. The objective is to make sure the combined payments of all plans are no more than your actual bills. Coordination of benefits applies only to Specialty Care.

When you or your family members are covered by another group plan in addition to this one, we will follow Ohio coordination of benefit rules to determine which plan is primary and which is secondary. You must submit all bills first to the primary plan. The primary plan must pay its full benefits as if you had no other coverage. If the primary plan denies the claim or does not pay the full bill, you may then submit the balance to the secondary plan.

Cigna Dental pays for dental care when you follow our rules and procedures. If our rules conflict with those of another plan, it may be impossible to receive benefits from both plans, and you will be forced to choose which plan to use.

Cigna Dental will not reduce or exclude benefits payable to you or on your behalf because such benefits have also been paid under a supplemental, specified disease or limited plan of coverage for sickness and accident insurance which is entirely paid for by you, your family or guardian.

B. Plans That Do Not Coordinate

Cigna Dental will pay benefits without regard to benefits paid by the following kinds of coverage:

- Medicaid
- Group hospital indemnity plans which pay less than $100 per day
- School accident coverage
- Some supplemental sickness and accident policies

C. How Cigna Dental Pays As Primary Plan

When we are primary, we will pay the full benefit allowed by your contract as if you had no other coverage.

D. How Cigna Dental Pays as Secondary Plan

1. When we are secondary, our payments will be based on the balance left after the primary plan has paid. We will pay no more than that balance. In no event will we pay more than we would have paid had we been primary.
2. We will pay only for health care expenses that are covered by Cigna Dental.
3. We will pay only if you have followed all of our procedural requirements, including: care is obtained from or arranged by your primary care dentist; preauthorized referrals are made to network specialists; coverage is in effect when procedures begin; procedures begin within 90 days of referral.
4. We will pay no more than the “allowable expenses” for the health care involved. If our allowable expense is lower than the primary plan’s, we will use the primary plan’s allowable expense. That may be less than the actual bill.

E. Which Plan is Primary?

To decide which plan is primary, we have to consider both the coordination provisions of the other plan and which member of your family is involved in a claim. The Primary Plan will be determined by the first of the following that applies:

1. Non-coordinating Plan
   If you have another group plan that does not coordinate benefits, it will always be primary.
2. Employee
   The plan that covers you as an employee (neither laid off nor retired) is always primary.
3. Children (Parents Divorced or Separated)
   If the court decree makes one parent responsible for health care expenses, that parent’s plan is primary. If the court decree gives joint custody and does not mention health care, we follow the birthday rule. If neither of those rules applies, the order will be determined in accordance with the Ohio Insurance Department rule on Coordination of Benefits.
4. Children & the Birthday Rule
   When your children’s health care expenses are involved, we follow the “birthday rule.” The plan of the parent with the first birthday in a calendar year is

always primary for the children. If your birthday is in January and your spouse’s birthday is in March, your plan will be primary for all of your children.

However, if your spouse’s plan has some other coordination rule (for example, a “gender rule” which says the father’s plan is always primary), we will follow the rules of that plan.

5. Other Situations

For all other situations not described above, the order of benefits will be determined in accordance with the Ohio Insurance Department rule on Coordination of Benefits.

F. Coordination Disputes

If you believe that we have not paid a claim properly, you should first attempt to resolve the problem by contacting us. If you are still not satisfied, you may call the Ohio Department of Insurance for instructions on filing a consumer complaint. Call (614) 644-2673 or 1-800-686-1526.

G. Subrogation

If another source directly reimburses you more than your Patient Charge for Covered Services, you may be required to reimburse Cigna Dental. Where allowed by law, this section will apply to you or your Dependents who:

1. receive benefit payments under this Dental Plan as the result of a sickness or injury; and

2. have a lawful claim against another party or parties for compensation, damages, or other payment because of that same sickness or injury.

In those instances where this section applies, the rights of the Member or Dependent to claim or receive compensation, damages, or other payment from the other party or parties will be transferred to Cigna Dental, but only to the extent of benefit payments made under this Dental Plan.

XIII. disenrollment from the dental plan/termination of benefits

A. Causes For disenrollment/termination

3. Under Ohio law, you will not be terminated from the dental plan due to a permanent breakdown of the dentist-patient relationship. However, your Network Dentist has the right to decline services to a patient because of rude or abusive behavior.

You or your Dependent may appeal any termination action by Cigna Dental by submitting a written complaint as set out in Section XI.

XVI. Conversion Coverage

You should state the reason you feel your appeal should be approved and include any information to support your appeal. If you are unable or choose not to write, you may ask Customer Service to register your appeal by calling 1-800-Cigna24.

Complaints regarding adverse decisions are referred to as reconsiderations under Virginia law. Network dentists may request reconsiderations on your behalf, with your permission. Resolutions to requests for reconsideration of adverse decisions will be communicated to you within 10 business days of Cigna Dental receiving the request.

1. Level One Appeals

If your appeal concerns a denied pre-authorization, we will respond with a decision within 5 business days. For appeals concerning all other coverage issues, we will respond with a decision within 30 calendar days after we receive your appeal. If we need more time or information to make the decision, we will notify you in writing to request an extension of up to 15 calendar days and to specify any additional information needed to complete the review.

You may request that the appeal resolution be expedited if the time frames under the above process would seriously jeopardize your life or health or would jeopardize your ability to regain the dental functionality that existed prior to the onset of your current condition. A dental professional, in consultation with the treating dentist, will decide if an expedited review is necessary. When a review is expedited, Cigna Dental will respond orally with a decision within 72 hours, followed up in writing.

If you are not satisfied with our level one appeal decision, you may request a level two appeal.

2. Level Two Appeals
To initiate a level two appeal, follow the same process required for a level one appeal. Level two appeals will be conducted by an Appeals Committee consisting of at least 3 people. Anyone involved in the prior decision may not vote on the Appeals Committee. For appeals involving dental necessity or clinical appropriateness, the Appeals Committee will include at least one dentist. If specialty care is in dispute, the Appeals Committee will consult with a dentist in the same or similar specialty as the care under review.

Cigna Dental will acknowledge your appeal in writing within 5 business days and schedule an Appeals Committee review. The acknowledgment letter will include the name, address, and telephone number of the Appeals Coordinator. We may request additional information at that time. If your appeal concerns a denied pre-authorization, the Appeals Committee review will be completed within 15 calendar days. For appeals concerning all other coverage issues, the Appeals Committee review will be completed within 30 calendar days. If we need more time or information to complete the review, we will notify you in writing to request an extension of up to 15 calendar days and to specify any additional information needed by the Appeals Committee to complete the review.

You may present your appeal to the Appeals Committee in person or by conference call. You must advise Cigna Dental 5 days in advance if you or your representative plan to attend in person. You will be notified in writing of the Appeals Committee’s decision within 5 business days after the meeting.
The decision will include the specific contractual or clinical reasons for the decision, as applicable.
You may request that the appeal resolution be expedited if the time frames under the above process would seriously jeopardize your life or health or would jeopardize your ability to regain the dental functionality that existed prior to the onset of your current condition. A dental professional, in consultation with the treating dentist, will decide if an expedited review is necessary. When a review is expedited, the Dental Plan will respond orally with a decision within 72 hours, followed up in writing.

Coordination of Services and Benefits

Applicability: This Coordination of Benefits (COB) provision applies when a Covered Person has health care coverage under more than one Plan. ("Plan" is defined below.)

If a Covered Person is covered by this Contract and another Plan, the Order of Benefit Determination Rules described below determine whether this Contract or the other Plan is Primary. The benefits of this Contract:

1. shall not be reduced when, under the Order of Benefit Determination Rules, this Contract is Primary; but
2. may be reduced for the Reasonable Cash Value of any service provided under this Contract that may be recovered from another Plan when, under the Order of Benefit Determination Rules, the other Plan is Primary. (The above reduction is described in the subsection below entitled "Effect on the Benefits of this Plan.")
Definitions: “Plan” means this Contract or any of the following which provides benefits or services for, or because of, dental care or treatment:

1. Group insurance or group-type coverage, whether insured or uninsured. This includes prepayment or group practice coverage.

2. Coverage under a governmental plan or coverage required or provided by law. This does not include a state plan under Medicaid (Title XIX of the United States Social Security Act, as amended from time to time). It also does not include any plan when, by law, its benefits are excess to those of any private insurance program or other non-governmental program.

3. Dental benefits coverage of all group and group-type contracts.

"Plan" does not include coverage under individual policies or contracts. Each contract or other arrangement for coverage under subparagraphs 1, 2, or 3 above is a separate Plan. Also, if an arrangement has two parts and COB rules apply only to one of the two, each of the parts is a separate Plan.

"Primary" means that a Plan's benefits are to be provided or paid without considering any other Plan's benefits. (The Order of Benefit Determination Rules below determine whether a Plan is Primary or Secondary to another Plan.)

"Secondary" means that a Plan's benefits may be reduced and it may recover the Reasonable Cash Value of the services it provided from the Primary Plan. (The Order of Benefit Determination Rules below determine whether a Plan is Primary or Secondary to another Plan.)

"Allowable Expense" means a necessary, reasonable, and customary item of expense for dental care, when the item of expense is covered at least in part by one or more Plans covering the person for whom the claim is made.

1. When a Plan provides benefits in the form of services, then the Reasonable Cash Value of each service rendered is an Allowable Expense and a benefit paid.

2. When benefits are reduced under a Primary Plan because a Covered Person does not comply with the Plan provisions, the amount of such reduction will not be considered an Allowable Expense.

"Claim Determination Period" means a calendar year. However, it does not include any part of a year during which a Covered Person has no coverage under this Plan, or any part of a year before the date this COB provision or a similar provision takes effect.

"Reasonable Cash Value" means an amount which a duly licensed provider of dental care services usually charges patients and which is within the range of fees usually charged for the same service by other dental care providers located within the immediate geographic area where the dental care service is rendered under similar or comparable circumstances.

Order of Benefit Determination Rules: When a Covered Person receives services through this Plan or is otherwise entitled to claim benefits under this Plan, and the services or benefits are a basis for a claim under another Plan, this Plan shall be Secondary and the other Plan shall be Primary, unless:

1. the other Plan has rules coordinating its benefits with those of this Plan; and

2. both the other Plan's rules and this Plan's rules, as stated below, require that this Plan's benefits be determined before those of the other Plan.

This Plan determines its Order of Benefits using the first of the following rules that applies:

1. The Plan under which the Covered Person is an employee shall be Primary.

2. If the Covered Person is not an employee under a Plan, then the Plan which covers the Covered Person's parent (as an employee) whose birthday occurs earlier in a calendar year shall be Primary.

NOTE: The word "birthday" as used in this subparagraph refers only to month and day in a calendar year, not to the year in which the person was born. To aid in the interpretation of this paragraph, the following example is given: If a Covered Person's mother has a birthday on January 1 and the Covered Person's father has a birthday on January 2, the Plan which covers the Covered Person's mother would be Primary.

3. If two or more Plans cover a Covered Person as a dependent child of divorced or separated parents, benefits for the Covered Person shall be determined in the following order:

a. First, the Plan of the parent with custody of the child;

b. Then, the Plan of the spouse of the parent with custody of the child; and

c. Finally, the Plan of the parent not having custody of the child.

4. Notwithstanding subparagraph 3 above, if the specific terms of a court decree state that one of the parents is responsible for the health care expenses of the child, and the entity obligated to pay or provide the benefits of the Plan of that parent has actual knowledge of those terms, the benefits of that Plan shall be Primary. This subparagraph 4 does not apply with respect to any Claim Determination Period or Plan year in which benefits are paid or provided before the entity has that actual knowledge.

5. The benefits of a Plan which covers a Covered Person as an employee (or as that employee's dependent) shall be determined before those of a Plan which covers that...
Covered Person as a laid off or retired employee (or as that employee's dependent). If the other Plan does not have this provision and if, as a result, the Plans do not agree on the order of benefit determination, this paragraph shall not apply.

6. If a Covered Person whose coverage is provided under a right of continuation pursuant to federal or state law is also covered under another Plan, the benefits of the Plan covering the Covered Person as an employee (or as that employee's dependent) shall be determined before those of a Plan under continuation coverage. If the other Plan does not have this provision and if, as a result, the Plans do not agree on the order of benefit determination, this paragraph shall not apply.

7. If one of the Plans which covers a Covered Person is issued out of the state whose laws govern this Contract and determines the order of benefits based upon the gender of a parent, and as result, the Plans do not agree on the order of benefit determination, the Plan with the gender rules shall determine the order of benefits.

8. If none of the above rules determines the order of benefits, the Plan which has covered the Covered Person for the longer period of time shall be Primary.

Effect on the Benefits of this Plan: This subsection applies when, in accordance with the Order of Benefit Determination Rules, this Plan is Secondary to one or more other Plans. In that event, the benefits of this Plan may be reduced under this subsection. Such other Plan or Plans are referred to as 'the other Plans' in the subparagraphs below.

This Plan may reduce benefits payable or may recover the Reasonable Cash Value of services provided when the sum of:

1. The benefits that would be payable for the Allowable Expenses under this Plan, in the absence of this COB provision; and

2. The benefits that would be payable for the Allowable Expenses under the other Plans, in the absence of provisions with a purpose like that of this COB provision, whether or not claim is made, exceeds those Allowable Expenses in a Claim Determination Period. In that case, the benefits of this Plan will be reduced, or the Reasonable Cash Value of any services provided by this Plan may be recovered from the other Plan, so that they and the benefits payable under the other Plans do not total more than those Allowable Expenses.

When the benefits of this Plan are reduced as described above, each benefit is reduced in proportion. It is then charged against any applicable benefit limit of this Plan.

Recovery of Excess Benefits: In the event a service or benefit is provided by Cigna Dental Health which is not required by this Contract, or if it has provided a service or benefit which should have been paid by the Primary Plan, that service or benefit shall be considered an excess benefit. Cigna Dental Health shall have the right to recover to the extent of the excess benefit. If the excess benefit is a service, recovery shall be based upon the Reasonable Cash Value for that service. If the excess benefit is a payment, recovery shall be based upon the actual payment made. Recovery may be sought from among one or more of the following, as Cigna Dental Health shall determine: any person to, or for, or with respect to whom, such services were provided or such payments were made; any insurance company; health care plan or other organization. This right of recovery shall be Cigna Dental Health's alone and at its sole discretion. If determined necessary by Cigna Dental Health, the Covered Person (or his or her legal representative if a minor or legally incompetent), upon request, shall execute and deliver to Cigna Dental Health such instruments and papers required and do whatever else is necessary to secure Cigna Dental Health's rights hereunder.

Medicare Benefits: Except as otherwise provided by applicable federal law, the services and benefits under this Plan for Covered Persons aged sixty-five (65) and older, or for Covered Persons otherwise eligible for Medicare payments, shall not duplicate any services or benefits to which such Covered Persons are eligible under Parts A or B of the Medicare Act. Where Medicare is the responsible payor, all amounts payable pursuant to the Medicare program for services and benefits provided hereunder to Covered Persons are payable to and shall be retained by Cigna Dental Health. Covered Persons enrolled in Medicare shall cooperate with and assist Cigna Dental Health in its efforts to obtain reimbursement from Medicare.

Right to Receive and Release Information: Cigna Dental Health may, without consent of or notice to any Covered Person, and to the extent permitted by law, release to or obtain from any person or organization or governmental entity any information with respect to the administering of this Section. A Covered Person shall provide to Cigna Dental Health any information it requests to implement this provision.

D. not exceed the scope, duration, or intensity of that level of care needed to provide safe and appropriate treatment.

   2. chiefly dependent upon you (the subscriber) for support and maintenance.

For a dependent child 26 years of age or older who is a full-time student at an educational institution, coverage will be provided for an entire academic term during which the child begins as a full-time student and remains enrolled, regardless of whether the number of hours of instruction for which the child is enrolled is reduced to a level that changes the child’s academic status to less than that of a full-time student.

For a child who falls into category C. above, you will need to furnish Cigna Dental proof of the child’s condition and his or her reliance upon you, within sixty (60) days from the date you are notified by Cigna Dental to provide this information.

Coverage for dependents living outside a Cigna Dental service area is subject to the availability of an approved network where the dependent resides; provided however, Cigna Dental will not deny enrollment to your dependent who resides outside the Cigna Dental service area if you are required to provide coverage for dental services to your dependent pursuant to a court order or administrative order.

This definition of “Dependent” applies unless modified by your Group Contract.

**II. Introduction to Your Cigna Dental Plan**

Welcome to the Cigna Dental Plan. We encourage you to use your dental benefits. Please note that enrollment in the Dental Plan allows the release of patient records to Cigna Dental or its designee for dental plan operation purposes.

---

**III. Eligibility/When Coverage Begins**

**A. In General**

To enroll in the Dental Plan, you and your Dependents must live or work in the Service Area and be able to seek treatment for Covered Services within the Cigna Dental Service Area. Other eligibility requirements are determined by your Group.

If you enrolled in the Dental Plan before the effective date of your Group Contract, you will be covered on the first day the Group Contract is effective. If you enrolled in the Dental Plan after the effective date of the Group Contract, you will be covered on the first day of the month following processing of your enrollment (unless effective dates other than the first day of the month are provided for in your Group Contract).

Dependents may be enrolled in the Dental Plan at the time you enroll, during an open enrollment, or within 31 days of becoming eligible due to a life status change such as marriage, birth, adoption, placement, or court or administrative order. You may drop coverage for your Dependents only during the open enrollment periods for your Group, unless there is a change in status such as divorce.

If you have family coverage, a newborn child is automatically covered during the first 31 days of life. If you wish to continue coverage beyond the first 31 days, your baby must be enrolled in the Dental Plan and you must begin paying Prepayment Fees, if any additional are due, during that period.

Under the Family and Medical Leave Act of 1993, you may be eligible to continue coverage during certain leaves of absence from work. During such leaves, you will be responsible for paying your Group the portion of the Prepayment Fees, if any, which you would have paid if you had not taken the leave. Additional information is available through your Benefits Representative.

**B. New Enrollee Transition of Care**

If you or your enrolled Dependents are new enrollees currently receiving services for any of the conditions described hereafter from a non-Network Dentist, you may request Cigna Dental to authorize completion of the services by the non-Network Dentist. Cigna Dental does not cover services provided by non-Network Dentists except for the conditions described hereafter that have been authorized by Cigna Dental prior to treatment. Rare instances where prolonged treatment by a non-Network Dentist might be indicated will be evaluated on a case-by-case basis by the Dental Director in accordance with professionally recognized standards of dental practice.

Authorization to complete services started by a non-Network Dentist before you or your enrolled Dependents became eligible for Cigna Dental shall be considered only for the following conditions:

1. an acute condition. An acute condition is a dental condition that involves a sudden onset of symptoms due to an illness, injury, or other dental problem that requires prompt dental attention and that has a limited duration. Completion of the covered services shall be provided for the duration of the acute condition.
(2) newborn children between birth and age 36 months. Cigna Dental shall provide for the completion of covered services for newborn children between birth and age 36 months for 12 months from the effective date of coverage for a newly covered enrollee.

(3) performance of a surgery or other procedure that is authorized by Cigna Dental and has been recommended and documented by the non-Network Dentist to occur within 180 days of the effective date of your Cigna Dental coverage.

C. Renewal Provisions

Your coverage under the Dental Plan will automatically be renewed, except as provided in the section entitled “Disenrollment From The Dental Plan – Termination of Benefits.” All renewals will be in accordance with the terms and conditions of your Group Contract. Cigna Dental reserves any and all rights to change the Prepayment Fees or applicable Copayments during the term of the Group Contract if Cigna Dental determines the Group’s information relied upon by Cigna Dental in setting the Prepayment Fees materially changes or is determined by Cigna Dental to be inaccurate.

IV. Your Cigna Dental Coverage

Cigna Dental maintains its principal place of business at 400 North Brand Boulevard, Suite 400, Glendale, CA 91203, with a telephone number of 1-800-Cigna24.

This section provides information that will help you to better understand your Dental Plan. Included is information about how to access your dental benefits and your payment responsibilities.

A. Customer Service

If you have any questions or concerns about the Dental Plan, Customer Service Representatives are just a toll-free phone call away. They can explain your benefits or help with matters regarding your Dental Office or Dental Plan. For assistance with transfers, specialty referrals, eligibility, emergencies, Covered Services, plan benefits, ID cards, location of Dental Offices, conversion coverage or other matters, call Customer Service from any location at 1-800-Cigna24. If you have a question about your treatment plan, we can arrange a second opinion or consultation. The hearing impaired may contact the state TTY toll-free relay service number listed in their local telephone directory.

B. Prepayment Fees

Your Group sends a monthly Prepayment Fee (premium) to Cigna Dental for customers participating in the Dental Plan. The amount and term of this prepayment fee is set forth in your Group Contract. You may contact your Benefits Representative for information regarding any part of this Prepayment Fee to be withheld from your salary or to be paid by you to the Group.

C. Other Charges - Copayments

Network General Dentists are typically reimbursed by Cigna Dental through fixed monthly payments and supplemental payments for certain procedures. Network Specialty Dentists are compensated based on a contracted fee arrangement for services rendered. No bonuses or financial incentives are used as inducements to limit services. Network Dentists are also compensated by the Copayments that you pay, as set out in your Patient Charge Schedule. You may request general information about these matters from Customer Service or from your Network Dentist.

Your Patient Charge Schedule lists the dental procedures covered under your Dental Plan, subject to plan exclusions and limitations. Some dental procedures are covered at no charge to you. For other Covered Services, the Patient Charge Schedule lists the Copayments you must pay when you visit your Dental Office. There are no deductibles and no annual dollar limits for services covered by your Dental Plan.

Your Network General Dentist is instructed to tell you about Copayments for Covered Services, the amount you must pay for optional or non-Covered Services and the Dental Office’s payment policies. Timely payment is important. It is possible that the Dental Office may add late charges to overdue balances. IMPORTANT: If you opt to receive dental services that are not covered services under this plan, a participating dentist may charge you his or her usual and customary rate for those services. Prior to providing a patient with dental services that are not a covered benefit, the dentist should provide to the patient a treatment plan that includes each anticipated service to be covered benefit, the dentist should provide to the patient a

Your Patient Charge Schedule is subject to change in accordance with your Group Contract. Cigna Dental will give written notice to your Group of any change in Copayments at least 30 days prior to such change. You will be responsible for the Copayments listed on the Patient Charge Schedule that is in effect on the date a procedure is started.
D. Facilities - Choice of Dentist

1. In General
   You and your Dependents should have selected a Dental Office when you enrolled in the Dental Plan. If you did not, you must advise Cigna Dental of your Dental Office selection prior to receiving treatment. The benefits of the Dental Plan are available only at your Dental Office, except in the case of an emergency or when Cigna Dental otherwise authorizes payment for out-of-network benefits.

   You may select a network Pediatric Dentist as the Network General Dentist for your dependent child under age 7 by calling Customer Service at 1-800-Cigna24 to get a list of network Pediatric Dentists in your Service Area or if your Network General Dentist sends your child under the age of 7 to a network Pediatric Dentist, the network Pediatric Dentist’s office will have primary responsibility for your child’s care. For children 7 years and older, your Network General Dentist will provide care. If your child continues to visit the Pediatric Dentist upon the age of 7, you will be fully responsible for the Pediatric Dentist’s Usual Fees. Exceptions for medical reasons may be considered on a case-by-case basis.

   If for any reason your selected Dental Office cannot provide your dental care, or if your Network General Dentist terminates from the network, Cigna Dental will let you know and will arrange a transfer to another Dental Office. Refer to the section titled “Office Transfers” if you wish to change your Dental Office.

   To obtain a list of Dental Offices near you, visit our website at myCigna.com, or call the Dental Office Locator at 1-800-Cigna24. It is available 24 hours a day, 7 days per week. If you would like to have the list faxed to you, enter your fax number, including your area code. You may always obtain a current Dental Office Directory by calling Customer Service.

2. Appointments
   To make an appointment with your Network Dentist, call the Dental Office that you have selected. When you call, your Dental Office will ask for your identification number and will check your eligibility.

3. Office Transfers
   If you decide to change Dental Offices, we encourage you to complete any dental procedure in progress first. To arrange a transfer, call Customer Service at 1-800-Cigna24. To obtain a list of Dental Offices near you, visit our website at myCigna.com, or call the Dental Office Locator at 1-800-Cigna24.

   Your transfer request will take about 5 days to process. Transfers will be effective the first day of the month after the processing of your request. Unless you have an emergency, you will be unable to schedule an appointment at the new Dental Office until your transfer becomes effective.

   There is no charge to you for the transfer; however, all Copayments which you owe to your current Dental Office must be paid before the transfer can be processed. Copayments for procedures not completed at the time of transfer may be required to be prorated between your current Dental Office and the new Dental Office, but will not exceed the amount listed on your Patient Charge Schedule.

E. Your Payment Responsibility (General Care)

   For Covered Services at your Dental Office, you will be charged the Copayments listed on your Patient Charge Schedule, subject to applicable exclusions and limitations. For services listed on your Patient Charge Schedule provided at any other dental office, you may be charged Usual Fees. For non-Covered Services, you are responsible for paying Usual Fees.

   If, on a temporary basis, there is no Network General Dentist available in the Service Area to treat you, Cigna Dental will let you know and you may obtain Covered Services from a non-Network Dentist. You will pay the non-Network Dentist the applicable Copayment for Covered Services. Cigna Dental will pay the non-Network Dentist the difference between his or her Usual Fee and the applicable Copayment. If you seek treatment for Covered Services from a non-Network Dentist without authorization from Cigna Dental, you will be responsible for paying the non-Network Dentist his or her Usual Fee.

   See Section IV.G, Specialty Referrals, regarding payment responsibility for specialty care.

   All contracts between Cigna Dental and Network Dentists state that you will not be liable to the Network Dentist for any sums owed to the Network Dentist by Cigna Dental.

F. Specialty Care

   Your Network General Dentist at your Dental Office has primary responsibility for your professional dental care. Because you may need specialty care, the Cigna Dental Network includes the following types of specialty dentists:

   - Pediatric Dentists - children’s dentistry.
   - Periodontists - treatment of gums and bone.
   - Oral Surgeons - complex extractions and other surgical procedures.

myCigna.com
• Orthodontists - tooth movement.

When specialty care is needed, your Network General Dentist must start the referral process. X-rays taken by your Network General Dentist should be sent to the Network Specialty Dentist. Payment authorization is not required for coverage of services by a Network Specialty Dentist.

See Section IV.D Facilities-Choice of Dentist, regarding treatment by a Pediatric Dentist.

G. Specialty Referrals

1. In General

Upon referral from a Network General Dentist, your Network Specialty Dentist will submit a specialty care treatment plan to Cigna Dental for payment authorization prior to rendering the service. Prior authorization from Cigna Dental is not required for specialty referrals for Pediatrics, Orthodontics and Endodontic services. You should verify with the Network Specialty Dentist that your treatment plan has been authorized for payment by Cigna Dental before treatment begins.

If your Patient Charge Schedule reflects coverage for Orthodontic services, a referral from a Network General Dentist is not required to receive care from a Network Orthodontist. However, your Network General Dentist may be helpful in assisting you to choose or locate a Network Orthodontist.

When Cigna Dental authorizes payment to the Network Specialty Dentist, the fees or no-charge services listed on the Patient Charge Schedule in effect on the date each procedure is started will apply, except as set out in Section V.A.7, Orthodontics.

Treatment by the Network Specialty Dentist must begin within 90 days from the date of Cigna Dental’s authorization. If you are unable to obtain treatment within the 90-day period, please call Customer Service to request an extension. Your coverage must be in effect when each procedure begins.

If Cigna Dental makes an Adverse Determination of the requested referral (i.e. Cigna Dental does not authorize payment to the Network Specialty Dentist for Covered Services), or if the dental services sought are not Covered Services, you will be responsible to pay the Network Specialty Dentist’s Usual Fee for the services rendered. If you have a question or concern regarding an authorization or a denial, contact Customer Service.

Specialty referrals will be authorized by Cigna Dental if the services sought are: Covered Services; rendered to an eligible customer; within the scope of the Specialty Dentists skills and expertise; and meet Clinical Necessity requirements. Cigna Dental may request medical information regarding your condition and the information surrounding the dentist’s determination of the Clinical Necessity for the request. Cigna Dental shall respond in a timely fashion appropriate for the nature of your condition, not to exceed five business days from Cigna Dental’s receipt of the information reasonably necessary and requested by Cigna Dental to make the determination. When you face imminent and serious threat to your health, including, but not limited to, the potential loss of life, limb, or other major bodily function, or the normal timeframe for the decision making process would be detrimental to your life or health or could jeopardize your ability to regain maximum function, the decision to approve, modify, or deny requests shall be made in a timely fashion appropriate for the nature of your condition, not to exceed 72 hours after receipt of the request.

Decisions to approve, modify, or deny requests for authorization prior to the provision of dental services shall be communicated to the requesting dentist within 24 hours of the decision. Decisions resulting in denial, delay, or modification of all or part of the requested dental service shall be communicated to the customer in writing within 2 business days of the decision. Adverse Determinations may be appealed as described in the Section entitled “What To Do If There Is A Problem/Grievances.”

After the Network Specialty Dentist has completed treatment, you should return to your Network General Dentist for cleanings, regular checkups and other treatment. If you visit a Network Specialty Dentist without a referral or if you continue to see a Network Specialty Dentist after you have completed specialty care, it will be your responsibility to pay for treatment at the dentist’s Usual Fees.

When your Network General Dentist determines that you need specialty care and a Network Specialty Dentist is not available, as determined by Cigna Dental, Cigna Dental will authorize a referral to a non-Network Specialty Dentist. The referral procedures applicable to specialty care will apply. In such cases, you will be responsible for the applicable Copayment for Covered Services. Cigna Dental will reimburse the non-Network Dentist the difference between his or her Usual Fee and the applicable Copayment. For non-Covered Services or services not authorized for payment, including Adverse Determinations, you must pay the dentist’s Usual Fee. Or, if you seek treatment for Covered Services
from a non-Network Dentist without authorization from Cigna Dental, you will be responsible for paying the dentist’s Usual Fee.

You may request from Customer Service a copy of the process that Cigna Dental uses to authorize, modify, or deny requests for specialty referrals and services.

2. Second Opinions
If you have questions or concerns about your treatment plan, second opinions are available to you upon request by calling Customer Service. Second opinions will generally be scheduled within 5 days. In the case of an imminent and serious health threat, as determined by Cigna Dental clinicians, second opinions will be rendered within 72 hours. Cigna Dental’s policy statement on second opinions may be requested from Customer Service.

V. Covered Dental Services

A. Categories of Covered Services
Dental procedures in the following categories of Covered Services are covered under your Dental Plan when listed on your Patient Charge Schedule and performed by your Network Dentist. Please refer to your Patient Charge Schedule for the procedures covered under each category and the associated Copayment.

1. Diagnostic/Preventive
Diagnostic treatment consists of the evaluation of a patient’s dental needs based upon observation, examination, x-rays and other tests. Preventive dentistry involves the education and treatment devoted to and concerned with preventing the development of dental disease. Preventive Services includes dental cleanings, oral hygiene instructions to promote good home care and prevent dental disease, and fluoride application for children to strengthen teeth.

a. Limitation
The frequency of certain Covered Services, like cleanings, is limited. Your Patient Charge Schedule lists any limitations on frequency. If your Network Dentist certifies to Cigna Dental that, due to medical necessity you require certain Covered Services more frequently than the limitation allows, Cigna Dental will waive the limitation.

2. Restorative (Fillings)
Restorative dentistry involves materials or devices used to replace lost tooth structure or to replace a lost tooth or teeth.

3. Crown and Bridge
An artificial crown is a restoration covering or replacing the major part, or the whole of the clinical crown of a tooth. A fixed bridge is a prosthetic replacement of one or more missing teeth cemented to the abutment teeth adjacent to the space. The artificial tooth used in a bridge to replace the missing tooth is called a pontic.

a. Complex Rehabilitation/Multiple Crown Units
Complex rehabilitation is extensive dental restoration involving 6 or more “units” of crown, bridge, and/or implant supported prosthesis (including crowns and bridges) in the same treatment plan. Using full crowns (caps), fixed bridges, and/or implant supported prosthesis (including crowns and bridges) which are cemented in place, your Network General Dentist will rebuild natural teeth, fill in spaces where teeth are missing and establish conditions which allow each tooth to function in harmony with the occlusion (bite). The extensive procedures involved in complex rehabilitation require an extraordinary amount of time, effort, skill and laboratory collaboration for a successful outcome.

Complex rehabilitation will be covered when performed by your Network General Dentist after consultation with you about diagnosis, treatment plan and charges. Each tooth or tooth replacement included in the treatment plan is referred to as a “unit” on your Patient Charge Schedule. The crown, bridge and/or implant supported prosthesis (including crowns and bridges) charges on your Patient Charge Schedule are for each unit of crown or bridge. You pay the per unit copayment for each unit of crown, bridge and/or implant supported prosthesis (including crowns and bridges) PLUS an additional charge for complex rehabilitation for each unit beginning with the 6th unit when 6 or more units are prescribed in your Network General Dentist’s treatment plan. The additional charge for complex rehabilitation will not be applied to the first 5 units of crown or bridge.

Note: Complex rehabilitation only applies for implant supported prosthesis, when implant
supported prosthesis are specifically listed on your Patient Charge Schedule.

b. Limitations

(1) all charges for crown and bridge are per unit (each replacement or supporting tooth equals one unit).

(2) limit 1 every 5 years unless Cigna Dental determines that replacement is necessary because the existing crown or bridge is unsatisfactory as a result of poor quality of care, or because the tooth involved has experienced extensive loss or changes in tooth structure or supporting tissues since the placement of the crown or bridge.

c. Exclusion

(1) there is no coverage for crowns, bridges used solely for splinting. This exclusion will not apply if a crown or bridge is determined by Cigna Dental to be the treatment most consistent with professionally accepted standards of care.

(2) there is no coverage for implant supported prosthesis used solely for splinting unless specifically listed on your Patient Charge Schedule.

(3) there is no coverage for resin bonded retainers and associated pontics.

(4) there is no coverage for the recementation of any inlay, onlay, crown, post and core, fixed bridge within 180 days of initial placement. Cigna Dental considers recementation within this timeframe to be incidental to and part of the charges for the initial restoration.

(5) the recementation of any implant supported prosthesis (including crowns, bridges and dentures) within 180 days of initial placement. Cigna Dental considers recementation within this timeframe to be incidental to and part of the charges for the initial restoration unless specifically listed on your Patient Charge Schedule.

4. Endodontics

Endodontics is root canal treatment, which may be required when the nerve of a tooth is damaged due to trauma, infection, or inflammation. Treatment consists of removing the damaged nerve from the root of the tooth and filling the root canal with a rubber-like material. Following endodontic treatment, a crown is usually needed to strengthen the weakened tooth.

Exclusions

1. Coverage is not provided for Endodontic treatment of teeth exhibiting a poor or hopeless periodontal prognosis.

2. Coverage is not provided for intentional root canal treatment in the absence of injury or disease to solely facilitate a restorative procedure.

5. Periodontics

Periodontics is treatment of the gums and bone which support the teeth. Periodontal disease is chronic. It progresses gradually, sometimes without pain or other symptoms, destroying the support of the gums and bone. The disease is a combination of deterioration plus infection.

a. Preliminary Consultation

This consultation by your Network General Dentist is the first step in the care process. During the visit, you and your Network General Dentist will discuss the health of your gums and bone.

b. Evaluation, Diagnosis and Treatment Plan

If periodontal disease is found, your Network General Dentist or Network Specialty Dentist will develop a treatment plan. The treatment plan consists of mapping the extent of the disease around the teeth, charting the depth of tissue and bone damage and listing the procedures necessary to correct the disease.

Depending on the extent of your condition, your Network General Dentist or Network Specialty Dentist may recommend any of the following procedures:

(1) Non-surgical Program - this is a conservative approach to periodontal therapy. Use of this program depends upon how quickly you heal and how consistently you follow instructions for home care. This program may include:

- scaling and root planing
- oral hygiene instruction
- full mouth debridement

(2) Scaling and Root Planing - this periodontal therapy procedure combines scaling of the crown and root surface with root planing to smooth rough areas of the root. This procedure may be performed by
the dental hygienist or your Network General Dentist.

3. There is no coverage for the replacement of an occlusal guard (night guard) beyond one per any 24 consecutive month period, when this limitation is noted on the Patient Charge Schedule.

4. There is no coverage for bone grafting and/or guided tissue regeneration when performed at the site of a tooth extraction, unless specifically listed on your Patient Charge Schedule.

5. There is no coverage for bone grafting and/or guided tissue regeneration when performed in conjunction with an apicoectomy or periradicular surgery.

6. There is no coverage for localized delivery of antimicrobial agents when performed alone or in the absence of traditional periodontal therapy.

6. Oral Surgery
Oral surgery involves the surgical removal of teeth or associated surgical procedures by your Network General Dentist or Network Specialty Dentist.

a. Limitation
The surgical removal of a wisdom tooth may not be covered if the tooth is not diseased or if the removal is only for orthodontic reasons. Temporary pain from normal eruption is not considered disease. Your Patient Charge Schedule lists any limitations on oral surgery.

b. Exclusion
General anesthesia, sedation and nitrous oxide are not covered unless specifically listed on your Patient Charge Schedule. When listed on your Patient Charge Schedule, general anesthesia and IV sedation are covered when medically necessary and provided in conjunction with Covered Services performed by an Oral Surgeon. There is no coverage for general anesthesia or intravenous sedation when used for the purposes of anxiety control or patient management.

7. Orthodontics (This section is applicable only when Orthodontics is listed on your Patient Charge Schedule.)

a. Definitions - If your Patient Charge Schedule indicates coverage for orthodontic treatment, the following definitions apply:

(1) Orthodontic Treatment Plan and Records - the preparation of orthodontic records and a treatment plan by the Orthodontist.
(2) **Interceptive Orthodontic Treatment** - treatment prior to full eruption of the permanent teeth, frequently a first phase preceding comprehensive treatment.

(3) **Comprehensive Orthodontic Treatment** - treatment after the eruption of most permanent teeth, generally the final phase of treatment before retention.

(4) **Retention (Post Treatment Stabilization)** - the period following orthodontic treatment during which you may wear an appliance to maintain and stabilize the new position of the teeth.

b. **Copayments**

The Copayment for your entire orthodontic case, including retention, will be based upon the Patient Charge Schedule in effect on the date of your visit for Orthodontic Treatment Plan and Records. However, if (a) banding/appliance insertion does not occur within 90 days of such visit, (b) your treatment plan changes, or (c) there is an interruption in your coverage or treatment, a later change in the Patient Charge Schedule may apply.

The Copayment for orthodontic treatment is based upon 24 months of interceptive and/or comprehensive treatment. If you require more than 24 months of treatment in total, you will be charged an additional amount for each additional month of treatment, based upon the Orthodontist’s Contract Fee. If you require less than 24 months of treatment, your Copayment will be reduced on a prorated basis.

c. **Additional Charges**

You will be responsible for the Orthodontist’s Usual Fees for the following non-Covered Services:

1. Incremental costs associated with optional/elective materials, including but not limited to ceramic, clear, lingual brackets, or other cosmetic appliances;
2. Orthognathic surgery and associated incremental costs;
3. Appliances to guide minor tooth movement;
4. Appliances to correct harmful habits; and
5. Services which are not typically included in orthodontic treatment. These services will be identified on a case-by-case basis.

d. **Orthodontics in Progress**

If orthodontic treatment is in progress for you or your Dependent at the time you enroll, call Customer Service at 1-800-Cigna24 to find out the benefit to which you are entitled based upon your individual case and the remaining months of treatment.

e. **Exclusion**

Replacement of fixed and/or removable orthodontic appliances (including fixed and removable orthodontic appliances) that have been lost, stolen, or damaged due to patient abuse, misuse or neglect.

B. **Emergency Dental Care - Reimbursement**

An emergency is a dental condition of recent onset and severity which would lead a prudent layperson possessing an average knowledge of dentistry to believe the condition needs immediate dental procedures necessary to control excessive bleeding, relieve severe pain, or eliminate acute infection. Emergency dental care services may include examination, x-rays, sedative fillings, dispensing of antibiotics or pain relief medication or other palliative services prescribed by the treating dentist. You should contact your Network General Dentist if you have an emergency in your Service Area.

1. **Emergency Care Away From Home**

If you have an emergency while you are out of your Service Area or you are unable to contact your Network General Dentist, you may receive emergency Covered Services as defined above from any general dentist. Routine restorative procedures or definitive treatment (e.g., root canal) are not considered emergency care. You should return to your Network General Dentist for these procedures. For emergency Covered Services, you will be responsible for the Copayments listed on your Patient Charge Schedule. Cigna Dental will reimburse you the difference between the dentist’s usual fee for emergency Covered Services and your Copayment, up to a total of $50 per incident. To receive reimbursement, send the dentist’s itemized statement to Cigna Dental at the address listed for your state on the front of this booklet.

2. **Emergency Care After Hours**

There is a Copayment listed on your Patient Charge Schedule for emergency care rendered after regularly scheduled office hours. This charge will be in addition to other applicable Copayments.
VI. Exclusions

In addition to the exclusions listed in Section V, listed below are the services or expenses which are also NOT covered under your Dental Plan and which are your responsibility at the dentist’s Usual Fees. There is no coverage for:

- services not listed on the Patient Charge Schedule.
- services provided by a non-Network Dentist without Cigna Dental’s prior approval (except emergencies, as described in Section V.B.).
- services to the extent you, or your Dependent, are compensated for them under any group medical plan.
- services considered to be unnecessary or experimental in nature or do not meet commonly accepted dental standards.
- surgical placement of a dental implant; repair, maintenance or removal of a dental implant; implant abutment(s); or any services related to the surgical placement of a dental implant, unless specifically listed on your Patient Charge Schedule.
- cosmetic dentistry or cosmetic dental surgery (dentistry or dental surgery performed solely to improve appearance) unless specifically listed on your Patient Charge Schedule. If bleaching (tooth whitening) is listed on your Patient Charge Schedule, only the use of take-home bleaching gel with trays is covered; all other types of bleaching methods are not covered.
- prescription medications.
- hospitalization, including any associated incremental charges for dental services performed in a hospital. (Benefits are available for Network Dentist charges for Covered Services performed at a hospital. Other associated charges are not covered and should be submitted to the medical carrier for benefit determination. If special circumstances arise where a Network Dentist is not available, the Plan will make special arrangements for the provision of covered benefits as necessary for the dental health of the customer.)
- procedures, appliances or restorations if the main purpose is to: change vertical dimension (degree of separation of the jaw when teeth are in contact); restore asymptomatic teeth where loss of tooth structure was caused by attrition, abrasion, erosion and/or abfraction and the primary purpose of the restoration is: to change the vertical dimension of occlusion; or for cosmetic purposes.
- procedures or appliances for minor tooth guidance or to control harmful habits.
- charges by dental offices for failing to cancel an appointment or canceling an appointment with less than 24 hours notice (i.e. a broken appointment). You will be responsible for paying any broken appointment fee unless your broken appointment was unavoidable due to emergency or exigent circumstances.
- consultations and/or evaluations associated with services that are not covered.
- infection control and/or sterilization. Cigna Dental considers this to be incidental to and part of the charges for services provided and not separately chargeable.
- services to correct congenital malformations, including the replacement of congenitally missing teeth.

As noted in Section V, the following exclusions also apply:

- there is no coverage for crowns, bridges used solely for splinting. This exclusion will not apply if a crown or bridge is determined by Cigna Dental to be the treatment most consistent with professionally accepted standards of care.
- there is no coverage for implant supported prosthesis used solely for splinting unless specifically listed on your Patient Charge Schedule.
- there is no coverage for resin bonded retainers and associated pontics.
- general anesthesia, sedation and nitrous oxide are not covered, unless specifically listed on your Patient Charge Schedule. There is no coverage for general anesthesia or intravenous sedation when used for the purposes of anxiety control or patient management.
- replacement of fixed and/or removable orthodontic appliances (including fixed and removable orthodontic appliances) that have been lost, stolen, or damaged due to patient abuse, misuse or neglect.
- endodontic treatment and/or periodontal (gum tissue and supporting bone) surgery of teeth exhibiting a poor or hopeless periodontal prognosis.
- the recementation of any inlay, onlay, crown, post and core or fixed bridge within 180 days of initial placement. Cigna Dental considers recementation within this timeframe to be incidental to and part of the charges for the initial restoration.
- the recementation of any implant supported prosthesis (including crowns, bridges and dentures) within 180 days of initial placement. Cigna Dental considers recementation within this timeframe to be incidental to and part of the charges for the initial restoration unless specifically listed on your Patient Charge Schedule.
- the replacement of an occlusal guard (night guard) beyond one per any 24 consecutive month period, when this limitation is noted on the Patient Charge Schedule.
- intentional root canal treatment in the absence of injury or disease to solely facilitate a restorative procedure.
• bone grafting and/or guided tissue regeneration when performed at the site of a tooth extraction, unless specifically listed on your Patient Charge Schedule.
• bone grafting and/or guided tissue regeneration when performed in conjunction with an apicoectomy or periradicular surgery.
• localized delivery of antimicrobial agents when performed alone or in the absence of traditional periodontal therapy. Should any law require coverage for any particular service(s) noted above, the exclusion for that service(s) shall not apply.

VII. Limitations
In addition to the limitations listed in Section V, listed below are the services or expenses which have limited coverage under your Dental Plans. No payment will be made for expense incurred or services received:
• for or in connection with an injury arising out of, or in the course of, any employment for wage or profit;
• for charges which would not have been made in any facility, other than a Hospital or a Correctional Institution owned or operated by the United States Government or by a state or municipal government if the person had no insurance;
• to the extent that payment is unlawful where the person resides when the expenses are incurred or the services are received;
• for the charges which the person is not legally required to pay;
• for charges which would not have been made if the person had no insurance;
• due to injuries which are intentionally self-inflicted;
In addition to the above the following limitations will also apply:
• Clinical Oral Evaluations – When this limitation is noted on the Patient Charge Schedule, periodic oral evaluations, comprehensive oral evaluations, comprehensive periodontal evaluations, and oral evaluations for patients under 3 years of age, are limited to a combined total of 4 evaluations during a 12 consecutive month period.
• Surgical Placement of Implant Services – When covered on the Patient Charge Schedule, surgical placement of a dental implant; repair, maintenance, or removal of a dental implant; implant abutment(s); or any services related to the surgical placement of a dental implant are limited to one per year with replacement of a surgical implant frequency limitation of one every 10 years.
• Prosthesis Over Implant – When covered on the Patient Charge Schedule, a prosthetic device, supported by an implant or implant abutment is considered a separate distinct service(s) from surgical placement of an implant. Replacement of any type of prosthesis with a prosthesis supported by an implant or implant abutment is only covered if the existing prosthesis is at least 5 calendar years old, is not serviceable and cannot be repaired. Should any law require coverage for any particular service(s) noted above, the limitation for that service(s) shall not apply.

VIII. What To Do If There Is A Problem/Grievances
For the purposes of this section, any reference to “you” or “your” also refers to a representative or dentist designated by you to act on your behalf.
Most problems can be resolved between you and your dentist. However, we want you to be completely satisfied with the Dental Plan. That is why we have established a process for addressing your concerns and complaints. The complaint procedure is voluntary and will be used only upon your request. No Plan employee shall retaliate or discriminate against a customer (including seeking disenrollment of the customer) solely on the basis that the customer filed a grievance. Instances of such retaliation or discrimination shall be grounds for disciplinary action, (including termination) against the employee.

A. Your Rights to File Grievances With Cigna Dental
We want you to be completely satisfied with the care you receive. That is why we have established an internal grievance process for addressing your concerns and resolving your problems.
Grievances include both complaints and appeals. Complaints may include concerns about people, quality of service, quality of care, benefit interpretations or eligibility. Appeals are requests to reverse a prior denial or modified decision about your care. You may contact us by telephone or in writing with a grievance.

B. How to File a Grievance
To contact us by phone, call us toll-free at 1-800-Cigna24 or the toll-free telephone number on your Cigna identification card. The hearing impaired may call the state TTY toll-free service listed in their local telephone directory.

Send written grievances to:
Cigna Dental Health of California, Inc.
P.O. Box 188047
Chattanooga, TN 37422-8047

We will provide you with a grievance form upon request, but you are not required to use the form in order to make a written grievance.
You may also submit a grievance online through the following Cigna website:

If the customer is a minor, is incompetent or unable to exercise rational judgment or give consent, the parent, guardian, conservator, relative, or other legal representative acting on behalf of the customer, as appropriate, may submit a grievance to Cigna Dental or the California Department of Managed Health Care (DMHC or “Department”), as the agent of the customer. Also, a participating dentist may join with or assist you or your agent in submitting a grievance to Cigna Dental or the DMHC.

1. Complaints
   If you are concerned about the quality of service or care you have received, a benefit interpretation, or have an eligibility issue, you should contact us to file a verbal or written complaint. If you contact us by telephone to file a complaint, we will attempt to document and/or resolve your complaint over the telephone. If we receive your complaint in writing, we will send you a letter confirming that we received the complaint within 5 calendar days of receiving your notice. This notification will tell you whom to contact should you have questions or would like to submit additional information about your complaint. We will investigate your complaint and will notify you of the outcome within 30 calendar days.

2. Appeals
   If your grievance does not involve a complaint about the quality of service or care, a benefit interpretation or an eligibility issue, but instead involves dissatisfaction with the outcome of a decision that was made about your care and you want to request Cigna Dental to reverse the previous decision, you should contact us within one year of receiving the denial notice to file a verbal or written appeal. Be sure to share any new information that may help justify a reversal of the original decision. Within 5 calendar days from when we receive your appeal, we will confirm with you, in writing, that we received it. We will tell you whom to contact at Cigna Dental should you have questions or would like to submit additional information about your appeal. We will make sure your appeal is handled by someone who has authority to take action and who was not involved in the original decision. We will investigate your appeal and notify you of our decision, within 30 calendar days. You may request that the appeal process be expedited, if there is an imminent and serious threat to your health, including severe pain, potential loss of life, limb or major bodily function. A Dental Director for Cigna Dental, in consultation with your treating dentist, will decide if an expedited appeal is necessary. When an appeal is expedited, Cigna Dental will respond orally and in writing with a decision within 72 hours.

C. You Have Additional Rights Under State Law
   Cigna Dental is regulated by the California Department of Managed Health Care (DMHC or the “Department”). If you are dissatisfied with the resolution of your complaint or appeal, the law states that you have the right to submit the grievance to the department for review as follows:
   The California Department of Managed Health Care is responsible for regulating health care service plans. If you have a grievance against your health plan, you should first telephone your health plan at 1-800-Cigna24 and use your health plan’s grievance process before contacting the department. Utilizing this grievance procedure does not prohibit any potential legal rights or remedies that may be available to you. If you need help with a grievance involving an emergency, a grievance that has not been satisfactorily resolved by your health plan, or a grievance that has remained unresolved for more than 30 days, you may call the department for assistance. You may also be eligible for an Independent Medical Review (IMR). If you are eligible for IMR, the IMR process will provide an impartial review of medical decisions made by a health plan related to the medical necessity of a proposed service or treatment, coverage decisions for treatments that are experimental or investigational in nature and payment disputes for emergency or urgent medical services. The department also has a toll-free telephone number (1-888-HMO-2219) and a TDD line (1-877-688-9891) for the hearing and speech impaired. The department’s Internet Web site http://www.hmohelp.ca.gov has complaint forms, IMR application forms and instructions online. There is no application or processing fee of any kind associated with the Independent Medical Review process. You may file a grievance with the DMHC if Cigna Dental has not completed the complaint or appeal process described above within 30 days of receiving your grievance. You may immediately file an appeal with Cigna Dental and/or the DMHC in a case involving an imminent and serious threat to the health, including, but not limited to, severe pain, the potential loss of life, limb, or major bodily function, or in any other case where the DMHC determines that an earlier review is warranted.

D. Voluntary Mediation
   If you have received an appeal decision from Cigna Dental with which you are not satisfied, you may also request voluntary mediation with us before exercising the
right to submit a grievance to the DMHC. In order for mediation to take place, you and Cigna Dental each have to voluntarily agree to the mediation. Cigna Dental will consider each request for mediation on a case by case basis. Each side will equally share the expenses of the mediation. To initiate mediation, please submit a written request to the Cigna Dental address listed above. If you request voluntary mediation, you may elect to submit your grievance directly to the DMHC after participating in the voluntary mediation process for at least 30 days.

For more specific information regarding these grievance procedures, please contact our Customer Service Department.

IX. Coordination of Benefits

Coordination of benefit rules explain the payment process when you are covered by more than one dental plan. You and your Dependents may not be covered twice under this Dental Plan. If you and your spouse have enrolled each other or the same Dependents twice, please contact your Benefit Administrator.

If you or your Dependents have dental coverage through your spouse’s employer or other sources, applicable coordination of benefit rules will determine which coverage is primary or secondary. In most cases, the plan covering you as an employee is primary for you, and the plan covering your spouse as an employee is primary for him or her. Your children are generally covered as primary by the plan of the parent whose birthday occurs earlier in the year. Coordination of Benefits should result in lowering or eliminating your out-of-pocket expenses. It should not result in reimbursement for more than 100% of your expenses.

The following is a more detailed explanation of the rules used to determine which plan must pay first (your “primary” plan) and which plan must pay second (your “secondary” plan):

A. A customer may be covered as an employee by his/her employer and as a dependent by his/her spouse’s employer. The plan that covers the customer as an employee (the policyholder) is the primary plan.

B. Under most circumstances, if a child is covered as a dependent under both parents’ coverage (and parents are not separated or divorced), the plan of the parent with the earliest birthday in the year is the primary plan.

C. If a child of divorced or separated parents is covered as a dependent under at least one of the parents’ (or stepparents’) coverage, benefits are determined in the following order:
   1. According to a court decree that designates the person financially responsible for the dental care coverage; or without such decree,
   2. The plan of the parent who has custody of the child;
   3. If the parent with custody of the child is remarried; then the stepparent’s plan; and finally,
   4. The plan of the parent without custody of the child.

D. The benefits of a plan that covers an active employee (and any dependents) are determined before those of a program which covers an inactive employee (laid-off or retired). However, if one of the plans does not have a provision regarding retired or laid-off employees, this section may not apply. Please contact the Plan at the number below for further instruction.

E. If a customer is covered under a continuation plan (e.g. COBRA) AND has coverage under another plan, the following determines the order of benefits:
   1. The plan that covers the customer as an employee (or dependent of employee) will be primary;
   2. The continuation plan will be secondary.

   However, if the plan that covers the person as an employee does not follow these guidelines and the plans disagree about the order of determining benefits, then this rule may be ignored. Please contact Cigna Dental at the number below for further instructions.

F. If none of the above rules determines the order of benefits, the plan that has been in effect longer is the primary plan. To determine which plan has been in effect longer, we will take into consideration the coverage you had previously with the same employer, even if it was a different plan, as long as there was no drop in eligibility during the transition between plans.

G. Workers’ Compensation – Should any benefit or service rendered result from a Workers’ Compensation Injury Claim, the customer shall assign his/her right to reimbursement from other sources to Cigna Dental or to the Participating Provider who rendered the service.

H. When Cigna Dental is primary, we will provide or pay dental benefits without considering any other plan’s benefits. When Cigna Dental is secondary, we shall pay the lesser of either the amount that we would have paid in the absence of any other dental coverage, or your total out of pocket cost payable under the primary dental plan for benefits covered by Cigna Dental.

I. Please call Cigna Dental at 1-800-Cigna24 if you have questions about which plan will act as your primary plan or if you have other questions about coordination of benefits.

Additional coordination of benefit rules are attached to the Group Contract and may be reviewed by contacting your Benefit Administrator. Cigna Dental coordinates benefits only for specialty care services.
X. Disenrollment From the Dental Plan – Termination of Benefits

Except for extensions of coverage as otherwise provided in the sections titled “Extension/Continuation of Benefits” or in your Group Contract, disenrollment from the Dental Plan/termination of benefits and coverages will be as follows:

A. For the Group

The Dental Plan is renewable with respect to the Group except as follows:

1. for nonpayment of the required Prepayment Fees;
2. for fraud or other intentional misrepresentation of material fact by the Group;
3. low participation (i.e. less than ten enrollees);
4. if the Dental Plan ceases to provide or arrange for the provision of dental services for new Dental Plans in the state; provided, however, that notice of the decision to cease new or existing dental plans shall be provided as required by law at least 180 days prior to discontinuation of coverage; or
5. if the Dental Plan withdraws a Group Dental Plan from the market; provided, however, that notice of withdrawal shall be provided as required by law at least 90 days prior to the discontinuation and that any other Dental Plan offered is made available to the Group.

B. For You and Your Enrolled Dependents

The Dental Plan may not be canceled or not renewed except as follows:

1. failure to pay the charge for coverage if you have been notified and billed for the charge and at least 15 days have elapsed since the date of notification.
2. fraud or deception in the use of services or Dental Offices or knowingly permitting such fraud or deception by another.

C. Termination Effective Date

The effective date of the termination shall be as follows:

1. Cigna Dental shall provide written notice of non-receipt of payment on or before the twelfth (12th) day of the month following the month for which Premiums/Prepayment Fees remain due and owing. The Group shall have an additional thirty-one (31) days for the payment of any Premium/Prepayment Fees. The Contract shall remain in full force and effect during this Grace Period. If the Premium/Prepayment Fees are not remitted by the end of the Grace Period, the Contract will terminate on the last day of the Grace Period.

2. in the case of failure to meet eligibility requirements enrollment will be canceled as of the date of termination specified in the written notice, provided that at least 15 days have expired since the date of notification.
3. on the last day of the month after voluntary disenrollment.
4. termination of Benefits due to fraud or deception shall be effective immediately upon receipt of notice of cancellation.

D. Effect on Dependents

When one of your Dependents disenrolls, you and your other Dependents may continue to be enrolled. When you are disenrolled, your Dependents will be disenrolled as well.

For you and your Dependents, disenrollment will be effective the last day of the month in which Prepayment Fees are not paid to Cigna Dental. Cigna Dental will provide at least 15 days notice to your Group as to the date your coverage will be discontinued.

E. Right to Review

If you believe that your termination from the Dental Plan is due to your dental health status or requirements for dental care services, you may request review of the termination by the Director of the Department of Managed Health Care.

F. Notice of Termination

If the Group Contract is terminated for any reason described in this section, the notice of termination of the Group Contract or your coverage under the Group Contract shall be mailed by the Dental Plan to your Group or to you, as applicable. Such notice shall be dated and shall state:

1. the cause for termination, with specific reference to the applicable provision of the Group Contract or Plan Booklet;
2. the cause for termination was not the Subscriber’s or a customer’s health status or requirements for health care services;
3. the time the termination is effective;
4. the fact that a Subscriber or customer alleging that the termination was based on health status or requirements for health care services may request a review of the termination by the Director of the California Department of Managed HealthCare;
5. in instances of termination of the Group Contract for non-payment of fees, that receipt by the Dental Plan of any such past due fees within 15 days following receipt of notice of termination will reinstate the
Group Contract as though it had never been terminated; if payment is not made within such 15 day period a new application will be required and the Dental Plan shall refund such payment within 20 business days;
6. any applicable rights you may have under the “Continuation of Benefits” Section.

XI. Continuity of Care
If you are receiving care from a Network Dentist who has been terminated from the Cigna Dental network, Cigna Dental will arrange for you to continue to receive care from that dentist if the dental services you are receiving are for one of the following conditions:

(1) an acute condition. An acute condition is a dental condition that involves a sudden onset of symptoms due to an illness, injury, or other dental problem that requires prompt dental attention and that has a limited duration. Completion of the covered services shall be provided for the duration of the acute condition.

(2) newborn children between birth and age 36 months. Cigna Dental shall provide for the completion of covered services for newborn children between birth and age 36 months for 12 months from the termination date of the Network Dentist’s contract.

(3) performance of a surgery or other procedure that is authorized by Cigna Dental and has been recommended and documented by the terminated dentist to occur within 180 days of the effective date of termination of the dentist’s contract.

Cigna Dental is not obligated to arrange for continuation of care with a terminated dentist who has been terminated for medical disciplinary reasons or who has committed fraud or other criminal activities.

In order for the terminated Participating Provider to continue to care for you, the terminated dentist must comply with the Cigna Dental’s contractual and credentialing requirements and must meet the Cigna Dental’s standards for utilization review and quality assurance. The terminated dentist must also agree with Cigna Dental to a mutually acceptable rate of payment. If these conditions are not met, Cigna Dental is not required to arrange for continuity of care.

If you meet the necessary requirements for continuity of care as described above, and would like to continue your care with the terminated Dentist, you should call Customer Service. If you do not meet the requirements for continuity of care or if the terminated dentist refuses to render care or has been determined unacceptable for quality or contractual reasons, Cigna Dental will work with you to accomplish a timely transition to another qualified Network Dentist.

XII. Continuation of Benefits (COBRA)
For Groups with 20 or more employees, federal law requires the employer to offer continuation of benefits coverage for a specified period of time after termination of employment or reduction of work hours, for any reason other than gross misconduct. You will be responsible for sending payment of the required Prepayment Fees to the Group. Additional information is available through your Benefits Representative.

XIII. Individual Continuation of Benefits
If you are no longer eligible for coverage under your Group’s Dental Plan, you and your enrolled Dependents may continue your dental coverage by enrolling in the Cigna Dental conversion plan. You must enroll within 3 months after becoming ineligible for your Group’s Dental Plan. Premium payments and coverage will be retroactive to the date coverage under your Group’s Dental Plan ended. You and your enrolled Dependents are eligible for conversion coverage unless benefits were discontinued due to:

• permanent breakdown of the dentist-patient relationship,
• fraud or misuse of dental services and/or Dental Offices,
• nonpayment of Prepayment Fees by the Subscriber,
• selection of alternate dental coverage by your Group, or
• lack of network/service area.

Benefits and rates for Cigna Dental conversion coverage and any succeeding renewals will be based on the Covered Services listed in the then-current standard conversion plan and may not be the same as those for your Group’s Dental Plan. Please call the Cigna Dental Conversion Department at 1-800-Cigna24 to obtain current rates and make arrangements for continuing coverage.

XIV. Confidentiality/Privacy
Cigna Dental is committed to maintaining the confidentiality of your personal and sensitive information. Information about Cigna Dental’s confidentiality policies and procedures is made available to you during the enrollment process and/or as part of your customer plan materials. You may obtain additional information about Cigna Dental’s confidentiality policies and procedures by calling Customer Service at 1-800-Cigna24, or via the Internet at myCigna.com.

XV. Miscellaneous

A. Programs Promoting General Health

As a Cigna Dental plan customer, you may be eligible for various benefits, or other consideration for the purpose of promoting your general health and well being. Please visit our website at my.cigna.com for details.

As a Cigna Dental plan customer, you may also be eligible for additional dental benefits during certain episodes of care. For example, certain frequency limitations for dental services may be relaxed for pregnant women. Please review your plan enrollment materials for details.

B. Organ and Tissue Donation

Donating organ and tissue provides many societal benefits. Organ and tissue donation allows recipients of transplants to go on to lead fuller and more meaningful lives. Currently, the need for organ transplants far exceeds availability. The California Health and Safety Code states that an anatomical gift may be made by one of the following ways:

- a document of gift signed by the donor.
- a document of gift signed by another individual and by two witnesses, all of whom have signed at the direction and in the presence of the donor and of each other and state that it has been so signed.
- a document of gift orally made by a donor by means of a tape recording in his or her own voice.

One easy way individuals can make themselves eligible for organ donation is through the Department of Motor Vehicles (DMV). Every time a license is renewed or a new one is issued to replace one that was lost, the DMV will automatically send an organ donor card. Individuals may complete the card to indicate that they are willing to have their organs donated upon their death. They will then be given a small dot to stick on their driver’s license, indicating they have an organ donor card on file. For more information, contact your local DMV office and request an organ donor card.

C. 911 Emergency Response System

You are encouraged to use appropriately the ‘911’ emergency response system, in areas where the system is established and operating, when you have an emergency medical condition that requires an emergency response.

I. Definitions

Capitalized terms, unless otherwise defined, have the meanings listed below.

**Adverse Determination** - a decision by Cigna Dental not to authorize payment for certain limited specialty care procedures on the basis of necessity or appropriateness of care. To be considered clinically necessary, the treatment or service must be reasonable and appropriate and meet the following requirements:

A. be consistent with the symptoms, diagnosis or treatment of the condition present;
B. conform to commonly accepted standards throughout the dental field;
C. not be used primarily for the convenience of the customer or dentist of care; and
D. not exceed the scope, duration, or intensity of that level of care needed to provide safe and appropriate treatment.

Requests for payment authorizations that are declined by Cigna Dental based upon the above criteria will be the responsibility of the customer at the dentist’s Usual Fees. A licensed dentist will make any such denial.

**Cigna Dental** - Cigna Dental Health, Inc., on behalf of Cigna HealthCare of Connecticut, Inc. (said corporations are affiliates and are herein after referred to as “Cigna Dental”), contracts with participating general dentists for the provision of dental care. Cigna Dental Health, Inc. also provides management and information services to customers and participating dental offices.

**Contract Fees** - the fees contained in the Network Dentist agreement with Cigna Dental.

**Covered Services** - the dental procedures listed on your Patient Charge Schedule.

**Dental Office** - your selected office of Network General Dentist(s).

**Dental Plan** - managed dental care plan offered through the Group Contract between Cigna HealthCare of Connecticut, Inc. and your Group.

**Dependent** - your lawful spouse; or your Domestic Partner; your unmarried child (including newborns, adopted children, stepchildren, a child for whom you must provide dental coverage under a court order; or, a Dependent child who resides in your home as a result of court order or administrative placement) who is:

A. less than 19 years old; or
B. less than 23 years old if he or she is both:
   1. a full-time student enrolled at an accredited educational institution, and
   2. reliant upon you for maintenance and support; or
C. any age if he or she is both:
   1. incapable of self-sustaining employment due to mental or physical disability; and
   2. reliant upon you for maintenance and support.

For a Dependent child 19 years of age or older who is a full-time student at an educational institution, coverage will be provided for an entire academic term during which the child begins as a full-time student and remains enrolled, regardless of whether the number of hours of instruction for which the child is enrolled is reduced to a level that changes the child’s academic status to less than that of a full-time student.

For a child who falls into category (b) or (c) above, you will need to furnish Cigna Dental evidence of his or her reliance upon you, in the form requested, within 31 days after the Dependent reaches the age of 19 and once a year thereafter during his or her term of coverage.

Coverage for Dependents living outside a Cigna Dental service area is subject to the availability of an approved network where the Dependent resides.

This definition of “Dependent” applies unless modified by your State Rider or Group Contract.

**Group** - employer, labor union or other organization that has entered into a Group Contract with Cigna HealthCare of Connecticut, Inc. for managed dental services on your behalf.

**Medically necessary or medical necessity** - means health care services that a physician/dentist, exercising prudent clinical judgment, would provide to a patient for the purpose of preventing, evaluating, diagnosing or treating an illness, injury, disease or its symptoms, and that are:

1. In accordance with generally accepted standards of medical/dental practice;
2. Clinically appropriate, in terms of type, frequency, extent, site and duration and considered effective for the patient's illness, injury or disease; and
3. Not primarily for the convenience of the patient, physician/dentist or other health care provider and not more costly than an alternative service or sequence of services at least as likely to produce equivalent therapeutic or diagnostic results as to the diagnosis or treatment of that patient's illness, injury or disease.

For the purposes of this definition, "generally accepted standards of medical/dental practice" means standards that are based on credible scientific evidence published in peer-reviewed medical/dental literature generally recognized by the relevant medical/dental community or otherwise consistent
with the standards set forth in policy issues involving clinical judgment.

**Network Dentist** - a licensed dentist who has signed an agreement with Cigna Dental to provide general dentistry or specialty care services to you. The term, when used, includes both Network General Dentists and Network Specialty Dentists.

**Network General Dentist** - a licensed dentist who has signed an agreement with Cigna Dental under which he or she agrees to provide dental care services to you.

**Network Specialty Dentist** - a licensed dentist who has signed an agreement with Cigna Dental under which he or she agrees to provide specialized dental care services to you.

**Patient Charge** - the amount you owe your Network Dentist for any dental procedure listed on your Patient Charge Schedule.

**Patient Charge Schedule** - list of services covered under your Dental Plan and how much they cost you.

**Premiums** - fees that your Group remits directly or indirectly to Cigna HealthCare of Connecticut, Inc., on your behalf, during the term of your Group Contract.

**Service Area** - the geographical area designated by Cigna Dental within which it shall provide benefits and arrange for dental care services.

**Subscriber/You** - the enrolled employee or customer of the Group.

**Usual Fee** - the customary fee that an individual dentist most frequently charges for a given dental service.

### II. Introduction To Your Cigna Dental Plan

Welcome to the Cigna Dental Plan. We encourage you to use your dental benefits. Please note that enrollment in the Dental Plan allows the release of patient records to Cigna Dental or its designee for health plan operation purposes.

### III. Eligibility/When Coverage Begins

To enroll in the Dental Plan, you and your Dependents must be able to seek treatment for Covered Services within a Cigna Dental Service Area. Other eligibility requirements are determined by your Group.

If you enrolled in the Dental Plan before the effective date of your Group Contract, you will be covered on the first day the Group Contract is effective. If you enrolled in the Dental Plan after the effective date of the Group Contract, you will be covered on the first day of the month following processing of your enrollment (unless effective dates other than the first day of the month are provided for in your Group Contract).

Dependents may be enrolled in the Dental Plan at the time you enroll, during an open enrollment, or within 31 days of becoming eligible due to a life status change such as marriage, birth, adoption, placement, or court or administrative order. You may drop coverage for your Dependents only during the open enrollment periods for your Group, unless there is a change in status such as divorce. Cigna Dental may require evidence of good dental health at your expense if you or your Dependents enroll after the first period of eligibility, (except during open enrollment), or after disenrollment because of nonpayment of Premiums.

If you have family coverage, a newborn child is automatically covered during the first 61 days of life. If you wish to continue coverage beyond the first 61 days, your baby must be enrolled in the Dental Plan and you must begin paying Premiums, if any additional are due, during that period.

Under the Family and Medical Leave Act of 1993, you may be eligible to continue coverage during certain leaves of absence from work. During such leaves, you will be responsible for paying your Group the portion of the Premiums, if any, which you would have paid if you had not taken the leave. Additional information is available through your Benefits Representative.

### IV. Your Cigna Dental Coverage

The information below outlines your coverage and will help you to better understand your Dental Plan. Included is information about which services are covered, which are not and how much dental services will cost you. A copy of the Group Contract will be furnished to you upon your request.

#### A. Customer Service

If you have any questions or concerns about the Dental Plan, Customer Service Representatives are just a toll-free phone call away. They can explain your benefits or help with matters regarding your Dental Office or Dental Plan. For assistance with transfers, specialty referrals, eligibility, second opinions, emergencies, Covered Services, plan benefits, ID cards, location of Dental Offices, conversion coverage or other matters, call Customer Service from any location at 1-800-Cigna24. The hearing impaired may contact the state TTY toll-free relay service number listed in their local telephone directory.

#### B. Premiums/Prepayment Fees

Your Group sends a monthly fee to Cigna Dental for customers participating in the Dental Plan. The amount and term of this fee is set forth in your Group Contract. You may contact your Benefits Representative for...
information regarding any part of this fee to be withheld from your salary or to be paid by you to the Group.

C. Other Charges - Patient Charges
Network General Dentists are typically reimbursed by Cigna Dental through fixed monthly payments and supplemental payments for certain procedures. No bonuses or financial incentives are used as an inducement to limit services. Network Dentists are also compensated by the fees which you pay, as set out in your Patient Charge Schedule.

Your Patient Charge Schedule lists the dental procedures covered under your Dental Plan. Some dental procedures are covered at no charge to you. For other Covered Services, the Patient Charge Schedule lists the fees you must pay when you visit your Dental Office. There are no deductibles and no annual dollar limits for services covered by your Dental Plan.

Your Network General Dentist should tell you about Patient Charges for Covered Services, the amount you must pay for non-Covered Services and the Dental Office’s payment policies. Timely payment is important. It is possible that the Dental Office may add late charges to overdue balances.

Your Patient Charge Schedule is subject to annual change in accordance with your Group Contract. Cigna Dental will give written notice to your Group of any change in Patient Charges at least 60 days prior to such change. You will be responsible for the Patient Charges listed on the Patient Charge Schedule that is in effect on the date a procedure is started.

D. Choice of Dentist
You and your Dependents should have selected a Dental Office when you enrolled in the Dental Plan. If you did not, you must advise Cigna Dental of your Dental Office selection prior to receiving treatment. The benefits of the Dental Plan are available only at your Dental Office, except in the case of an emergency or when Cigna Dental otherwise authorizes payment for out-of-network benefits.

You may select a network Pediatric Dentist as the Network General Dentist for your dependent child under age 7 by calling Customer Service at 1-800-Cigna24 to get a list of network Pediatric Dentists in your Service Area or if your Network General Dentist sends your child under the age of 7 to a network Pediatric Dentist, the network Pediatric Dentist’s office will have primary responsibility for your child’s care. For children 7 years and older, your Network General Dentist will provide care. If your child continues to visit the Pediatric Dentist upon the age of 7, you will be fully responsible for the Pediatric Dentist’s Usual Fees. Exceptions for medical reasons may be considered on a case-by-case basis.

If for any reason your selected Dental Office cannot provide your dental care, or if your Network General Dentist terminates from the network, Cigna Dental will let you know and will arrange a transfer to another Dental Office. Refer to the Section titled “Office Transfers” if you wish to change your Dental Office.

To obtain a list of Dental Offices near you, visit our website at myCigna.com or call the Dental Office Locator at 1-800-Cigna24. It is available 24 hours a day, 7 days per week. If you would like to have the list faxed to you, enter your fax number, including your area code. You may always obtain a current Dental Office Directory by calling Customer Service.

E. Your Payment Responsibility (General Care)
For Covered Services at your Dental Office, you will be charged the fees listed on your Patient Charge Schedule. For services listed on your Patient Charge Schedule at any other dental office, you may be charged Usual Fees. For non-Covered Services, you are responsible for paying Usual Fees.

If, on a temporary basis, there is no Network General Dentist in your Service Area, Cigna Dental will let you know and you may obtain Covered Services from a non-Network Dentist. You will pay the non-Network Dentist the applicable Patient Charge for Covered Services. Cigna Dental will pay the non-Network Dentist the difference, if any, between his or her Usual Fee and the applicable Patient Charge.

See Section IX, Specialty Referrals, regarding payment responsibility for specialty care.

All contracts between Cigna Dental and Network Dentists state that you will not be liable to the Network Dentist for any sums owed to the Network Dentist by Cigna Dental.

F. Emergency Dental Care - Reimbursement
An emergency is a dental condition of recent onset and severity which would lead a prudent layperson possessing an average knowledge of dentistry to believe the condition needs immediate dental procedures necessary to control excessive bleeding, relieve severe pain, or eliminate acute infection. You should contact your Network General Dentist if you have an emergency in your Service Area.

1. Emergency Care Away From Home
If you have an emergency while you are out of your Service Area or you are unable to contact your Network General Dentist, you may receive emergency Covered Services as defined above from any general dentist. Routine restorative procedures or definitive treatment (e.g. root canal) are not considered emergency care. You should return to
your Network General Dentist for these procedures. For emergency Covered Services, you will be responsible for the Patient Charges listed on your Patient Charge Schedule. Cigna Dental will reimburse you the difference, if any, between the dentist’s Usual Fee for emergency Covered Services and your Patient Charges. To receive reimbursement, send appropriate reports and x-rays to Cigna Dental at the address listed on the front of this booklet.

2. **Emergency Care After Hours**
   There is a Patient Charge listed on your Patient Charge Schedule for emergency care rendered after regularly scheduled office hours. This charge will be in addition to other applicable Patient Charges.

### G. Limitations on Covered Services

Listed below are limitations on services when covered by your Dental Plan:

- **Frequency** - The frequency of certain Covered Services, like cleanings, is limited. Your Patient Charge Schedule lists any limitations on frequency.
- **Pediatric Dentistry** – Coverage for treatment by a Pediatric Dentist ends on your child’s 7th birthday. Effective on your child’s 7th birthday, dental services must be obtained from a Network General Dentist; however, exceptions for medical reasons may be considered on an individual basis.
- **Oral Surgery** - The surgical removal of an impacted wisdom tooth may not be covered if the tooth is not diseased or if the removal is only for orthodontic reasons. Your Patient Charge Schedule lists any limitations on oral surgery.
- **Periodontal (gum tissue and supporting bone) Services** – Periodontal regenerative procedures are limited to one regenerative procedure per site (or per tooth, if applicable), when covered on the Patient Charge Schedule. Localized delivery of antimicrobial agents is limited to eight teeth (or eight sites, if applicable) per 12 consecutive months, when covered on the Patient Charge Schedule.
- **Clinical Oral Evaluations** – When this limitation is noted on the Patient Charge Schedule, periodic oral evaluations, comprehensive oral evaluations, comprehensive periodontal evaluations, and oral evaluations for patients under 3 years of age are limited to a combined total of 4 evaluations during a 12 consecutive month period.
- **Surgical Placement of Implant Services** – When covered on the Patient Charge Schedule, surgical placement of a dental implant; repair, maintenance, or removal of a dental implant; implant abutment(s); or any services related to the surgical placement of a dental implant are limited to one per year with replacement of a surgical implant frequency limitation of one every 10 years.

- **Prosthesis Over Implant** – When covered on the Patient Charge Schedule, a prosthetic device, supported by an implant or implant abutment is considered a separate distinct service(s) from surgical placement of an implant. Replacement of any type of prosthesis with a prosthesis supported by an implant or implant abutment is only covered if the existing prosthesis is at least 5 calendar years old, is not serviceable and cannot be repaired.

### General Limitations Dental Benefits

V. Appointments
To make an appointment with your Network Dentist, call the Dental Office that you have selected. When you call, your Dental Office will ask for your identification number and will check your eligibility.

VI. Broken Appointments
The time your Network Dentist schedules for your appointment is valuable to you and the dentist. Broken appointments make it difficult for your Dental Office to schedule time with other patients.
If you or your enrolled Dependent breaks an appointment with less than 24 hours notice to the Dental Office, you may be charged a broken appointment fee.

VII. Office Transfers
If you decide to change Dental Offices, we can arrange a transfer. You should complete any dental procedure in progress before transferring to another Dental Office. To arrange a transfer, call Customer Service at 1-800-Cigna24. To obtain a list of Dental Offices near you, visit our website at myCigna.com or call the Dental Office Locator at 1-800-Cigna24.

Your transfer request will take about 5 days to process. Transfers will be effective the first day of the month after the processing of your request. Unless you have an emergency, you will be unable to schedule an appointment at the new Dental Office until your transfer becomes effective.
There is no charge to you for the transfer; however, all Patient Charges which you owe to your current Dental Office must be paid before the transfer can be processed.

VIII. Specialty Care
Your Network General Dentist at your Dental Office has primary responsibility for your professional dental care. Because you may need specialty care, the Cigna Dental Network includes the following types of specialty dentists:
• Pediatric Dentists - children’s dentistry.
• Endodontists - root canal treatment.
• Periodontists - treatment of gums and bone.
• Oral Surgeons - complex extractions and other surgical procedures.
• Orthodontists - tooth movement.
There is no coverage for referrals to prosthodontists or other specialty dentists not listed above.
When specialty care is needed, your Network General Dentist must start the referral process. X-rays taken by your Network General Dentist should be sent to the Network Specialty Dentist.
See Section IV.D., Choice of Dentist, regarding treatment by a Pediatric Dentist.

IX. Specialty Referrals
A. In General
Upon referral from a Network General Dentist, your Network Specialty Dentist will submit a specialty care treatment plan to Cigna Dental for payment authorization, except for Pediatrics and Endodontics, for which prior authorization is not required. You should verify with the Network Specialty Dentist that your treatment plan has been authorized for payment by Cigna Dental before treatment begins.
When Cigna Dental authorizes payment to the Network Specialty Dentist, the fees or no-charge services listed on the Patient Charge Schedule in effect on the date each procedure is started will apply, except as set out in Section IX.B., Orthodontics. Treatment by the Network Specialty Dentist must begin within 90 days from the date of Cigna Dental’s authorization. If you are unable to obtain treatment within the 90-day period, please call Customer Service to request an extension. Your coverage must be in effect when each procedure begins.
For non-Covered Services or if Cigna Dental does not authorize payment to the Network Specialty Dentist for Covered Services, including Adverse Determinations, you must pay the Network Specialty Dentist’s Usual Fee. If you have a question or concern regarding an authorization or a denial, contact Customer Service.
After the Network Specialty Dentist has completed treatment, you should return to your Network General Dentist for cleansings, regular checkups and other treatment. If you visit a Network Specialty Dentist without a referral or if you continue to see a Network Specialty Dentist after you have completed specialty care, it will be your responsibility to pay for treatment at the dentist’s Usual Fees.
When your Network General Dentist determines that you need specialty care and a Network Specialty Dentist is not available, as determined by Cigna Dental, Cigna Dental will authorize a referral to a non-Network Specialty Dentist. The referral procedures applicable to specialty care will apply. In such cases, you will be responsible for the applicable Patient Charge for Covered Services. Cigna
Dental will reimburse the non-Network Dentist the difference, if any, between his or her Usual Fee and the applicable Patient Charge. For non-Covered Services or services not authorized for payment, including Adverse Determinations, you must pay the dentist's Usual Fee.

B. Orthodontics (This section is applicable only when Orthodontics is listed on your Patient Charge Schedule.)

1. Definitions
   If your Patient Charge Schedule indicates coverage for orthodontic treatment, the following definitions apply:
   a. **Orthodontic Treatment Plan and Records** - the preparation of orthodontic records and a treatment plan by the Orthodontist.
   b. **Interceptive Orthodontic Treatment** - treatment prior to full eruption of the permanent teeth, frequently a first phase preceding comprehensive treatment.
   c. **Comprehensive Orthodontic Treatment** - treatment after the eruption of most permanent teeth, generally the final phase of treatment before retention.
   d. **Retention (Post Treatment Stabilization)** - the period following orthodontic treatment during which you may wear an appliance to maintain and stabilize the new position of the teeth.

2. Patient Charges
   The Patient Charge for your entire orthodontic case, including retention, will be based upon the Patient Charge Schedule in effect on the date of your visit for Treatment Plan and Records. However, if a banding/appliance insertion does not occur within 90 days of such visit, b. your treatment plan changes, or c. there is an interruption in your coverage or treatment, a later change in the Patient Charge Schedule may apply.
   
   The Patient Charge for Orthodontic Treatment is based upon 24 months of interceptive and/or comprehensive treatment. If you require more than 24 months of treatment in total, you will be charged an additional amount for each additional month of treatment, based upon the Orthodontist’s Contract Fee. If you require less than 24 months of treatment, your Patient Charge will be reduced on a pro-rated basis.

3. Additional Charges
   You will be responsible for the Orthodontist’s Usual Fees for the following non-Covered Services:
   a. incremental costs associated with optional/elective materials, including but not limited to ceramic, clear, lingual brackets, or other cosmetic appliances;
   b. orthognathic surgery and associated incremental costs;
   c. appliances to guide minor tooth movement;
   d. appliances to correct harmful habits; and
   e. services which are not typically included in Orthodontic Treatment. These services will be identified on a case-by-case basis.

4. Orthodontics In Progress
   If Orthodontic Treatment is in progress for you or your Dependent at the time you enroll, the fee listed on the Patient Charge Schedule is not applicable. Please call Customer Service at 1-800-Cigna24 to find out if you are entitled to any benefit under the Dental Plan.

X. Complex Rehabilitation/Multiple Crown Units
   Complex rehabilitation is extensive dental restoration involving 6 or more “units” of crown, bridge, and/or implant supported prosthesis (including crowns and bridges) in the same treatment plan. Using full crowns (caps), fixed bridges and/or implant supported prosthesis (including crowns and bridges) which are cemented in place, your Network General Dentist will rebuild natural teeth, fill in spaces where teeth are missing and establish conditions which allow each tooth to function in harmony with the occlusion (bite). The extensive procedures involved in complex rehabilitation require an extraordinary amount of time, effort, skill and laboratory collaboration for a successful outcome.
   
   Complex rehabilitation will be covered when performed by your Network General Dentist after consultation with you about diagnosis, treatment plan and charges. Each tooth or tooth replacement included in the treatment plan is referred to as a “unit” on your Patient Charge Schedule. The crown, bridge and/or implant supported prosthesis (including crowns and bridges) charges on your Patient Charge Schedule are for each unit of crown or bridge. You pay the per unit charge for each unit of crown, bridge and/or implant supported prosthesis (including crowns and bridges) PLUS an additional charge for each unit when 6 or more units are prescribed in your Network General Dentist’s treatment plan.
XI. What To Do If There Is A Problem

For the purposes of this section, any reference to “you” or “your” also refers to a representative or dentist designated by you to act on your behalf.

Most problems can be resolved between you and your dentist. However, we want you to be completely satisfied with the Dental Plan. That is why we have established a process for addressing your concerns and complaints. The complaint procedure is voluntary and will be used only upon your request.

A. Start With Customer Service

We are here to listen and to help. If you have a concern about your Dental Office or the Dental Plan, you can call 1-800-Cigna24 toll-free and explain your concern to one of our Customer Service Representatives. You can also express that concern in writing to Cigna Dental at P.O. Box 188047, Chattanooga, TN 37422-8047. We’ll do our best to resolve the matter during your initial contact. If we need more time to review or investigate your concern, we’ll get back to you as soon as possible, usually by the end of the next business day, but in any case within 30 days.

If you are not satisfied with the results of a coverage decision, you may start the appeals procedure.

B. Appeals Procedure

Cigna Dental has a two-step appeals procedure for coverage decisions. To initiate an appeal, you must submit a request in writing to Cigna Dental, P.O. Box 188047, Chattanooga, TN 37422-8047, within 1 year from the date of receipt of the initial Cigna Dental decision. You should state the reason you feel your appeal should be approved and include any information to support your appeal. If you are unable or choose not to write, you may ask Customer Service to register your appeal by calling 1-800-Cigna24.

1. Level One Appeals

Your level one appeal will be reviewed and the decision made by someone not involved in the initial review. Appeals involving dental necessity or clinical appropriateness will be reviewed by a dental professional in the field related to the care under consideration, under the authority of a Connecticut licensed dentist.

If your appeal concerns a denied pre-authorization, we will respond with a decision within 15 calendar days after we receive your appeal. For appeals concerning all other coverage issues, we will respond with a decision within 30 calendar days after we receive your appeal. If we need more time or information to make the decision, we will notify you in writing to request an extension of up to 15 calendar days and to specify any additional information needed to complete the review.

You may request that the appeal resolution be expedited if the timeframes under the above process would seriously jeopardize your life or health or would jeopardize your ability to regain the dental functionality that existed prior to the onset of your current condition. A dental professional, in consultation with the treating dentist, will decide if an expedited review is necessary. When a review is expedited, Cigna Dental will respond orally with a decision within the lesser of 72 hours after the appeal is received, or 2 business days after the required information is received, followed up in writing.

If you are not satisfied with our level one appeal decision, you may request a level two appeal.

2. Level Two Appeals

To initiate a level two appeal, follow the same process required for a level one appeal. For postservice claim or administrative appeals, your request must be received before the 14th calendar day following our mailing of the level one determination. Level two appeals will be conducted by an Appeals Committee consisting of at least 3 people. Anyone involved in the prior decision may not vote on the Appeals Committee. For appeals involving dental necessity or clinical appropriateness, the Appeals Committee will include at least one dentist. If specialty care is in dispute, the Appeals Committee will consult with a dentist in the same or similar specialty as the care under review.

Cigna Dental will acknowledge your appeal in writing and schedule an Appeals Committee review. The acknowledgment letter will include the name, address, and telephone number of the Appeals Coordinator. We may request additional information at that time. If your appeal concerns a denied preauthorization, the Appeals Committee review will be completed within 15 calendar days. For appeals concerning all other coverage issues, the Appeals Committee review will be completed within 60 calendar days after receipt of your original level one request for appeal, unless you request an extension. If we receive a request for a Level Two appeal post service claim appeal on or after the 14th calendar day following our mailing of the level one determination:

Note: Complex rehabilitation only applies for implant supported prosthesis, when implant supported prosthesis are specifically listed on your Patient Charge Schedule.
a. it will be deemed as a request by you for an extension; and b. the 60 day review period will be suspended on the 14th day we receive no Level Two appeal, then resume on the day we receive your Level Two appeal.

You may present your appeal to the Appeals Committee in person or by conference call. You must advise Cigna Dental 5 days in advance if you or your representative plan to attend in person. You will be notified in writing of the Appeals Committee’s decision within 5 business days after the meeting. The decision will include the specific contractual or clinical reasons for the decision, as applicable.

You may request that the appeal resolution be expedited if the timeframes under the above process would seriously jeopardize your life or health or would jeopardize your ability to regain the dental functionality that existed prior to the onset of your current condition. A dental professional, in consultation with the treating dentist, will decide if an expedited review is necessary. When a review is expedited, the Dental Plan will respond orally with a decision within the lesser of 72 hours or 2 business days after the required information is received, followed up in writing.

XII. Dual Coverage

If you and your spouse are employed by the same employer and by reason of that employment are participating in this Dental Plan, you may be covered as an employee under this plan in addition to being covered as a Dependent.

If you or your Dependents have dental coverage through your spouse’s employer or other sources, applicable coordination of benefit rules will determine which coverage is primary or secondary. In most cases, the plan covering you as an employee is primary for you, and the plan covering your spouse as an employee is primary for him or her. Your children are generally covered as primary by the plan of the parent whose birthday occurs earlier in the year. Dual coverage should result in lowering or eliminating your out-of-pocket expenses. It should not result in reimbursement for more than 100% of your expenses.

Coordination of benefit rules are attached to the Group Contract and may be reviewed by contacting your Benefit Administrator. Benefits are coordinated only for specialty care services.

XIII. Disenrollment From the Dental Plan – Termination of Benefits

A. Time Frames For Disenrollment/Termination

Except as otherwise provided in the sections titled “Extension/Continuation of Benefits” or in your Group Contract, disenrollment from the Dental Plan and termination of benefits will occur on the last day of the month:

1. in which Premiums/Prepayment Fees are not remitted to Cigna Dental.
2. in which eligibility requirements are no longer met.
3. after 30 days notice from Cigna Dental due to permanent breakdown of the dentist-patient relationship as determined by Cigna Dental, after at least two opportunities to transfer to another Dental Office.
4. after 30 days notice from Cigna Dental due to fraud or misuse of dental services and/or Dental Offices.
5. after 60 days notice by Cigna Dental, due to continued lack of a Dental Office in your Service Area.
6. after voluntary disenrollment.

In the event of termination of your Group Contract by either Cigna Dental or the Group, the Group shall within 15 days provide a notice of termination to each Covered Person.

B. Effect on Dependents

When one of your Dependents is disenrolled, you and your other Dependents may continue to be enrolled. When you are disenrolled, your Dependents will be disenrolled as well.

XIV. Extension of Benefits

Coverage for completion of a dental procedure (other than orthodontics) which was started before your disenrollment from the Dental Plan will be extended for 90 days after disenrollment unless disenrollment was due to nonpayment of Premiums/Prepayment Fees.

Coverage for orthodontic treatment which was started before disenrollment from the Dental Plan will be extended to the end of the quarter or for 60 days after disenrollment, whichever is later, unless disenrollment was due to nonpayment of Premiums/Prepayment Fees.

XV. Continuation of Benefits (COBRA)

For Groups with 20 or more employees, federal law requires the employer to offer continuation of benefits coverage for a
specified period of time after termination of employment or reduction of work hours, for any reason other than gross misconduct. This provision also applies to any group subject to continuation of benefit coverage under Connecticut state law. You will be responsible for sending payment of the required Premiums to the Group. Additional information is available through your Benefits Representative.

XVI. Conversion Coverage
If you are no longer eligible for coverage under your Group’s Dental Plan, you and your enrolled Dependents may continue your dental coverage by enrolling in the Cigna Dental conversion plan. You must enroll within three months after becoming ineligible for your Group’s Dental Plan. Premium payments and coverage will be retroactive to the date coverage under your Group’s Dental Plan ended. You and your enrolled Dependents are eligible for conversion coverage unless benefits were discontinued due to:

• permanent breakdown of the dentist-patient relationship;
• fraud or misuse of dental services and/or Dental Offices;
• nonpayment of Premium/Prepayment Fees by the Subscriber;
• selection of alternate dental coverage by your Group; or
• lack of network/Service Area.

Benefits and rates for Cigna Dental conversion coverage and any succeeding renewals will be based on the Covered Services listed in the then-current standard conversion plan and may not be the same as those for your Group’s Dental Plan. Please call the Cigna Dental Conversion Department at 1-800-Cigna24 to obtain current rates and make arrangements for continuing coverage.

I. Definitions

Capitalized terms, unless otherwise defined, have the meanings listed below.

Adverse Determination - a decision by Cigna Dental not to authorize payment for certain limited specialty care procedures on the basis of necessity or appropriateness of care. To be considered clinically necessary, the treatment or service must be reasonable and appropriate and meet the following requirements:

A. Be consistent with the symptoms, diagnosis or treatment of the condition present;
B. Conform to commonly accepted standards throughout the dental field;
C. Not be used primarily for the convenience of the customer or provider of care; and
D. Not exceed the scope, duration or intensity of that level of care needed to provide safe and appropriate treatment.

Requests for payment authorizations that are declined by Cigna Dental based upon the above criteria will be the responsibility of the customer at the dentist’s Usual Fees. A licensed dentist will make any such denial.

Cigna Dental - The Cigna Dental Health organization that provides dental benefits in your state as listed on the face page of this booklet.

Contract Fees - The fees contained in the Network Dentist agreement with Cigna Dental.

Covered Services - The dental procedures listed on your Patient Charge Schedule.

Dental Office - Your selected office of Network General Dentist(s).

Dental Plan - Managed dental care plan offered through the Group Contract between Cigna Dental and your Group.

B. Less than 26 years old if he or she is both:

   1. Incapable of self-sustaining employment due to mental or physical disability, and
   2. Reliant upon you for maintenance and support.

For a dependent child 26 years of age or older who is a full-time student at an educational institution, coverage will be provided for an entire academic term during which the child begins as a full-time student and remains enrolled, regardless of whether the number of hours of instruction for which the child is enrolled is reduced to a level that changes the child’s academic status to less than that of a full-time student.

For a child who falls into category (B) or (C) above, you will need to furnish Cigna Dental evidence of the child’s reliance upon you, in the form requested, within 31 days after the Dependent reaches the age of 19 and once a year thereafter for as long as the child is claimed as a Dependent under the Plan.

A Newly Acquired Dependent is a dependent child who is adopted, born, or otherwise becomes your dependent after you become covered under the Plan.

Coverage for dependents living outside a Cigna Dental service area is subject to the availability of an approved network where the dependent resides.

The following definition of Domestic partner applies:

A. A person of the same or opposite sex who:
   1. Shares your permanent residence;
   2. Has resided with you for no less than one year;
   3. Is no less than eighteen years of age;

Is financially interdependent with you and has proven such interdependence by providing documentation of at least two of the following arrangements: Common ownership of real property or a common leasehold interest in such property, common ownership of a motor vehicle, a joint bank account or a joint credit account, designation as a beneficiary for life insurance or retirement benefits or under your partner's will, assignment of durable power of attorney or health care power of attorney, or such other proof as is considered by Cigna Dental Health to be sufficient to establish financial interdependency under the circumstances of your particular case;
   5. Is not your blood relative any closer than would be prohibited for a legal marriage; and
   6. Has signed jointly with you a notarized affidavit in form and content satisfactory to Cigna Dental Health which shall be made available to Cigna Dental Health upon request; or
B. A person of the same or opposite sex who has registered jointly with you as Domestic Partners with a governmental entity pursuant to a state or local law authorizing such registration and signed jointly with you a notarized affidavit of such registration which can be made available to Cigna Dental Health upon request.
The above definition applies so long as neither you nor your Domestic Partner hereunder:

A. Has signed a Domestic Partner affidavit or declaration with any other person within twelve months prior to designating each other as Domestic Partners hereunder;
B. Is currently legally married to another person; or
C. Has any other Domestic Partner, spouse or spouse equivalent of the same or opposite sex.

### II. Introduction to Your Cigna Dental Plan

Welcome to the Cigna Dental Plan. We encourage you to use your dental benefits. Please note that enrollment in the Dental Plan allows the release of patient records to Cigna Dental or its designee for health plan operation purposes.

### III. Eligibility/When Coverage Begins

To enroll in the Dental Plan, you and your Dependents must be able to seek treatment for Covered Services within a Cigna Dental Service Area. Other eligibility requirements are determined by your Group.

If you enrolled in the Dental Plan before the effective date of your Group Contract, you will be covered on the first day the Group Contract is effective. If you enrolled in the Dental Plan after the effective date of the Group Contract, you will be covered on the first day of the month following processing of your enrollment (unless effective dates other than the first day of the month are provided for in your Group Contract).

Dependents may be enrolled in the Dental Plan at the time you enroll, during an open enrollment, or within 31 days of becoming eligible due to a life status change such as marriage, birth, adoption, placement, or court or administrative order. You may drop coverage for your Dependents only during the open enrollment periods for your Group, unless there is a change in status such as divorce. Cigna Dental may require evidence of good dental health at your expense if you or your Dependents enroll after the first period of eligibility (except during open enrollment) or after disenrollment because of nonpayment of Premiums.

If you have family coverage, a newborn child is automatically covered during the first 31 days of life. If you wish to continue coverage beyond the first 31 days, your baby must be enrolled in the Dental Plan and you must begin paying Premiums, if any additional are due, during that period.

Under the Family and Medical Leave Act of 1993, you may be eligible to continue coverage during certain leaves of absence from work. During such leaves, you will be responsible for paying your Group the portion of the Premiums, if any, which you would have paid if you had not taken the leave. Additional information is available through your Benefits Representative.

### IV. Your Cigna Dental Coverage

The information below outlines your coverage and will help you to better understand your Dental Plan. Included is information about which services are covered, which are not, and how much dental services will cost you. A copy of the Group Contract will be furnished to you upon your request.

#### A. Customer Service

If you have any questions or concerns about the Dental Plan, Customer Service Representatives are just a toll-free phone call away. They can explain your benefits or help with matters regarding your Dental Office or Dental Plan. For assistance with transfers, specialty referrals, eligibility, second opinions, emergencies, Covered Services, plan benefits, ID cards, location of Dental...
Offices, conversion coverage or other matters, call Customer Service from any location at 1.800.Cigna24. The hearing impaired may contact the state TTY toll-free relay service number listed in their local telephone directory.

B. Premiums

Your Group sends a monthly fee to Cigna Dental for customers participating in the Dental Plan. The amount and term of this fee is set forth in your Group Contract. You may contact your Benefits Representative for information regarding any part of this fee to be withheld from your salary or to be paid by you to the Group.

C. Other Charges – Patient Charges

Network General Dentists are typically reimbursed by Cigna Dental through fixed monthly payments and supplemental payments for certain procedures. No bonuses or financial incentives are used as an inducement to limit services. Network Dentists are also compensated by the fees which you pay, as set out in your Patient Charge Schedule.

Your Patient Charge Schedule lists the dental procedures covered under your Dental Plan. Some dental procedures are covered at no charge to you. For other Covered Services, the Patient Charge Schedule lists the fees you must pay when you visit your Dental Office. There are no deductibles and no annual dollar limits for services covered by your Dental Plan.

Your Network General Dentist should tell you about Patient Charges for Covered Services, the amount you must pay for non-Covered Services and the Dental Office’s payment policies. Timely payment is important. It is possible that the Dental Office may add late charges to overdue balances.

Your Patient Charge Schedule is subject to annual change in accordance with your Group Contract. Cigna Dental will give written notice to your Group of any change in Patient Charges at least 60 days prior to such change. You will be responsible for the Patient Charges listed on the Patient Charge Schedule that is in effect on the date a procedure is started.

D. Choice of Dentist

You and your Dependents should have selected a Dental Office when you enrolled in the Dental Plan. If you did not, you must advise Cigna Dental of your Dental Office selection prior to receiving treatment. The benefits of the Dental Plan are available only at your Dental Office, except in the case of an emergency or when Cigna Dental otherwise authorizes payment for out-of-network benefits.

You may select a network Pediatric Dentist as the Network General Dentist for your dependent child under age 7 by calling Customer Service at 1.800.Cigna24 to get a list of network Pediatric Dentists in your Service Area or if your Network General Dentist sends your child under the age of 7 to a network Pediatric Dentist, the network Pediatric Dentist’s office will have primary responsibility for your child’s care. For children 7 years and older, your Network General Dentist will provide care. If your child continues to visit the Pediatric Dentist upon the age of 7, you will be fully responsible for the Pediatric Dentist’s Usual Fees. Exceptions for medical reasons may be considered on a case-by-case basis.

If for any reason your selected Dental Office cannot provide your dental care, or if your Network General Dentist terminates from the network, Cigna Dental will let you know and will arrange a transfer to another Dental Office. Refer to the Section titled “Office Transfers” if you wish to change your Dental Office.

To obtain a list of Dental Offices near you, visit our website at myCigna.com, or call the Dental Office Locator at 1.800.Cigna24. It is available 24 hours a day, 7 days per week. If you would like to have the list faxed to you, enter your fax number, including your area code. You may always obtain a current Dental Office Directory by calling Customer Service.

E. Your Payment Responsibility (General Care)

For Covered Services at your Dental Office, you will be charged the fees listed on your Patient Charge Schedule. For services listed on your Patient Charge Schedule at any other dental office, you may be charged Usual Fees. For non-covered services, you are responsible for paying Usual Fees.

If, on a temporary basis, there is no Network General Dentist in your Service Area, Cigna Dental will let you know and you may obtain Covered Services from a non-network dentist. You will pay the non-network dentist the applicable Patient Charge for Covered Services. Cigna Dental will pay the non-network dentist the difference, if any, between his or her Usual Fee and the applicable Patient Charge.

See Section IX., Specialty Referrals, regarding payment responsibility for specialty care.

All contracts between Cigna Dental and Network Dentists state that you will not be liable to the Network Dentist for any sums owed to the Network Dentist by Cigna Dental.

F. Emergency Dental Care - Reimbursement

An emergency is a dental condition of recent onset and severity which would lead a prudent layperson possessing an average knowledge of dentistry to believe the condition needs immediate dental procedures necessary to control excessive bleeding, relieve severe pain, or eliminate acute infection. You should contact your
Network General Dentist if you have an emergency in your Service Area.

1. **Emergency Care Away from Home**

   If you have an emergency while you are out of your Service Area or you are unable to contact your Network General Dentist, you may receive emergency Covered Services as defined above from any general dentist. Routine restorative procedures or definitive treatment (e.g. root canal) are not considered emergency care. You should return to your Network General Dentist for these procedures. For emergency Covered Services, you will be responsible for the Patient Charges listed on your Patient Charge Schedule. Cigna Dental will reimburse you the difference, if any, between the dentist’s Usual Fee for emergency Covered Services and your Patient Charge, up to a total of $50 per incident. To receive reimbursement, send appropriate reports and x-rays to Cigna Dental at the address listed for your state on the front of this booklet.

2. **Emergency Care After Hours**

   There is a Patient Charge listed on your Patient Charge Schedule for emergency care rendered after regularly scheduled office hours. This charge will be in addition to other applicable Patient Charges.

G. **Limitations on Covered Services**

Listed below are limitations on services when covered by your Dental Plan:

- **Frequency** - The frequency of certain Covered Services, like cleanings, is limited. Your Patient Charge Schedule lists any limitations on frequency.

- **Pediatric Dentistry** - Coverage for treatment by a Pediatric Dentist ends on your child’s 7th birthday. Effective on your child’s 7th birthday, dental services must be obtained from a Network General Dentist however; exceptions for medical reasons may be considered on an individual basis.

- **Oral Surgery** - The surgical removal of an impacted wisdom tooth may not be covered if the tooth is not diseased or if the removal is only for orthodontic reasons. Your Patient Charge Schedule lists any limitations on oral surgery.

- **Periodontal (gum tissue and supporting bone) Services** – Periodontal regenerative procedures are limited to one regenerative procedure per site (or per tooth, if applicable), when covered on the Patient Charge Schedule. Localized delivery of antimicrobial agents is limited to eight teeth (or eight sites, if applicable) per 12 consecutive months, when covered on the Patient Charge Schedule.

- **Clinical Oral Evaluations** – When this limitation is noted on the Patient Charge Schedule, periodic oral evaluations, comprehensive oral evaluations, comprehensive periodontal evaluations, and oral evaluations for patients under 3 years of age, are limited to a combined total of four evaluations during a 12 consecutive month period.

- **Surgical Placement of Implant Services** – When covered on the Patient Charge Schedule, surgical placement of a dental implant; repair, maintenance, or removal of a dental implant; implant abutment(s); or any services related to the surgical placement of a dental implant are limited to one per year with replacement of a surgical implant frequency limitation of one every 10 years.

- **Prosthesis Over Implant** - When covered on the Patient Charge Schedule, a prosthetic device, supported by an implant or implant abutment is considered a separate distinct service(s) from surgical placement of an implant. Replacement of any type of prosthesis with a prosthesis supported by an implant or implant abutment is only covered if the existing prosthesis is at least 5 calendar years old, is not serviceable and cannot be repaired.

**General Limitations Dental Benefits**

No payment will be made for expenses incurred or services received:

- For or in connection with an injury arising out of, or in the course of, any employment for wage or profit.

- For charges which would not have been made in any facility, other than a Hospital or a Correctional Institution owned or operated by the United States Government or by a state or municipal government if the person had no insurance.

There is no coverage for general anesthesia or intravenous sedation when used for the purposes of anxiety control or patient management.

Kentucky and North Carolina residents: Services compensated under no-fault auto insurance policies or uninsured motorist policies are not excluded. • Localized delivery of antimicrobial agents when performed alone or in the absence of traditional periodontal therapy.

Cigna Dental considers recementation within this timeframe to be incidental to and part of the charges for the initial restoration unless specifically listed on your Patient Charge Schedule.

• The replacement of an occlusal guard (night guard) beyond one per any 24-consecutive month period, when this limitation is noted on the Patient Charge Schedule.
• Crowns, bridges and/or implant supported prosthesis used solely for splinting.
• Resin bonded retainers and associated pontics.

Preexisting conditions are not excluded if the procedures involved are otherwise covered under your Patient Charge Schedule.

Should any law require coverage for any particular service(s) noted above, the exclusion or limitation for that service(s) shall not apply.

V. Appointments
To make an appointment with your Network Dentist, call the Dental Office that you have selected. When you call, your Dental Office will ask for your identification number and will check your eligibility.

VI. Broken Appointments
The time your Network Dentist schedules for your appointment is valuable to you and the dentist. Broken appointments make it difficult for your Dental Office to schedule time with other patients.

If you or your enrolled Dependent breaks an appointment with less than 24 hours notice to the Dental Office, you may be charged a broken appointment fee.

VII. Office Transfers
If you decide to change Dental Offices, we can arrange a transfer. You should complete any dental procedure in progress before transferring to another Dental Office. To arrange a transfer, call Customer Service at 1.800.Cigna24. To obtain a list of Dental Offices near you, visit our website at myCigna.com or call the Dental Office Locator at 1.800.Cigna24. Your transfer request will take about five days to process. Transfers will be effective the first day of the month after the processing of your request. Unless you have an emergency, you will be unable to schedule an appointment at the new Dental Office until your transfer becomes effective.

There is no charge to you for the transfer; however, all Patient Charges which you owe to your current Dental Office must be paid before the transfer can be processed.

VIII. Specialty Care
Your Network General Dentist at your Dental Office has primary responsibility for your professional dental care. Because you may need specialty care, the Cigna Dental Network includes the following types of specialty dentists:
• Pediatric Dentists - Children’s dentistry.
• Endodontists - Root canal treatment.
• Periodontists - Treatment of gums and bone.
• Oral Surgeons - Complex gums and bone.
• Orthodontists - Tooth movement.

There is no coverage for referrals to prosthodontists or other specialty dentists not listed above.

When specialty care is needed, your Network General Dentist must start the referral process. X-rays taken by your Network General Dentist should be sent to the Network Specialty Dentist.

See Section IV.D., Choice of Dentist, regarding treatment by a Pediatric Dentist.

IX. Specialty Referrals
A. In General
Upon referral from a Network General Dentist, your Network Specialty Dentist will submit a specialty care treatment plan to Cigna Dental for payment authorization, except for Pediatrics, Orthodontics and Endodontics, for which prior authorization is not required. You should
verify with the Network Specialty Dentist that your treatment plan has been authorized for payment by Cigna Dental before treatment begins.

When Cigna Dental authorizes payment to the Network Specialty Dentist, the fees or no-charge services listed on the Patient Charge Schedule in effect on the date each procedure is started will apply, except as set out in Section IX.B., Orthodontics. Treatment by the Network Specialty Dentist must begin within 90 days from the date of Cigna Dental’s authorization. If you are unable to obtain treatment within the 90 day period, please call Customer Service to request an extension. Your coverage must be in effect when each procedure begins.

For non-covered services or if Cigna Dental does not authorize payment to the Network Specialty Dentist for Covered Services, including Adverse Determinations, you must pay the Network Specialty Dentist’s Usual Fee. If you have a question or concern regarding an authorization or a denial, contact Customer Service.

After the Network Specialty Dentist has completed treatment, you should return to your Network General Dentist for cleanings, regular checkups and other treatment. If you visit a Network Specialty Dentist without a referral or if you continue to see a Network Specialty Dentist after you have completed specialty care, it will be your responsibility to pay for treatment at the dentist’s Usual Fees.

When your Network General Dentist determines that you need specialty care and a Network Specialty Dentist is not available, as determined by Cigna Dental, Cigna Dental will authorize a referral to a non-network specialty dentist. The referral procedures applicable to specialty care will apply. In such cases, you will be responsible for the applicable Patient Charge for Covered Services. Cigna Dental will reimburse the non-network dentist the difference, if any, between his or her Usual Fee and the applicable Patient Charge. For non-covered services or services not authorized for payment, including Adverse Determinations, you must pay the dentist’s Usual Fee.

B. Orthodontics (This section is applicable only when orthodontics is listed on your Patient Charge Schedule.)

1. Definitions - If your Patient Charge Schedule indicates coverage for orthodontic treatment, the following definitions apply:
   a. Orthodontic Treatment Plan and Records - the preparation of orthodontic records and a treatment plan by the orthodontist.
   b. Interceptive Orthodontic Treatment - treatment prior to full eruption of the permanent teeth, frequently a first phase preceding comprehensive treatment.

   c. Comprehensive Orthodontic Treatment - treatment after the eruption of most permanent teeth, generally the final phase of treatment before retention.
   d. Retention (Post Treatment Stabilization) - the period following orthodontic treatment during which you may wear an appliance to maintain and stabilize the new position of the teeth.

2. Patient Charges

   The Patient Charge for your entire orthodontic case, including retention, will be based upon the Patient Charge Schedule in effect on the date of your visit for Treatment Plan and Records. However, if a. banding/appliance insertion does not occur within 90 days of such visit, b. your treatment plan changes, or c. there is an interruption in your coverage or treatment, a later change in the Patient Charge Schedule may apply.

   The Patient Charge for orthodontic treatment is based upon 24 months of interceptive and/or comprehensive treatment. If you require more than 24 months of treatment in total, you will be charged an additional amount for each additional month of treatment, based upon the Orthodontist’s Contract Fee. If you require less than 24 months of treatment, your Patient Charge will be reduced on a prorated basis.

3. Additional Charges

   You will be responsible for the Orthodontist’s Usual Fees for the following non-covered services:
   a. Incremental costs associated with optional/elective materials, including but not limited to ceramic, clear, lingual brackets, or other cosmetic appliances;
   b. Orthognathic surgery and associated incremental costs;
   c. Appliances to guide minor tooth movement;
   d. Appliances to correct harmful habits; and
   e. Services which are not typically included in Orthodontic Treatment. These services will be identified on a case-by-case basis.

4. Orthodontics in Progress

   If Orthodontic Treatment is in progress for you or your Dependent at the time you enroll, the fee listed on the Patient Charge Schedule is not applicable. Please call Customer Service at 1.800.Cigna24 to find out if you are entitled to any benefit under the Dental Plan.
X. Complex Rehabilitation/Multiple Crown Units

Complex rehabilitation is extensive dental restoration involving six or more “units” of crown, bridge and/or implant supported prosthesis (including crowns and bridges) in the same treatment plan. Using full crowns (caps), fixed bridges and/or implant supported prosthesis (including crowns and bridges) which are cemented in place, your Network General Dentist will rebuild natural teeth, fill in spaces where teeth are missing and establish conditions which allow each tooth to function in harmony with the occlusion (bite). The extensive procedures involved in complex rehabilitation require an extraordinary amount of time, effort, skill and laboratory collaboration for a successful outcome.

Complex rehabilitation will be covered when performed by your Network General Dentist after consultation with you about diagnosis, treatment plan and charges. Each tooth or tooth replacement included in the treatment plan is referred to as a “unit” on your Patient Charge Schedule. The crown, bridge and/or implant supported prosthesis (including crowns and bridges) charges on your Patient Charge Schedule are for each unit of crown or bridge. You pay the per unit charge for each unit of crown, bridge and/or implant supported prosthesis (including crowns and bridges) PLUS an additional charge for each unit when six or more units are prescribed in your Network General Dentist’s treatment plan.

Note: Complex rehabilitation only applies for implant supported prosthesis, when implant supported prosthesis are specifically listed on your Patient Charge Schedule.

XI. What to Do if There Is a Problem

For the purposes of this section, any reference to “you” or “your” also refers to a representative or dentist designated by you to act on your behalf. Time frames or requirements may vary depending on the laws in your State. Consult your State Rider for further details.

Most problems can be resolved between you and your dentist. However, we want you to be completely satisfied with the Dental Plan. That is why we have established a process for addressing your concerns and complaints. The complaint procedure is voluntary and will be used only upon your request.

A. Start with Customer Service

We are here to listen and to help. If you have a concern about your Dental Office or the Dental Plan, you can call 1.800.Cigna24 toll-free and explain your concern to one of our Customer Service Representatives. You can also express that concern in writing to Cigna Dental, P.O. Box 188047, Chattanooga, TN 37422-8047. We will do our best to resolve the matter during your initial contact. If we need more time to review or investigate your concern, we will get back to you as soon as possible, usually by the end of the next business day, but in any case within 30 days.

If you are not satisfied with the results of a coverage decision, you may start the appeals procedure.

B. Appeals Procedure

Cigna Dental has a two-step appeals procedure for coverage decisions. To initiate an appeal, you must submit a request in writing to Cigna Dental, P.O. Box 188047, Chattanooga, TN 37422-8047, within one year from the date of the initial Cigna Dental decision. You should state the reason you feel your appeal should be approved and include any information to support your appeal. If you are unable or choose not to write, you may ask Customer Service to register your appeal by calling 1.800.Cigna24.

1. Level-One Appeals

Your level-one appeal will be reviewed and the decision made by someone not involved in the initial review. Appeals involving dental necessity or clinical appropriateness will be reviewed by a dental professional.

If your appeal concerns a denied preauthorization, we will respond with a decision within 15 calendar days after we receive your appeal. For appeals concerning all other coverage issues, we will respond with a decision within 30 calendar days after we receive your appeal. If we need more information to make your level-one appeal decision, we will notify you in writing to request an extension of up to 15 calendar days and to specify any additional information needed to complete the review.

You may request that the appeal resolution be expedited if the time frames under the above process would seriously jeopardize your life or health or would jeopardize your ability to regain the dental functionality that existed prior to the onset of your current condition. A dental professional, in consultation with the treating dentist, will decide if an expedited review is necessary. When a review is expedited, Cigna Dental will respond orally with a decision within 72 hours, followed up in writing.

If you are not satisfied with our level-one appeal decision, you may request a level-two appeal.

2. Level-Two Appeals

To initiate a level-two appeal, follow the same process required for a level-one appeal. Your level-two appeal will be reviewed and a decision made by someone not involved in the level-one appeal. For appeals involving dental necessity or clinical...
appropriateness, the decision will be made by a dentist. If specialty care is in dispute, the appeal will be conducted by a dentist in the same or similar specialty as the care under review.

The review will be completed within 30 calendar days. If we need more information to complete the appeal, we will notify you in writing to request an extension of up to 15 calendar days and to specify any additional information needed to complete the review. The decision will include the specific contractual or clinical reasons for the decision, as applicable.

You may request that the appeal resolution be expedited if the time frames under the above process would seriously jeopardize your life or health or would jeopardize your ability to regain the dental functionality that existed prior to the onset of your current condition. A dental professional, in consultation with the treating dentist, will decide if an expedited review is necessary. When a review is expedited, the Dental Plan will respond orally with a decision within 72 hours, followed up in writing.

3. **Independent Review Procedure**
The independent review procedure is a voluntary program arranged by the Dental Plan and is not available in all areas. Consult your State Rider for more details if applicable.

4. **Appeals to the State**
You have the right to contact your State’s Department of Insurance and/or Department of Health for assistance at any time. See your State Rider for further details.

Cigna Dental will not cancel or refuse to renew your coverage because you or your Dependent has filed a complaint or an appeal involving a decision made by Cigna Dental. You have the right to file suit in a court of law for any claim involving the professional treatment performed by a dentist.

**XII. Dual Coverage**
You and your Dependents may not be covered twice under this Dental Plan. If you and your spouse have enrolled each other or the same Dependents twice, please contact your Benefits Administrator.

If you or your Dependents have dental coverage through your spouse’s employer or other sources such as an HMO or similar dental plan, applicable coordination of benefits rules will determine which coverage is primary or secondary. In most cases, the plan covering you as an employee is primary for you, and the plan covering your spouse as an employee is primary for him or her. Your children are generally covered as primary by the plan of the parent whose birthday occurs earlier in the year. Dual coverage should result in lowering or eliminating your out-of-pocket expenses. It should not result in reimbursement for more than 100% of your expenses.

Coordination of benefits rules are attached to the Group Contract and may be reviewed by contacting your Benefits Administrator. Cigna Dental coordinates benefits only for specialty care services.

**XIII. Disenrollment from the Dental Plan - Termination of Benefits**

A. **Time Frames for Disenrollment/Termination**
Except as otherwise provided in the sections titled “Extension/Continuation of Benefits” or in your Group Contract, disenrollment from the Dental Plan and termination of benefits will occur on the last day of the month:

1. In which Premiums are not remitted to Cigna Dental.
2. In which eligibility requirements are no longer met.
3. After 30 days’ notice from Cigna Dental due to permanent breakdown of the dentist-patient relationship as determined by Cigna Dental, after at least two opportunities to transfer to another Dental Office.
4. After 30 days’ notice from Cigna Dental due to fraud or misuse of dental services and/or Dental Offices.
5. After 60 days’ notice by Cigna Dental, due to continued lack of a Dental Office in your Service Area.
6. After voluntary disenrollment.

B. **Effect on Dependents**
When one of your Dependents is disenrolled, you and your other Dependents may continue to be enrolled. When you are disenrolled, your Dependents will be disenrolled as well.

**XIV. Extension of Benefits**
Coverage for completion of a dental procedure (other than orthodontics) which was started before your disenrollment from the Dental Plan will be extended for 90 days after disenrollment unless disenrollment was due to nonpayment of Premiums.

Coverage for orthodontic treatment which was started before disenrollment from the Dental Plan will be extended to the end of the quarter or for 60 days after disenrollment, whichever is
later, unless disenrollment was due to nonpayment of Premiums.

XV. Continuation of Benefits (COBRA)
For Groups with 20 or more employees, federal law requires the employer to offer continuation of benefits coverage for a specified period of time after termination of employment or reduction of work hours, for any reason other than gross misconduct. You will be responsible for sending payment of the required Premiums to the Group. Additional information is available through your Benefits Representative.

XVI. Conversion Coverage
If you are no longer eligible for coverage under your Group’s Dental Plan, you and your enrolled Dependents may continue your dental coverage by enrolling in the Cigna Dental conversion plan. You must enroll within three (3) months after becoming ineligible for your Group’s Dental Plan. Premium payments and coverage will be retroactive to the date coverage under your Group’s Dental Plan ended. You and your enrolled Dependents are eligible for conversion coverage unless benefits were discontinued due to:

- Permanent breakdown of the dentist-patient relationship.
- Fraud or misuse of dental services and/or Dental Offices.
- Nonpayment of Premiums by the Subscriber.
- Selection of alternate dental coverage by your Group.
- Lack of network/Service Area.

Benefits and rates for Cigna Dental conversion coverage and any succeeding renewals will be based on the Covered Services listed in the then-current standard conversion plan and may not be the same as those for your Group’s Dental Plan. Please call the Cigna Dental Conversion Department at 1.800.Cigna24 to obtain current rates and make arrangements for continuing coverage.

XVII. Confidentiality/Privacy
Cigna Dental is committed to maintaining the confidentiality of your personal and sensitive information. Information about Cigna Dental’s confidentiality policies and procedures is made available to you during the enrollment process and/or as part of your customer plan materials. You may obtain additional information about Cigna Dental’s confidentiality policies and procedures by calling Customer Service at 1.800.Cigna24, or via the Internet at myCigna.com.

XVIII. Miscellaneous
As a Cigna Dental plan customer, you may be eligible for various discounts, benefits, or other consideration for the purpose of promoting your general health and well being. Please visit our website at myCigna.com for details.

As a Cigna Dental plan customer, you may also be eligible for additional dental benefits during certain health conditions. For example, certain frequency limitations for dental services may be relaxed for pregnant women and customers participating in certain disease management programs. B. conform to commonly accepted standards throughout the dental field;
C. not be used primarily for the convenience of the customer or dentist of care; and

II. Introduction To Your Cigna Dental Plan

Welcome to the Cigna Dental Plan. We encourage you to use your dental benefits. Please note that enrollment in the Dental

myCigna.com
Plan allows the release of patient records to Cigna Dental or its designee for health plan operation purposes.

III. Eligibility/When Coverage Begins

To enroll in the Dental Plan, you and your Dependents must be able to seek treatment for Covered Services within a Cigna Dental Service Area. Other eligibility requirements are determined by your Group.

If you enrolled in the Dental Plan before the effective date of your Group Contract, you will be covered on the first day the Group Contract is effective. If you enrolled in the Dental Plan after the effective date of the Group Contract, you will be covered on the first day of the month following processing of your enrollment (unless effective dates other than the first day of the month are provided for in your Group Contract).

Dependents may be enrolled in the Dental Plan at the time you enroll, during an open enrollment, or within 30 days of becoming eligible due to a life status change such as marriage, birth, adoption, placement, or court or administrative order. Dependent children for whom you are required by a court or administrative order to provide dental coverage may be enrolled at any time. You may drop coverage for your Dependents only during the open enrollment periods for your Group, unless there is a change in status such as divorce. If your child is enrolled in the Dental Plan because of a court or administrative order, the child may not be disenrolled unless the order is no longer valid or the child is enrolled in another dental plan with comparable coverage.

If you have family coverage and have a new baby or if you are appointed as guardian or custodian of a foster child who is placed in your home, or an adopted child, the newborn, foster or adopted child will be automatically covered for the first 30 days following birth or placement. Waiting periods do not apply to these categories of Dependents. If you wish to continue coverage beyond the first 30 days, you should enroll the child in the Dental Plan and you need to begin to pay Premiums/Prepayment Fees during the period, if any additional are due, during that period. If additional premium is required you must submit an enrollment form within 30 days of acquiring the new Dependent child. If no additional premium is required, the child will be covered even if not formally enrolled in the plan. However, for ease of administration, you are encouraged to enroll the new Dependent child when coverage begins.

When a child, covered from the moment of birth or placement in the adoptive or foster home, requires dental care associated with congenital defects and anomalies, the dental only plan shall cover such defects to the same extent as otherwise covered dental service is provided by the plan.

A life status change may also include placement for adoption.

Evidence of good dental health is not required for late enrollees. Under the Family and Medical Leave Act of 1993, you may be eligible to continue coverage during certain leaves of absence from work. During such leaves, you will be responsible for paying your Group the portion of the Premiums, if any, which you would have paid if you had not taken the leave. Additional information is available through your Benefits Representative.

IV. Your Cigna Dental Coverage

The information below outlines your coverage and will help you to better understand your Dental Plan. Included is information about which services are covered, which are not, and how much dental services will cost you. A copy of the Group Contract will be furnished to you upon your request.

A. Customer Service

If you have any questions or concerns about the Dental Plan, Customer Service Representatives are just a toll-free phone call away. They can explain your benefits or help with matters regarding your Dental Office or Dental Plan. For assistance with transfers, specialty referrals, eligibility, second opinions, emergencies, Covered Services, plan benefits, ID cards, location of Dental Offices, conversion coverage or other matters, call Customer Service from any location at 1-800-Cigna24. The hearing impaired may contact the state TTY toll-free relay service number listed in their local telephone directory.

B. Premiums

Your Group sends a monthly fee to Cigna Dental for customers participating in the Dental Plan. The amount and term of this fee is set forth in your Group Contract. You may contact your Benefits Representative for information regarding any part of this fee to be withheld from your salary or to be paid by you to the Group.

No schedule of premiums, or any amendment to the schedule, shall be used until it has been filed with and approved by the Commissioner. Premiums are guaranteed for the group for a period of twelve (12) months. However, Premiums may be adjusted by Cigna Dental upon approval by the North Carolina Department of Insurance but no more often than once every 6 months.

UndeR NORTH CAROLINA GENERAL STATUTE SECTION 58-50-40, NO PERSON, EMPLOYER, PRINCIPAL, AGENT, TRUSTEE, OR THIRD PARTY ADMINISTRATOR, WHO IS RESPONSIBLE FOR THE PAYMENT OF GROUP HEALTH OR LIFE

VIOLATION OF THIS LAW IS A FELONY. ANY PERSON VIOLATING THIS LAW IS ALSO SUBJECT TO A COURT ORDER REQUIRING THE PERSON TO COMPENSATE PERSONS INSURED FOR EXPENSES OR LOSSES INCURRED AS A RESULT OF THE TERMINATION OF THE INSURANCE.

C. Other Charges – Patient Charges
Network General Dentists are typically reimbursed by Cigna Dental through fixed monthly payments and supplemental payments for certain procedures. No bonuses or financial incentives are used as an inducement to limit services. Network Dentists are also compensated by the fees which you pay, as set out in your Patient Charge Schedule.

Your Patient Charge Schedule lists the dental procedures covered under your Dental Plan. Some dental procedures are covered at no charge to you. For other Covered Services, the Patient Charge Schedule lists the fees you must pay when you visit your Dental Office. There are no deductibles and no annual dollar limits for services covered by your Dental Plan.

Your Network General Dentist should tell you about Patient Charges for Covered Services, the amount you must pay for non-Covered Services and the Dental Office’s payment policies. Timely payment is important. It is possible that the Dental Office may add late charges to overdue balances.

Your Patient Charge Schedule is subject to annual change in accordance with your Group Contract. Cigna Dental will give written notice to your Group of any change in Patient Charges at least 60 days prior to such change. You will be responsible for the Patient Charges listed on the Patient Charge Schedule that is in effect on the date a procedure is started.

D. Choice of Dentist
You and your Dependents should have selected a Dental Office when you enrolled in the Dental Plan. If you did not, you must advise Cigna Dental of your Dental Office selection prior to receiving treatment. The benefits of the Dental Plan are available only at your Dental Office, except in the case of an emergency or when Cigna Dental otherwise authorizes payment for out-of-network benefits.

You may select a network Pediatric Dentist as the Network General Dentist for your dependent child under age 7 by calling Customer Service at 1-800-Cigna24 to get a list of network Pediatric Dentists in your Service Area or if your Network General Dentist sends your child under the age of 7 to a network Pediatric Dentist, the network Pediatric Dentist’s office will have primary responsibility for your child’s care. For children 7 years and older, your Network General Dentist will provide care. If your child continues to visit the Pediatric Dentist upon the age of 7, you will be fully responsible for the Pediatric Dentist’s Usual Fees. Exceptions for medical reasons may be considered on a case-by-case basis.

If for any reason your selected Dental Office cannot provide your dental care, or if your Network General Dentist terminates from the network, Cigna Dental will let you know and will arrange a transfer to another Dental Office. Refer to the Section titled “Office Transfers” if you wish to change your Dental Office.

To obtain a list of Dental Offices near you, visit our website at myCigna.com or call the Dental Office Locator at 1-800-Cigna24. It is available 24 hours a day, 7 days per week. If you would like to have the list faxed to you, enter your fax number, including your area code. You may always obtain a current Dental Office Directory by calling Customer Service.

E. Your Payment Responsibility (General Care)
For Covered Services at your Dental Office, you will be charged the fees listed on your Patient Charge Schedule. For services listed on your Patient Charge Schedule at any other dental office, you may be charged Usual Fees. For non-Covered Services, you are responsible for paying Usual Fees.
If, on a temporary basis, there is no Network General Dentist in your Service Area, Cigna Dental will let you know and you may obtain Covered Services from a non-Network Dentist. You will pay the non-Network Dentist the applicable Patient Charge for Covered Services. Cigna Dental will pay the non-Network Dentist the difference, if any, between his or her Usual Fee and the applicable Patient Charge.

See Section IX, Specialty Referrals, regarding payment responsibility for specialty care.

All contracts between Cigna Dental and Network Dentists state that you will not be liable to the Network Dentist for any sums owed to the Network Dentist by Cigna Dental.

F. Emergency Dental Care - Reimbursement

An emergency is a dental condition of recent onset and severity which would lead a prudent layperson possessing an average knowledge of dentistry to believe the condition needs immediate dental procedures necessary to control excessive bleeding, relieve severe pain, or eliminate acute infection. You should contact your Network General Dentist if you have an emergency in your Service Area.

1. Emergency Care Away From Home

If you have an emergency while you are out of your Service Area or you are unable to contact your Network General Dentist, you may receive emergency Covered Services as defined above from any general dentist. Routine restorative procedures or definitive treatment (e.g. root canal) are not considered emergency care. You should return to your Network General Dentist for these procedures. For emergency Covered Services, you will be responsible for the Patient Charges listed on your Patient Charge Schedule. Cigna Dental will reimburse you the difference, if any, between the dentist’s Usual Fee for emergency Covered Services and your Patient Charge, up to a total of $50 per incident. To receive reimbursement, send appropriate reports and x-rays to Cigna Dental at the address listed for your state on the front of this booklet.

2. Emergency Care After Hours

There is a Patient Charge listed on your Patient Charge Schedule for emergency care rendered after regularly scheduled office hours. This charge will be in addition to other applicable Patient Charges.

G. Limitations on Covered Services

Listed below are limitations on services when covered by your Dental Plan:

- **Frequency** - The frequency of certain Covered Services, like cleanings, is limited. Your Patient Charge Schedule lists any limitations on frequency.
- **Pediatric Dentistry** - Coverage for treatment by a Pediatric Dentist ends on your child’s 7th birthday. Effective on your child’s 7th birthday, dental services must be obtained from a Network General Dentist; however, exceptions for medical reasons may be considered on an individual basis.
- **Oral Surgery** - The surgical removal of an impacted wisdom tooth may not be covered if the tooth is not diseased or if the removal is only for orthodontic reasons. Your Patient Charge Schedule lists any limitations on oral surgery.
- **Periodontal (gum tissue and supporting bone) Services** – Periodontal regenerative procedures are limited to one regenerative procedure per site (or per tooth, if applicable), when covered on the Patient Charge Schedule.

Localized delivery of antimicrobial agents is limited to eight teeth (or eight sites, if applicable) per 12 consecutive months, when covered on the Patient Charge Schedule.

- **Clinical Oral Evaluations** – When this limitation is noted on the Patient Charge Schedule, periodic oral evaluations, comprehensive oral evaluations, comprehensive periodontal evaluations, and oral evaluations for patients under 3 years of age are limited to a combined total of 4 evaluations during a 12 consecutive month period.
- **Surgical Placement of Implant Services** – When covered on the Patient Charge Schedule, surgical placement of a dental implant; repair, maintenance, or removal of a dental implant; implant abutment(s); or any services related to the surgical placement of a dental implant are limited to one per year with replacement of a surgical implant frequency limitation of one every 10 years.
- **Prosthesis Over Implant** – When covered on the Patient Charge Schedule, a prosthetic device, supported by an implant or implant abutment is considered a separate distinct service(s) from surgical placement of an implant. Replacement of any type of prosthesis with a prosthesis supported by an implant or implant abutment is only covered if the existing prosthesis is at least 5 calendar years old, is not serviceable and cannot be repaired.
General Limitations Dental Benefits

No payment will be made for expenses incurred or services received:

- for or in connection with an injury arising out of, or in the course of, any employment for wage or profit;
- for charges which would not have been made in any facility, other than a Hospital or a Correctional Institution owned or operated by the United States Government or by a state or municipal government if the person had no insurance;
- to the extent that payment is unlawful where the person resides when the expenses are incurred or the services are received;
- for the charges which the person is not legally required to pay;
- for charges which would not have been made if the person had no insurance;
- due to injuries which are intentionally self-inflicted.

Exclusions and limitations do not apply to services performed to correct congenital defects, including cosmetic surgery.

- general anesthesia, sedation and nitrous oxide, unless specifically listed on your Patient Charge Schedule. - the completion of crowns, bridges, dentures, or root canal treatment already in progress on the effective date of your Cigna Dental coverage.

- localized delivery of antimicrobial agents when performed alone or in the absence of traditional periodontal therapy.

- any localized delivery of antimicrobial agent procedures when more than eight (8) of these procedures are reported on the same date of service.

- infection control and/or sterilization. Cigna Dental considers this to be incidental to and part of the charges for services provided and not separately chargeable.

- the recementation of any inlay, onlay, crown, post and core, or fixed bridge within 180 days of initial placement. Cigna Dental considers recementation within this timeframe to be incidental to and part of the charges for the initial restoration.

- the recementation of any implant supported prosthesis (including crowns, bridges and dentures) within 180 days of initial placement. Cigna Dental considers recementation within this timeframe to be incidental to and part of the charges for the initial restoration unless specifically listed on your Patient Charge Schedule.

- crowns, bridges and/or implant supported prosthesis used solely for splinting.

- resin bonded retainers and associated pontics.

Exclusions and limitations do not apply to services performed to correct congenital defects, including cosmetic surgery.

Pre-existing conditions are not excluded if the procedures involved are otherwise covered under your Patient Charge Schedule.

Should any law require coverage for any particular service(s) noted above, the exclusion or limitation for that service(s) shall not apply.

V. Appointments

To make an appointment with your Network Dentist, call the Dental Office that you have selected. When you call, your Dental Office will ask for your identification number and will check your eligibility.

VI. Broken Appointments

The time your Network Dentist schedules for your appointment is valuable to you and the dentist. Broken appointments make it difficult for your Dental Office to schedule time with other patients.

If you or your enrolled Dependent breaks an appointment with less than 24 hours notice to the Dental Office, you may be charged a broken appointment fee.

VII. Office Transfers

If you decide to change Dental Offices, we can arrange a transfer. You should complete any dental procedure in progress before transferring to another Dental Office. To arrange a transfer, call Customer Service at 1-800-Cigna24. To obtain a list of Dental Offices near you, visit our website at myCigna.com, or call the Dental Office Locator at 1-800-Cigna24.

Your transfer request will take about 5 days to process. Transfers will be effective the first day of the month after the processing of your request. Unless you have an emergency, you will be unable to schedule an appointment at the new Dental Office until your transfer becomes effective.

There is no charge to you for the transfer; however, all Patient Charges which you owe to your current Dental Office must be paid before the transfer can be processed.

VIII. Specialty Care

Your Network General Dentist at your Dental Office has primary responsibility for your professional dental care. Because you may need specialty care, the Cigna Dental Network includes the following types of specialty dentists:

- Pediatric Dentists – children’s dentistry.
- Periodontists – treatment of gums and bone.
- Oral Surgeons – complex extractions and other surgical procedures.
• Orthodontists – tooth movement.
There is no coverage for referrals to prosthodontists or other specialty dentists not listed above.

When specialty care is needed, your Network General Dentist must start the referral process. X-rays taken by your Network General Dentist should be sent to the Network Specialty Dentist.

See Section IV.D, Choice of Dentist, regarding treatment by a Pediatric Dentist.

IX. Specialty Referrals
A. In General
Upon referral from a Network General Dentist, your Network Specialty Dentist will submit a specialty care treatment plan to Cigna Dental for payment authorization, except for Pediatrics, Orthodontics and Endodontics, for which prior authorization is not required. You should verify with the Network Specialty Dentist that your treatment plan has been authorized for payment by Cigna Dental before treatment begins.

When Cigna Dental authorizes payment to the Network Specialty Dentist, the fees or no-charge services listed on the Patient Charge Schedule in effect on the date each procedure is started will apply, except as set out in Section IX.B., Orthodontics. Treatment by the Network Specialty Dentist must begin within 90 days from the date of Cigna Dental’s authorization. If you are unable to obtain treatment within the 90 day period, please call Customer Service to request an extension. Your coverage may be in effect when each procedure begins.

For non-Covered Services or if Cigna Dental does not authorize payment to the Network Specialty Dentist for Covered Services, including Adverse Determinations, you must pay the Network Specialty Dentist’s Usual Fee. If you have a question or concern regarding an authorization or a denial, contact Customer Service.

After the Network Specialty Dentist has completed treatment, you should return to your Network General Dentist for cleanings, regular checkups and other treatment. If you visit a Network Specialty Dentist without a referral or if you continue to see a Network Specialty Dentist after you have completed specialty care, it will be your responsibility to pay for treatment at the dentist’s Usual Fees.

When your Network General Dentist determines that you need specialty care and a Network Specialty Dentist is not available, as determined by Cigna Dental, Cigna Dental will authorize a referral to a non-Network Specialty Dentist. The referral procedures applicable to specialty care will apply. In such cases, you will be responsible for the applicable Patient Charge for Covered Services. Cigna Dental will reimburse the non-Network Dentist the difference, if any, between his or her Usual Fee and the applicable Patient Charge. For non-Covered Services or services not authorized for payment, including Adverse Determinations, you must pay the dentist’s Usual Fee.

B. Orthodontics (This section is applicable only when Orthodontics is listed on your Patient Charge Schedule.)
1. Definitions – If your Patient Charge Schedule indicates coverage for orthodontic treatment, the following definitions apply:
   a. **Orthodontic Treatment Plan and Records** – the preparation of orthodontic records and a treatment plan by the Orthodontist.
   b. **Interceptive Orthodontic Treatment** – treatment prior to full eruption of the permanent teeth, frequently a first phase preceding comprehensive treatment.
   c. **Comprehensive Orthodontic Treatment** – treatment after the eruption of most permanent teeth, generally the final phase of treatment before retention.
   d. **Retention (Post Treatment Stabilization)** – the period following orthodontic treatment during which you may wear an appliance to maintain and stabilize the new position of the teeth.

2. Patient Charges
The Patient Charge for your entire orthodontic case, including retention, will be based upon the Patient Charge Schedule in effect on the date of your visit for Treatment Plan and Records. However, if a. banding/appliance insertion does not occur within 90 days of such visit, b. your treatment plan changes, or c. there is an interruption in your coverage or treatment, a later change in the Patient Charge Schedule may apply.

The Patient Charge for Orthodontic Treatment is based upon 24 months of interceptive and/or comprehensive treatment. If you require more than 24 months of treatment in total, you will be charged an additional amount for each additional month of treatment, based upon the Orthodontist’s Contract Fee. If you require less than 24 months of treatment, your Patient Charge will be reduced on a pro-rated basis.

3. Additional Charges
You will be responsible for the Orthodontist’s Usual Fees for the following non-Covered Services:
   a. incremental costs associated with optional/elective materials, including but not
X. Complex Rehabilitation/Multiple Crown Units

Complex rehabilitation is extensive dental restoration involving 6 or more “units” of crown, bridge and/or implant supported prosthesis (including crowns and bridges) in the same treatment plan. Using full crowns (caps), fixed bridges and/or implant supported prosthesis (including crowns and bridges) which are cemented in place, your Network General Dentist will rebuild natural teeth, fill in spaces where teeth are missing and establish conditions which allow each tooth to function in harmony with the occlusion (bite). The extensive procedures involved in complex rehabilitation require an extraordinary amount of time, effort, skill and laboratory collaboration for a successful outcome.

Complex rehabilitation will be covered when performed by your Network General Dentist after consultation with you about diagnosis, treatment plan and charges. Each tooth or tooth replacement included in the treatment plan is referred to as a “unit” on your Patient Charge Schedule. The crown, bridge and/or implant supported prosthesis (including crowns and bridges) charges on your Patient Charge Schedule are for each unit of crown or bridge. You pay the per unit charge for each unit of crown, bridge and/or implant supported prosthesis (including crowns and bridges) PLUS an additional charge for each unit when 6 or more units are prescribed in your Network General Dentist’s treatment plan.

Note: Complex rehabilitation only applies for implant supported prosthesis, when implant supported prosthesis are specifically listed on your Patient Charge Schedule.

XI. What To Do If There Is A Problem

For the purposes of this section, any reference to “you” or “your” also refers to a representative or dentist designated by you to act on your behalf. Time frames or requirements may vary depending on the laws in your State. Consult your State Rider for further details.

Most problems can be resolved between you and your dentist. However, we want you to be completely satisfied with the Dental Plan. That is why we have established a process for addressing your concerns and complaints. The complaint procedure is voluntary and will be used only upon your request.

A. Start with Customer Service

We are here to listen and to help. If you have a concern about your Dental Office or the Dental Plan, you can call 1-800-Cigna24 toll-free and explain your concern to one of our Customer Service Representatives. You can also express that concern in writing to Cigna Dental, P.O. Box 188047, Chattanooga, TN 37422-8047. We will do our best to resolve the matter during your initial contact. If we need more time to review or investigate your concern, we will get back to you as soon as possible, usually by the end of the next business day, but in any case within 30 days.

If you are not satisfied with the results of a coverage decision, you may start the appeals procedure.

B. Appeals Procedure

Cigna Dental has a two-step appeals procedure for coverage decisions. To initiate an appeal, you must submit a request in writing to Cigna Dental, P.O. Box 188047, Chattanooga, TN 37422-8047, within 1 year from the date of the initial Cigna Dental decision. You should state the reason you feel your appeal should be approved and include any information to support your appeal. If you are unable or choose not to write, you may ask Customer Service to register your appeal by calling 1-800-Cigna24.

1. Level-One Appeals

Your level-one appeal will be reviewed and the decision made by someone not involved in the initial review. Appeals involving dental necessity or clinical appropriateness will be reviewed by a dental professional.

If your appeal concerns a denied pre-authorization, we will respond with a decision within 15 calendar days after we receive your appeal. For appeals concerning all other coverage issues, we will respond with a decision within 30 calendar days after we receive your appeal. If we need more information to make your level-one appeal decision, we will notify you in writing to request an extension of up to 15
calendar days and to specify any additional information needed to complete the review. You may request that the appeal resolution be expedited if the time frames under the above process would seriously jeopardize your life or health or would jeopardize your ability to regain the dental functionality that existed prior to the onset of your current condition. A dental professional, in consultation with the treating dentist, will decide if an expedited review is necessary. When a review is expedited, Cigna Dental will respond orally with a decision within 72 hours, followed up in writing. If you are not satisfied with our level-one appeal decision, you may request a level-two appeal.

2. Level-Two Appeals

To initiate a level-two appeal, follow the same process required for a level-one appeal. Your level-two appeal will be reviewed and a decision made by someone not involved in the level-one appeal. For appeals involving dental necessity or clinical appropriateness, the decision will be made by a dentist. If specialty care is in dispute, the appeal will be conducted by a dentist in the same or similar specialty as the care under review.

The review will be completed within 30 calendar days. If we need more information to complete the appeal, we will notify you in writing to request an extension of up to 15 calendar days and to specify any additional information needed to complete the review. You will be notified in writing of the decision no later than 30 days after the date the appeal is made. The decision will include the specific contractual or clinical reasons for the decision, as applicable.

You may request that the appeal resolution be expedited if the time frames under the above process would seriously jeopardize your life or health or would jeopardize your ability to regain the dental functionality that existed prior to the onset of your current condition. A dental professional, in consultation with the treating dentist, will decide if an expedited review is necessary. When a review is expedited, the Dental Plan will respond orally with a decision within 72 hours, followed up in writing.

3. Appeals to the State

You have the right to contact your State’s Department of Insurance and/or Department of Health for assistance at any time.

Cigna Dental will not cancel or refuse to renew your coverage because you or your Dependent has filed a complaint or an appeal involving a decision made by Cigna Dental. You have the right to file suit in a court of law for any claim involving the professional treatment performed by a dentist.

XII. Dual Coverage

You and your Dependents may not be covered twice under this Dental Plan. If you and your spouse have enrolled each other or the same Dependents twice, please contact your Benefit Administrator.

If you or your Dependents have dental coverage through your spouse’s employer or other sources such as an HMO or similar dental plan, applicable coordination of benefit rules will determine which coverage is primary or secondary. In most cases, the plan covering you as an employee is primary for you, and the plan covering your spouse as an employee is primary for him or her. Your children are generally covered as primary by the plan of the parent whose birthday occurs earlier in the year. Dual coverage should result in lowering or eliminating your out-of-pocket expenses. It should not result in reimbursement for more than 100% of your expenses.

Coordination of benefit rules are attached to the Group Contract and may be reviewed by contacting your Benefit Administrator. Cigna Dental coordinates benefits only for specialty care services.

XIII. Disenrollment From the Dental Plan – Termination of Benefits

A. Time Frames for Disenrollment/Termination

Except as otherwise provided in the sections titled “Extension/Continuation of Benefits” or in your Group Contract, disenrollment from the Dental Plan and termination of benefits will occur on the last day of the month:

1. in which Premiums are not remitted to Cigna Dental.
2. in which eligibility requirements are no longer met.
3. after 30 days notice from Cigna Dental due to permanent breakdown of the dentist-patient relationship as determined by Cigna Dental, after at least two opportunities to transfer to another Dental Office.
4. after 30 days notice from Cigna Dental due to fraud or misuse of dental services and/or Dental Offices.
5. after voluntary disenrollment.

B. Effect on Dependents

When one of your Dependents is disenrolled, you and your other Dependents may continue to be enrolled. When you are disenrolled, your Dependents will be disenrolled as well.
XIV. Extension of Benefits

Coverage for completion of a dental procedure (other than orthodontics) which was started before your disenrollment from the Dental Plan will be extended for 90 days after disenrollment unless disenrollment was due to nonpayment of Premiums.

Coverage for orthodontic treatment which was started before disenrollment from the Dental Plan will be extended to the end of the quarter or for 60 days after disenrollment, whichever is later, unless disenrollment was due to nonpayment of Premiums.

XV. Continuation of Benefits (COBRA)

For Groups with 20 or more employees, federal law requires the employer to offer continuation of benefits coverage for a specified period of time after termination of employment or reduction of work hours, for any reason other than gross misconduct. You will be responsible for sending payment of the required Premiums to the Group. Additional information is available through your Benefits Representative.

XVI. Conversion Coverage

If you are no longer eligible for coverage under your Group’s Dental Plan, you and your enrolled Dependents may continue your dental coverage by enrolling in the Cigna Dental conversion plan. You must enroll within three (3) months after becoming ineligible for your Group’s Dental Plan. Premium payments and coverage will be retroactive to the date coverage under your Group’s Dental Plan ended. You and your enrolled Dependents are eligible for conversion coverage unless benefits were discontinued due to:

- Permanent breakdown of the dentist-patient relationship,
- Fraud or misuse of dental services and/or Dental Offices,
- Nonpayment of Premiums by the Subscriber,
- Selection of alternate dental coverage by your Group, or
- Lack of network/Service Area.

Benefits and rates for Cigna Dental conversion coverage and any succeeding renewals will be based on the Covered Services listed in the then-current standard conversion plan and may not be the same as those for your Group’s Dental Plan. Please call the Cigna Dental Conversion Department at 1-800-Cigna24 to obtain current rates and make arrangements for continuing coverage.

XVII. Confidentiality/Privacy

Cigna Dental is committed to maintaining the confidentiality of your personal and sensitive information. Information about Cigna Dental’s confidentiality policies and procedures is made available to you during the enrollment process and/or as part of your customer plan materials. You may obtain additional information about Cigna Dental’s confidentiality policies and procedures by calling Customer Service at 1-800-Cigna24, or via the Internet at myCigna.com.

XVIII. Miscellaneous

A. Healthy Rewards

From time to time, Cigna Dental Health may offer or provide certain persons who enroll in the Cigna Dental plan access to certain discounts, benefits or other consideration for the purpose of promoting general health and well being. Discounts arranged by our Cigna HealthCare affiliates may be offered in areas such as acupuncture, cosmetic dentistry, fitness club memberships, hearing care and hearing instruments, laser vision correction, vitamins and herbal supplements, and non-prescription health and wellness products. In addition, our Cigna HealthCare affiliates may arrange for third party service providers, such as chiropractors, massage therapists and optometrists, to provide discounted goods and services to those persons who enroll in the Cigna Dental plan. While Cigna HealthCare has arranged these goods, services and/or third party provider discounts, the third party service providers are liable to enrollees for the provision of such goods and/or services. Cigna HealthCare and Cigna Dental Health are not responsible for the provision of such goods and/or services, nor are we liable for the failure of the provision of the same. Further, Cigna HealthCare and Cigna Dental Health are not liable to enrollees for the negligent provision of such goods and/or services by third party service providers.

As a Cigna Dental plan customer, you may also be eligible for additional dental benefits during certain health conditions. For example, certain frequency limitations for dental services may be relaxed for pregnant women and customers participating in certain disease management programs. Please review your plan enrollment materials for details.

B. Incontestability

Under North Carolina law, no misstatements made by a Subscriber in the application for benefits can be used to void coverage after a period of two years from the date of issue.
C. Willful Failure To Pay Group Insurance Premiums

UNDER NORTH CAROLINA GENERAL STATUTE SECTION 58-50-40, NO PERSON, EMPLOYER, PRINCIPAL, AGENT, TRUSTEE, OR THIRD PARTY ADMINISTRATOR, WHO IS RESPONSIBLE FOR THE PAYMENT OF GROUP HEALTH OR LIFE INSURANCE OR GROUP HEALTH PLAN PREMIUMS, SHALL: (1) CAUSE THE CANCELLATION OR NONRENEWAL OF GROUP HEALTH OR LIFE INSURANCE, HOSPITAL, MEDICAL, OR DENTAL SERVICE CORPORATION PLAN, MULTIPLE EMPLOYER WELFARE ARRANGEMENT, OR GROUP HEALTH PLAN COVERAGES AND THE CONSEQUENTIAL LOSS OF THE COVERAGES OF THE PERSONS INSURED, BY WILLFULLY FAILING TO PAY THOSE PREMIUMS IN ACCORDANCE WITH THE TERMS OF THE INSURANCE OR PLAN CONTRACT, AND (2) WILLFULLY FAIL TO DELIVER, AT LEAST 45 DAYS BEFORE THE TERMINATION OF THOSE COVERAGES, TO ALL PERSONS COVERED BY THE GROUP POLICY A WRITTEN NOTICE OF THE PERSON'S INTENTION TO STOP PAYMENT OF PREMIUMS. THIS WRITTEN NOTICE MUST ALSO CONTAIN A NOTICE TO ALL PERSONS COVERED BY THE GROUP POLICY OF THEIR RIGHTS TO HEALTH INSURANCE CONVERSION POLICIES UNDER ARTICLE 53 OF CHAPTER 58 OF THE GENERAL STATUTES AND THEIR RIGHTS TO PURCHASE INDIVIDUAL POLICIES UNDER THE FEDERAL HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT AND UNDER ARTICLE 68 OF CHAPTER 58 OF THE GENERAL STATUTES. VIOLATION OF THIS LAW IS A FELONY. ANY PERSON VIOLATING THIS LAW IS ALSO SUBJECT TO A COURT ORDER REQUIRING THE PERSON TO COMPENSATE PERSONS INSURED FOR EXPENSES OR LOSSES INCURRED AS A RESULT OF THE TERMINATION OF THE INSURANCE.

D. NC Life & Health Guaranty Association Notice

Notice Concerning Coverage

Life And Health Insurance Guaranty Association Act

Residents of this state who purchase life insurance, annuities or health insurance should know that the insurance companies licensed in this state to write these types of insurance are members of the North Carolina Life and Health Guaranty Association. The purpose of this association is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the guaranty association will assess its other member insurance companies for the money to pay the claims of the insured persons who live in this state and, in some cases, to keep coverage in force. The valuable extra protection provided by these insurers through the guaranty association is not unlimited, however. And, as noted below, this protection is not a substitute for consumers’ care in selecting companies that are well-managed and financially stable.

The North Carolina Life and Health Insurance Guaranty association may not provide coverage for this policy. If coverage is provided, it may be subject to substantial limitations or exclusions, and require continued residency in North Carolina. You should not rely on coverage by the North Carolina Life and Health Insurance Guaranty Association in selecting an insurance company or in selecting an insurance policy.

Coverage is NOT provided for your policy or any portion of it that is not guaranteed by the insurer or for which you have assumed the risk, such as a variable contract sold by prospectus.

Insurance companies or their agents are required by law to give or send you this notice. However, insurance companies and their agents are prohibited by law from using the existence of the guaranty association to induce you to purchase any kind of insurance policy.

The state law that provides for this safety-net coverage is called the North Carolina Life and Health Insurance Guaranty Association Act. On the back of this page is a brief summary of this law’s coverages, exclusions and limits. This summary does not cover all provisions of the law; nor does it in any way change anyone’s rights or obligations under the act or the rights or obligations of the guaranty association.

Coverage

Generally, individuals will be protected by the life and health insurance guaranty association if they live in this state and hold a life or health insurance contract, or an annuity, or if they are insured under a group insurance contract, issued by a member insurer. The beneficiaries,

payees or assignees of insured persons are protected as well, even if they live in another state.

Exclusions From Coverage
However, persons holding such policies are not protected by this association if:

- they are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state);
- the insurer was not authorized to do business in this state;
- their policy was issued by an HMO, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policyholder is subject to future assessments, or by an insurance exchange.

The association also does not provide coverage for:

- any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;
- any policy of reinsurance (unless an assumption certificate was issued);
- interest rate yields that exceed the average rate specified in the law;
- dividends;
- experience or other credits given in connection with the administration of a policy by a group contractholder;
- employers’ plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them);
- unallocated annuity contracts (which give rights to group contractholders, not individuals), unless they fund a government lottery or a benefit plan of an employer, association or union, except that unallocated annuities issued to employee benefit plans protected by the Federal Pension Benefit Guaranty Corporation are not covered.

Limits On Amount Of Coverage

To be considered clinically necessary, the treatment or service must be reasonable and appropriate and meet the following requirements:

A. be consistent with the symptoms, diagnosis or treatment of the condition present;
B. conform to commonly accepted standards throughout the dental field;
C. not be used primarily for the convenience of the customer or dentist of care; and
D. not exceed the scope, duration, or intensity of that level of care needed to provide safe and appropriate treatment.

Requests for payment authorizations that are declined by Cigna Dental based upon the above criteria will be the responsibility of the customer at the dentist’s Usual Fees. A licensed dentist will make any such denial.

A. less than 19 years old; or
B. less than 23 years old if he or she is both:

   2. reliant upon you for maintenance and support; or
C. any age if he or she is both:
   1. incapable of self-sustaining employment due to mental or physical disability, and
   2. reliant upon you for maintenance and support.

For a Dependent child 19 years of age or older who is a full-time student at an educational institution, coverage will be provided for an entire academic term during which the child begins as a full-time student and remains enrolled, regardless of whether the number of hours of instruction for which the child is enrolled is reduced to a level that changes the child’s academic status to less than that of a full-time student.

A Newly Acquired Dependent is a dependent child who is adopted, born, or otherwise becomes your dependent after you become covered under the Plan.

Coverage for Dependents living outside a Cigna Dental Service Area is subject to the availability of an approved network where the Dependent resides.

This definition of “Dependent” applies unless modified by your Group Contract.

Subscriber/You - the enrolled employee or customer of the Group.

Usual Fee - the customary fee that an individual dentist most frequently charges for a given dental service.
II. Introduction To Your Cigna Dental Plan
Welcome to the Cigna Dental Plan. We encourage you to use your dental benefits. Please note that enrollment in the Dental Plan allows the release of patient records to Cigna Dental or its designee for health plan operation purposes.

III. Eligibility When Coverage Begins
To enroll in the Dental Plan, you and your Dependents must be able to seek treatment for Covered Services within a Cigna Dental Service Area. Other eligibility requirements are determined by your Group.

If you enrolled in the Dental Plan before the effective date of your Group Contract, you will be covered on the first day the Group Contract is effective. If you enrolled in the Dental Plan after the effective date of the Group Contract, you will be covered on the first day of the month following processing of your enrollment (unless effective dates other than the first day of the month are provided for in your Group Contract).

Dependents may be enrolled in the Dental Plan at the time you enroll, during an open enrollment, or within 31 days of becoming eligible due to a life status change such as marriage, birth, adoption, placement, or court or administrative order. You may drop coverage for your Dependents only during the open enrollment periods for your Group, unless there is a change in status such as divorce. Cigna Dental may require evidence of good dental health at your expense if you or your Dependents enroll after the first period of eligibility (except during open enrollment) or after disenrollment because of nonpayment of Premiums.

If you have family coverage, a newborn child is automatically covered during the first 31 days of life. If you wish to continue coverage beyond the first 31 days, your baby must be enrolled in the Dental Plan and you must begin paying Premiums, if any additional are due, during that period.

Under the Family and Medical Leave Act of 1993, you may be eligible to continue coverage during certain leaves of absence from work. During such leaves, you will be responsible for paying your Group the portion of the Premiums, if any, which you would have paid if you had not taken the leave. Additional information is available through your Benefits Representative.

IV. Your Cigna Dental Coverage
The information below outlines your coverage and will help you to better understand your Dental Plan. Included is information about which services are covered, which are not, and how much dental services will cost you. A copy of the Group Contract will be furnished to you upon your request.

A. Customer Service
If you have any questions or concerns about the Dental Plan, Customer Service Representatives are just a toll-free phone call away. They can explain your benefits or help with matters regarding your Dental Office or Dental Plan. For assistance with transfers, specialty referrals, eligibility, second opinions, emergencies, Covered Services, plan benefits, ID cards, location of Dental Offices, conversion coverage or other matters, call Customer Service from any location at 1-800-Cigna24. The hearing impaired may contact the state TTY toll-free relay service number listed in their local telephone directory.

B. Premiums
Your Group sends a monthly fee to Cigna Dental for customers participating in the Dental Plan. The amount and term of this fee is set forth in your Group Contract. You may contact your Benefits Representative for information regarding any part of this fee to be withheld from your salary or to be paid by you to the Group.

C. Other Charges – Patient Charges
Network General Dentists are reimbursed by Cigna Dental through fixed monthly payments and supplemental payments for certain procedures. No bonuses or financial incentives are used as an inducement to limit services. Network Dentists are also compensated by the fees which you pay, as set out in your Patient Charge Schedule. Your Patient Charge Schedule lists the dental procedures covered under your Dental Plan. Some dental procedures are covered at no charge to you. For other Covered Services, the Patient Charge Schedule lists the fees you must pay when you visit your Dental Office. There are no deductibles and no annual dollar limits for services covered by your Dental Plan.

Your Network General Dentist should tell you about Patient Charges for Covered Services the amount you must pay for non-Covered Services and the Dental Office’s payment policies. Timely payment is important. It is possible that the Dental Office may add late charges to overdue balances.

Your Patient Charge Schedule is subject to annual change in accordance with your Group Contract. Cigna Dental will give written notice to your Group of any change in Patient Charges at least 60 days prior to such change. You will be responsible for the Patient Charges listed on the Patient Charge Schedule that is in effect on the date a procedure is started.

D. Choice of Dentist
You and your Dependents should have selected a Dental Office when you enrolled in the Dental Plan. If you did
not, you must advise Cigna Dental of your Dental Office selection prior to receiving treatment. The benefits of the Dental Plan are available only at your Dental Office, except in the case of an emergency or when Cigna Dental otherwise authorizes payment for out-of-network benefits.

You may select a network Pediatric Dentist as the Network General Dentist for your dependent child under age 7 by calling Customer Service at 1-800-Cigna24 to get a list of network Pediatric Dentists in your Service Area or if your Network General Dentist sends your child under the age of 7 to a network Pediatric Dentist, the network Pediatric Dentist’s office will have primary responsibility for your child’s care. For children 7 years and older, your Network General Dentist will provide care. If your child continues to visit the Pediatric Dentist upon the age of 7, you will be fully responsible for the Pediatric Dentist’s Usual Fees. Exceptions for medical reasons may be considered on a case-by-case basis.

If for any reason your selected Dental Office cannot provide your dental care, or if your Network General Dentist terminates from the network, Cigna Dental will let you know and will arrange a transfer to another Dental Office. Refer to the Section titled “Office Transfers” if you wish to change your Dental Office.

To obtain a list of Dental Offices near you, visit our website at myCigna.com, or call the Dental Office Locator at 1-800-Cigna24. It is available 24 hours a day, 7 days per week. If you would like to have the list faxed to you, enter your fax number, including your area code. You may always obtain a current Dental Office Directory by calling Customer Service.

E. Your Payment Responsibility (General Care)

For Covered Services at your Dental Office, you will be charged the fees listed on your Patient Charge Schedule. For services listed on your Patient Charge Schedule at any other dental office, you may be charged Usual Fees. For non-Covered Services, you are responsible for paying Usual Fees.

See Section IX, Specialty Referrals, regarding payment responsibility for specialty care.

All contracts between Cigna Dental and Network Dentists state that you will not be liable to the Network Dentist for any sums owed to the Network Dentist by Cigna Dental.

F. Emergency Dental Care – Reimbursement

An emergency is a dental condition of recent onset and severity which would lead a prudent layperson possessing an average knowledge of dentistry to believe the condition needs immediate dental procedures necessary to control excessive bleeding, relieve severe pain, or eliminate acute infection. You should contact your Network General Dentist if you have an emergency in your Service Area.

Emergency Care Away From Home - If you have an emergency while you are out of your Service Area or you are unable to contact your Network General Dentist, you may receive emergency Covered Services as defined above from any general dentist. Routine restorative procedures or definitive treatment (e.g. root canal) are not considered emergency care. You should return to your Network General Dentist for these procedures. For emergency Covered Services, you will be responsible for the Patient Charges listed on your Patient Charge Schedule. Cigna Dental will reimburse you the difference, if any, between the dentist’s Usual Fee for emergency Covered Services and your Patient Charge, up to a total of $50 per incident. To receive reimbursement, send appropriate reports and x-rays to Cigna Dental at the address listed on the front of this booklet.

Emergency Care After Hours - There is a Patient Charge listed on your Patient Charge Schedule for emergency care rendered after regularly scheduled office hours. This charge will be in addition to other applicable Patient Charges.

G. Limitations on Covered Services

Listed below are limitations on services when covered by your Dental Plan:

- **Frequency** - The frequency of certain Covered Services, like cleanings, is limited. Your Patient Charge Schedule lists any limitations on frequency.

- **Pediatric Dentistry** - Coverage for treatment by a Pediatric Dentist ends on your child’s 7th birthday; however, exceptions for medical reasons may be considered on an individual basis. Effective on your child’s 7th birthday, dental services must be obtained from a Network General Dentist.

- **Oral Surgery** - The surgical removal of an impacted wisdom tooth may not be covered if the tooth is not diseased or if the removal is only for orthodontic reasons. Your Patient Charge Schedule lists any limitations on oral surgery.

- **Periodontal (gum tissue and supporting bone) Services** – Periodontal regenerative procedures are limited to one regenerative procedure per site (or per tooth, if applicable), when covered on the Patient Charge Schedule. Localized delivery of antimicrobial agents is limited to eight teeth (or eight sites, if applicable) per 12 consecutive months, when covered on the Patient Charge Schedule.

- **Clinical Oral Evaluations** – When this limitation is noted on the Patient Charge Schedule, periodic oral evaluations, comprehensive oral evaluations,
comprehensive periodontal evaluations, and oral evaluations for patients under 3 years of age are limited to a combined total of 4 evaluations during a 12 consecutive month period.

- **Surgical Placement of Implant Services** – When covered on the Patient Charge Schedule, surgical placement of a dental implant; repair, maintenance, or removal of a dental implant; implant abutment(s); or any services related to the surgical placement of a dental implant are limited to one per year with replacement of a surgical implant frequency limitation of one every 10 years.

- **Prosthesis Over Implant** – When covered on the Patient Charge Schedule, a prosthetic device, supported by an implant or implant abutment is considered a separate distinct service(s) from surgical placement of an implant. Replacement of any type of prosthesis with a prosthesis supported by an implant or implant abutment is only covered if the existing prosthesis is at least 5 calendar years old, is not serviceable and cannot be repaired.

**General Limitations Dental Benefits**

No payment will be made for expenses incurred or services received:

- for or in connection with an injury arising out of, or in the course of, any employment for wage or profit;
- for charges which would not have been made in any facility, other than a Hospital or a Correctional Institution owned or operated by the United States Government or by a state or municipal government if the person had no insurance;

- surgical placement of a dental implant; repair, maintenance, or removal of a dental implant; implant abutment(s); or any services related to the surgical placement of a dental implant, unless specifically listed on your Patient Charge Schedule.
- services considered to be unnecessary or experimental in nature or do not meet commonly accepted dental standards.
- procedures or appliances for minor tooth guidance or to control harmful habits.

Cigna Dental considers recementation within this timeframe to be incidental to and part of the charges for the initial restoration unless specifically listed on your Patient Charge Schedule.

Should any law require coverage for any particular service(s) noted above, the exclusion or limitation for that service(s) shall not apply.

V. Appointments

To make an appointment with your Network Dentist, call the Dental Office that you have selected. When you call, your Dental Office will ask for your identification number and will check your eligibility.

VI. Broken Appointments

The time your Network Dentist schedules for your appointment is valuable to you and the dentist. Broken appointments make it difficult for your Dental Office to schedule time with other patients.

If you or your enrolled Dependent breaks an appointment with less than 24 hours notice to the Dental Office, you may be charged a broken appointment fee.

VII. Office Transfers

If you decide to change Dental Offices, we can arrange a transfer. You should complete any dental procedure in progress before transferring to another Dental Office. To arrange a transfer, call Customer Service at 1-800-Cigna24. To obtain a list of Dental Offices near you, visit our website at myCigna.com, or call the Dental Office Locator at 1-800-Cigna24.

Your transfer request will take about 5 days to process. Transfers will be effective the first day of the month after the processing of your request. Unless you have an emergency, you will be unable to schedule an appointment at the new Dental Office until your transfer becomes effective.

There is no charge to you for the transfer, however, all Patient Charges which you owe to your current Dental Office must be paid before the transfer can be processed.
VIII. Specialty Care

Your Network General Dentist at your Dental Office has primary responsibility for your professional dental care. Because you may need specialty care, the Cigna Dental Network includes the following types of specialty dentists:

- Pediatric Dentists - children’s dentistry.
- Periodontists - treatment of gums and bone.
- Oral Surgeons - complex extractions and other surgical procedures.
- Orthodontists - tooth movement.

There is no coverage for referrals to Prosthodontists or other specialty dentists not listed above.

When specialty care is needed, your Network General Dentist must start the referral process. X-rays taken by your Network General Dentist should be sent to the Network Specialty Dentist.

See Section IV.D., Choice of Dentist, regarding treatment by a Pediatric Dentist.

IX. Specialty Referrals

A. In General

Upon referral from a Network General Dentist, your Network Specialty Dentist will submit a specialty care treatment plan to Cigna Dental for payment authorization, except for Pediatrics, Orthodontics and Endodontics, for which prior authorization is not required. You should verify with the Network Specialist that your treatment plan has been authorized for payment by Cigna Dental before treatment begins.

When Cigna Dental authorizes payment to the Network Specialty Dentist, the fees for no-charge services listed on the Patient Charge Schedule in effect on the date each procedure is started will apply, except as set out in Section IX. B. Orthodontics. Treatment by the Network Specialist must begin within 90 days from the date of Cigna Dental's authorization. If you are unable to obtain treatment within the 90-day period, please call Customer Service to request an extension. Your coverage must be in effect when each procedure begins.

For non-Covered Services or if Cigna Dental does not authorize payment to the Network Specialty Dentist for Covered Services, including Adverse Determinations, you must pay the Network Specialty Dentist’s Usual Fee.

If you have a question or concern regarding an authorization or a denial, contact Customer Service.

After the Network Specialty Dentist has completed treatment, you should return to your Network General Dentist for cleanings, regular checkups and other treatment. If you visit a Network Specialty Dentist without a referral or if you continue to see a Network Specialty Dentist after you have completed specialty care, it will be your responsibility to pay for treatment at the dentist’s Usual Fees.

B. Orthodontics (This section is applicable only when Orthodontics is listed on your Patient Charge Schedule.)

Definitions - If your Patient Charge Schedule indicates coverage for orthodontic treatment, the following definitions apply:

- Orthodontic Treatment Plan and Records - the preparation of orthodontic records and a treatment plan by the Orthodontist.
- Interceptive Orthodontic Treatment - treatment prior to full eruption of the permanent teeth, frequently a first phase preceding comprehensive treatment.
- Comprehensive Orthodontic Treatment - treatment after the eruption of most permanent teeth, generally the final phase of treatment before retention.
- Retention (Post Treatment Stabilization) - the period following orthodontic treatment during which you may wear an appliance to maintain and stabilize the new position of the teeth.

Patient Charges

The Patient Charge for your entire orthodontic case, including retention, will be based upon the Patient Charge Schedule in effect on the date of your visit for Treatment Plan and Records. However, if a. banding/appliance insertion does not occur within 90 days of such visit, b. your treatment plan changes, or c. there is an interruption in your coverage or treatment, a later change in the Patient Charge Schedule may apply.

The Patient Charge for Orthodontic Treatment is based upon 24 months of interceptive and/or comprehensive treatment. If you require more than 24 months of treatment in total, you will be charged an additional amount for each additional month of treatment, based upon the Orthodontist’s Contract Fee. If you require less than 24 months of treatment, your Patient Charge will be reduced on a pro-rated basis.

Additional Charges

You will be responsible for the Orthodontist’s Usual Fees for the following non-Covered Services:

- incremental costs associated with optional/elective materials, including but not limited to ceramic, clear, lingual brackets, or other cosmetic appliances;
- orthognathic surgery and associated incremental costs;
- appliances to guide minor tooth movement;
• appliances to correct harmful habits; and
• services which are not typically included in orthodontic treatment. These services will be identified on a case-by-case basis.

**Orthodontics in Progress**

If orthodontic treatment is in progress for you or your dependent at the time you enroll, the fee listed on the Patient Charge Schedule is not applicable. Please call Customer Service at 1-800-Cigna24 to find out if you are entitled to any benefit under the Dental Plan.

**X. Complex Rehabilitation/Multiple Crown Units**

Complex rehabilitation is extensive dental restoration involving 6 or more “units” of crown, bridge and/or implant supported prosthesis (including crowns and bridges) in the same treatment plan. Using full crowns (caps), fixed bridges and/or implant supported prosthesis (including crowns and bridges) which are cemented in place, your Network General Dentist will rebuild natural teeth, fill in spaces where teeth are missing and establish conditions which allow each tooth to function in harmony with the occlusion (bite). The extensive procedures involved in complex rehabilitation require an extraordinary amount of time, effort, skill and laboratory collaboration for a successful outcome.

Complex rehabilitation will be covered when performed by your Network General Dentist after consultation with you about diagnosis, treatment plan and charges. Each tooth or tooth replacement included in the treatment plan is referred to as a “unit” on your Patient Charge Schedule. The crown, bridge and/or implant supported prosthesis (including crowns and bridges) charges on your Patient Charge Schedule are for each unit of crown or bridge. You pay the per unit charge for each unit of crown, bridge and/or implant supported prosthesis (including crowns and bridges) PLUS an additional charge for each unit when 6 or more units are prescribed in your Network General Dentist’s treatment plan.

Note: Complex rehabilitation only applies for implant supported prosthesis, when implant supported prosthesis are specifically listed on your Patient Charge Schedule.

**XI. What To Do If There Is A Problem**

For the purposes of this section, any reference to “you” or “your” also refers to a representative or dentist designated by you to act on your behalf.

Most problems can be resolved between you and your dentist. However, we want you to be completely satisfied with the Dental Plan. That is why we have established a process for addressing your concerns and complaints. The complaint procedure is voluntary and will be used only upon your request.

**A. Start With Customer Service**

We are here to listen and to help. If you have a concern about your Dental Office or the Dental Plan, you can call 1-800-Cigna24 toll-free and explain your concern to one of our Customer Service Representatives. You can also express that concern in writing to Cigna Dental, P.O. Box 188047, Chattanooga, TN 37422-8047. We will do our best to resolve the matter during your initial contact. If we need more time to review or investigate your concern, we will get back to you as soon as possible, usually by the end of the next business day, but in any case within 15 working days.

If you are not satisfied with the results of a coverage decision, you may start the appeals procedure.

**B. Appeals Procedure**

Cigna Dental has a two-step appeals procedure for coverage decisions. To initiate an appeal, you must submit a request in writing to Cigna Dental, P.O. Box 188047, Chattanooga, TN 37422-8047, within 1 year from the date of the initial Cigna Dental decision. You should state the reason you feel your appeal should be approved and include any information to support your appeal. If you are unable or choose not to write, you may ask Customer Service to register your appeal by calling 1-800-Cigna24.

**Level-One Appeals**

Your level-one appeal will be reviewed and the decision made by someone not involved in the initial review. Appeals involving dental necessity or clinical appropriateness will be reviewed by a dental professional. We will respond with a decision within 15 working days after we receive your appeal. If we need more time or information to make the decision, we will notify you in writing to request an extension of up to 15 calendar days and to specify any additional information needed to complete the review.

You may request that the appeal resolution be expedited if the time frames under the above process would seriously jeopardize your life or health or would jeopardize your ability to regain the dental functionality that existed prior to the onset of your current condition.

A dental professional, in consultation with the treating Dentist, will decide if an expedited review is necessary. When a review is expedited, Cigna Dental will respond orally with a decision within 72 hours, followed up in writing.

If you are not satisfied with our level-one appeal decision, you may request a level-two appeal.
Level-Two Appeals
To initiate a level-two appeal, follow the same process required for a level-one appeal. Your level-two appeal will be reviewed and a decision made by someone not involved in the level-one appeal. For appeals involving dental necessity or clinical appropriateness, the decision will be made by a dentist. If specialty care is in dispute, the appeal will be conducted by a dentist in the same or similar specialty as the care under review.

The review will be completed within 15 working days. If we need more time or information to complete the review, we will notify you in writing to request an extension of up to 15 calendar days and to specify any additional information needed to complete the review. The decision will include the specific contractual or clinical reasons for the decision, as applicable.

You may request that the appeal resolution be expedited if the time frames under the above process would seriously jeopardize your life or health or would jeopardize your ability to regain the dental functionality that existed prior to the onset of your current condition. A dental professional, in consultation with the treating Dentist, will decide if an expedited review is necessary. When a review is expedited, the Dental Plan will respond orally with a decision within 72 hours, followed up in writing.

Appeals to the State
You have the right to contact the New Jersey Department of Insurance and/or Department of Health for assistance at any time.

Cigna Dental will not cancel or refuse to renew your coverage because you or your Dependent has filed a complaint or an appeal involving a decision made by Cigna Dental. You have the right to file suit in a court of law for any claim involving the professional treatment performed by a dentist.

XII. Dual Coverage
A. In General
“Coordination of benefits” is the procedure used to pay health care expenses when a person is covered by more than one plan. Cigna Dental follows rules established by New Jersey law to decide which plan pays first and how much the other plan must pay. The objective is to make sure the combined payments of all plans are no more than your actual bills.

When you or your family members are covered by another group plan in addition to this one, we will follow New Jersey coordination of benefit rules to determine which plan is primary and which is secondary. You must submit all bills first to the primary plan. The primary plan must pay its full benefits as if you had no other coverage. If the primary plan denies the claim or does not pay the full bill, you may then submit the balance to the secondary plan.

Cigna Dental pays for dental care when you follow our rules and procedures. If our rules conflict with those of another plan, it may be impossible to receive benefits from both plans, and you will be forced to choose which plan to use.

B. How Cigna Dental Pays As Primary Plan
When you receive care from a Network Specialty Dentist, Cigna Dental pays the Network Specialty Dentist a contracted fee amount less your copayment for the Covered Service. When we are primary, we will pay the full benefit allowed as if you had no other coverage.

C. How Cigna Dental Pays As Secondary Plan
- If your primary plan pays on the basis of UCR, Cigna Dental will pay the difference between the provider’s billed charges and the benefits paid by the primary plan up to the amount Cigna Dental would have paid if primary. Cigna Dental’s payment will first be applied toward satisfaction of your copayment of your primary plan. You will not be liable for any billed charges in excess of the sum of the benefits paid by your primary plan, Cigna Dental as your secondary plan and the copayment you paid under either the primary or secondary plan. When Cigna Dental pays as secondary, you will never be responsible for paying more than your copayment for the Covered Service.

- When both your primary plan and Cigna Dental pay network providers on the basis of a contractual fee schedule and the provider is a network provider of both plans, the allowable expense will be considered to be the contractual fee of your primary plan. Your primary plan will pay the benefit it would have paid regardless of any other coverage you may have. Cigna Dental will pay the copayment for the Covered Service for which you are liable up to the amount Cigna Dental would have paid if primary and provided that the total amount received by the provider from the primary plan, Cigna Dental and you does not exceed the contractual fee of the primary plan. You will not be responsible for an amount more than your copayment.

- When your primary plan pays network providers on a basis of capitation or a contractual fee schedule or pays a benefit on the basis of UCR, and Cigna Dental pays network providers on the basis of capitation and a service or supply is provided by a network provider of Cigna Dental, we will not be obligated to pay to the network provider any amount other than the capitation payment required under the contract between Cigna...
Dental and the network provider and we shall not be liable for any deductible, coinsurance or copayment imposed by your primary plan. You will not be responsible for the payment of any amount for eligible services.

- We will pay only for health care expenses that are covered by Cigna Dental.
- We will pay only if you have followed all of our procedural requirements, including: care is obtained from or arranged by your primary care dentist; coverage in effect when procedures begin; procedures begin within 90 days of referral.

**XIII. Disenrollment From the Dental Plan – Termination of Benefits**

**A. Time Frames For Disenrollment/Termination**

Except as otherwise provided in the sections titled “Extension/Continuation of Benefits” or in your Group Contract, disenrollment from the Dental Plan and termination of benefits will occur on the last day of the month:

- in which Premiums are not remitted to Cigna Dental;
- in which eligibility requirements are no longer met;
- after 30 days notice from Cigna Dental due to permanent breakdown of the dentist-patient relationship as determined by Cigna Dental, after at least two opportunities to transfer to another Dental Office;
- after 30 days notice from Cigna Dental due to fraud or misuse of dental services and/or Dental Offices;
- after 60 days notice by Cigna Dental, due to continued lack of a Dental Office in your Service Area;
- after voluntary disenrollment.

**B. Effect on Dependents**

When one of your Dependents is disenrolled, you and your other Dependents may continue to be enrolled. When you are disenrolled, your Dependents will be disenrolled as well.

**XIV. Extension of Benefits**

Coverage for completion of a dental procedure which was started before your disenrollment from the Dental Plan will be extended for 90 days after disenrollment unless disenrollment was due to nonpayment of Premiums.

**XV. Continuation of Benefits (COBRA)**

For Groups with 20 or more employees, federal law requires the employer to offer continuation of benefits coverage for a specified period of time after termination of employment or reduction of work hours, for any reason other than gross misconduct. You will be responsible for sending payment of the required Premiums to the Group. Additional information is available through your Benefits Representative.

**XVI. Conversion Coverage**

If you are no longer eligible for coverage under your Group’s Dental Plan, you and your enrolled Dependents may continue your dental coverage by enrolling in the Cigna Dental conversion plan. You must enroll within three months after becoming ineligible for your Group’s Dental Plan. Premium payments and coverage will be retroactive to the date coverage under your Group’s Dental Plan ended. You and your enrolled Dependents are eligible for conversion coverage unless benefits were discontinued due to:

- permanent breakdown of the dentist-patient relationship;
- fraud or misuse of dental services and/or Dental Offices;
- nonpayment of Premiums by the Subscriber;
- selection of alternate dental coverage by your Group; or
- lack of network/Service Area.

Benefits and rates for Cigna Dental conversion coverage and any succeeding renewals will be based on the Covered Services listed in the then-current standard conversion plan and may not be the same as those for your Group’s Dental Plan. Please call the Cigna Dental Conversion Department at 1-800-Cigna24 to obtain current rates and make arrangements for continuing coverage.

**XVII. Confidentiality/Privacy**

Cigna Dental is committed to maintaining the confidentiality of your personal and sensitive information. Information about Cigna Dental’s confidentiality policies and procedures is made available to you during the enrollment process and/or as part of your customer plan materials. You may obtain additional information about Cigna Dental’s confidentiality policies and procedures by calling Customer Service at 1-800-Cigna24, or via the Internet at myCigna.com.

If you are a Cigna Dental Care customer you may also be eligible for additional dental benefits during certain health conditions. Qualified Medical Child Support Order (QMCSO)

A. Eligibility for Coverage Under a QMCSO

If a Qualified Medical Child Support Order (QMCSO) is issued for your child, that child will be eligible for coverage as required by the order and you will not be considered a Late Entrant for Dependent Insurance.

You must notify your Employer and elect coverage for that child and yourself, if you are not already enrolled, within 31 days of the QMCSO being issued.

B. Qualified Medical Child Support Order Defined

A Qualified Medical Child Support Order is a judgment, decree or order (including approval of a settlement agreement) or administrative notice, which is issued pursuant to a state domestic relations law (including a community property law), or to an administrative process, which provides for child support or provides for health benefit coverage to such child and relates to benefits under the group health plan, and satisfies all of the following:

1. the order recognizes or creates a child’s right to receive group health benefits for which a participant or beneficiary is eligible;

2. the order specifies your name and last known address, and the child’s name and last known address, except that the name and address of an official of a state or political subdivision may be substituted for the child’s mailing address;

3. the order provides a description of the coverage to be provided, or the manner in which the type of coverage is to be determined;

4. the order states the period to which it applies; and

5. if the order is a National Medical Support Notice completed in accordance with the Child Support Performance and Incentive Act of 1998, such Notice meets the requirements above.

The QMCSO may not require the health insurance policy to provide coverage for any type or form of benefit or option not otherwise provided under the policy, except that an order may require a plan to comply with State laws regarding health care coverage.

C. Payment of Benefits

Any payment of benefits in reimbursement for Covered Expenses paid by the child, or the child’s custodial parent or legal guardian, shall be made to the child, the child’s custodial parent or legal guardian, or a state official whose name and address have been substituted for the name and address of the child.

Effect of Section 125 Tax Regulations on This Plan

Your Employer has chosen to administer this Plan in accordance with Section 125 regulations of the Internal Revenue Code. Per this regulation, you may agree to a pretax salary reduction put toward the cost of your benefits.
Otherwise, you will receive your taxable earnings as cash (salary).

A. Coverage Elections
Per Section 125 regulations, you are generally allowed to enroll for or change coverage only before each annual benefit period. However, exceptions are allowed if your Employer agrees and you enroll for or change coverage within 30 days of the date you meet the criteria shown in the following Sections B through F.

B. Change of Status
A change in status is defined as:
1. change in legal marital status due to marriage, death of a spouse, divorce, annulment or legal separation;
2. change in number of Dependents due to birth, adoption, placement for adoption, or death of a Dependent;
3. change in employment status of Employee, spouse or Dependent due to termination or start of employment, strike, lockout, beginning or end of unpaid leave of absence, including under the Family and Medical Leave Act (FMLA), or change in worksite;
4. changes in employment status of Employee, spouse or Dependent resulting in eligibility or ineligibility for coverage;
5. change in residence of Employee, spouse or Dependent to a location outside of the Employer’s network service area; and
6. changes which cause a Dependent to become eligible or ineligible for coverage.

C. Court Order
A change in coverage due to and consistent with a court order of the Employee or other person to cover a Dependent.

D. Medicare or Medicaid Eligibility/Entitlement
The Employee, spouse or Dependent cancels or reduces coverage due to entitlement to Medicare or Medicaid, or enrolls or increases coverage due to loss of Medicare or Medicaid eligibility.

E. Change in Cost of Coverage
If the cost of benefits increases or decreases during a benefit period, your Employer may, in accordance with plan terms, automatically change your elective contribution.

When the change in cost is significant, you may either increase your contribution or elect less-costly coverage. When a significant overall reduction is made to the benefit option you have elected, you may elect another available benefit option. When a new benefit option is added, you may change your election to the new benefit option.

F. Changes in Coverage of Spouse or Dependent Under Another Employer’s Plan
You may make a coverage election change if the plan of your spouse or Dependent: (a) incurs a change such as adding or deleting a benefit option; (b) allows election changes due to Change in Status, Court Order or Medicare or Medicaid Eligibility/Entitlement; or (c) this Plan and the other plan have different periods of coverage or open enrollment periods.

Eligibility for Coverage for Adopted Children
Any child under the age of 18 who is adopted by you, including a child who is placed with you for adoption, will be eligible for Dependent Insurance upon the date of placement with you. A child will be considered placed for adoption when you become legally obligated to support that child, totally or partially, prior to that child’s adoption.

If a child placed for adoption is not adopted, all health coverage ceases when the placement ends, and will not be continued.

The provisions in the “Exception for Newborns” section of this document that describe requirements for enrollment and effective date of insurance will also apply to an adopted child or a child placed with you for adoption.

Group Plan Coverage Instead of Medicaid
If your income and liquid resources do not exceed certain limits established by law, the state may decide to pay premiums for this coverage instead of for Medicaid, if it is cost effective. This includes premiums for continuation coverage required by federal law.
Requirements of Medical Leave Act of 1993 (as amended) (FMLA)

Any provisions of the policy that provide for: (a) continuation of insurance during a leave of absence; and (b) reinstatement of insurance following a return to Active Service; are modified by the following provisions of the federal Family and Medical Leave Act of 1993, as amended, where applicable:

A. Continuation of Health Insurance During Leave

Your health insurance will be continued during a leave of absence if:

- that leave qualifies as a leave of absence under the Family and Medical Leave Act of 1993, as amended; and
- you are an eligible Employee under the terms of that Act.

The cost of your health insurance during such leave must be paid, whether entirely by your Employer or in part by you and your Employer.

B. Reinstatement of Canceled Insurance Following Leave

Upon your return to Active Service following a leave of absence that qualifies under the Family and Medical Leave Act of 1993, as amended, any canceled insurance (health, life or disability) will be reinstated as of the date of your return. You will not be required to satisfy any eligibility or benefit waiting period or the requirements of any Pre-existing Condition limitation to the extent that they had been satisfied prior to the start of such leave of absence.

Your Employer will give you detailed information about the Family and Medical Leave Act of 1993, as amended.

Uniformed Services Employment and Re-employment Rights Act of 1994 (USERRA)

The Uniformed Services Employment and Re-employment Rights Act of 1994 (USERRA) sets requirements for continuation of health coverage and re-employment in regard to an Employee’s military leave of absence. These requirements apply to medical and dental coverage for you and your Dependents. They do not apply to any Life, Short-term or Long-term Disability or Accidental Death & Dismemberment coverage you may have.

A. Continuation of Coverage

For leaves of less than 31 days, coverage will continue as described in the Termination section regarding Leave of Absence.

For leaves of 31 days or more, you may continue coverage for yourself and your Dependents as follows:

You may continue benefits by paying the required premium to your Employer, until the earliest of the following:

- 24 months from the last day of employment with the Employer;
- the day after you fail to return to work; and
- the date the policy cancels.

Your Employer may charge you and your Dependents up to 102% of the total premium.

Following continuation of health coverage per USERRA requirements, you may convert to a plan of individual coverage according to any “Conversion Privilege” shown in your certificate.

B. Reinstatement of Benefits (applicable to all coverages)

If your coverage ends during the leave of absence because you do not elect USERRA or an available conversion plan at the expiration of USERRA and you are reemployed by your current Employer, coverage for you and your Dependents may be reinstated if (a) you gave your Employer advance written or verbal notice of your military service leave, and (b) the duration of all military leaves while you are employed with your current Employer does not exceed 5 years.

You and your Dependents will be subject to only the balance of a Pre-Existing Condition Limitation (PCL) or waiting period that was not yet satisfied before the leave began. However, if an Injury or Sickness occurs or is aggravated during the military leave, full Plan limitations will apply.

Any 63-day break in coverage rule regarding credit for time accrued toward a PCL waiting period will be waived.

If your coverage under this plan terminates as a result of your eligibility for military medical and dental coverage and your order to active duty is canceled before your active duty service commences, these reinstatement rights will continue to apply.

Claim Determination Procedures Under ERISA

Procedures Regarding Medical Necessity Determinations

In general, health services and benefits must be Medically Necessary to be covered under the plan. The procedures for determining Medical Necessity vary, according to the type of service or benefit requested, and the type of health plan.

You or your authorized representative (typically, your health care provider) must request Medical Necessity determinations according to the procedures described below, in the
Certificate, and in your provider's network participation documents as applicable.

When services or benefits are determined to be not Medically Necessary, you or your representative will receive a written description of the adverse determination, and may appeal the determination. Appeal procedures are described in the Certificate, in your provider's network participation documents, and in the determination notices.

**Postservice Medical Necessity Determinations**

When you or your representative requests a Medical Necessity determination after services have been rendered, Cigna will notify you or your representative of the determination within 30 days after receiving the request. However, if more time is needed to make a determination due to matters beyond Cigna's control Cigna will notify you or your representative within 30 days after receiving the request. This notice will include the date a determination can be expected, which will be no more than 45 days after receipt of the request.

If more time is needed because necessary information is missing from the request, the notice will also specify what information is needed. The determination period will be suspended on the date Cigna sends such a notice of missing information, and the determination period will resume on the date you or your representative responds to the notice.

**Postservice Claim Determinations**

When you or your representative requests payment for services which have been rendered, Cigna will notify you of the claim payment determination within 30 days after receiving the request. However, if more time is needed to make a determination due to matters beyond Cigna's control Cigna will notify you or your representative within 30 days after receiving the request. This notice will include the date a determination can be expected, which will be no more than 45 days after receipt of the request. If more time is needed because necessary information is missing from the request, the notice will also specify what information is needed, and you or your representative must provide the specified information within 45 days after receiving the notice. The determination period will be suspended on the date Cigna sends such a notice of missing information, and resume on the date you or your representative responds to the notice.

**Notice of Adverse Determination**

Every notice of an adverse benefit determination will be provided in writing or electronically, and will include all of the following that pertain to the determination: (1) the specific reason or reasons for the adverse determination; (2) reference to the specific plan provisions on which the determination is based; (3) a description of any additional material or information necessary to perfect the claim and an explanation of why such material or information is necessary; (4) a description of the plan's review procedures and the time limits applicable, including a statement of a claimant's rights to bring a civil action under section 502(a) of ERISA following an adverse benefit determination on appeal; (5) upon request and free of charge, a copy of any internal rule, guideline, protocol or other similar criterion that was relied upon in making the adverse determination regarding your claim, and an explanation of the scientific or clinical judgment for a determination that is based on a Medical Necessity, experimental treatment or other similar exclusion or limit; and (6) in the case of a claim involving urgent care, a description of the expedited review process applicable to such claim.

**COBRA Continuation Rights Under Federal Law**

**For You and Your Dependents**

**What is COBRA Continuation Coverage?**

Under federal law, you and/or your Dependents must be given the opportunity to continue health insurance when there is a “qualifying event” that would result in loss of coverage under the Plan. You and/or your Dependents will be permitted to continue the same coverage under Basic Benefits which you or your Dependents were covered on the day before the qualifying event occurred, unless you move out of that plan’s coverage area or the plan is no longer available. You and/or your Dependents cannot change coverage options until the next open enrollment period.

**When is COBRA Continuation Available?**

For you and your Dependents, COBRA continuation is available for up to 18 months from the date of the following qualifying events if the event would result in a loss of coverage under the Plan:

- your termination of employment for any reason, other than gross misconduct, or
- your reduction in work hours.

For your Dependents, COBRA continuation coverage is available for up to 36 months from the date of the following qualifying events if the event would result in a loss of coverage under the Plan:

- your death;
- your divorce or legal separation; or
- for a Dependent child, failure to continue to qualify as a Dependent under the Plan.

**FDRL36**
Who is Entitled to COBRA Continuation?

Only a “qualified beneficiary” (as defined by federal law) may elect to continue health insurance coverage. A qualified beneficiary may include the following individuals who were covered by the Plan on the day the qualifying event occurred: you, your spouse, and your Dependent children. Each qualified beneficiary has their own right to elect or decline COBRA continuation coverage even if you decline or are not eligible for COBRA continuation.

The following individuals are not qualified beneficiaries for purposes of COBRA continuation: domestic partners, same sex spouses, grandchildren (unless adopted by you), stepchildren (unless adopted by you). Although these individuals do not have an independent right to elect COBRA continuation coverage, if you elect COBRA continuation coverage for yourself, you may also cover your Dependents even if they are not considered qualified beneficiaries under COBRA. However, such individuals’ coverage will terminate when your COBRA continuation coverage terminates. The sections titled “Secondary Qualifying Events” and “Medicare Extension For Your Dependents” are not applicable to these individuals.

Secondary Qualifying Events

If, as a result of your termination of employment or reduction in work hours, your Dependent(s) have elected COBRA continuation coverage and one or more Dependents experience another COBRA qualifying event, the affected Dependent(s) may elect to extend their COBRA continuation coverage for an additional 18 months (7 months if the secondary event occurs within the disability extension period) for a maximum of 36 months from the initial qualifying event. The second qualifying event must occur before the end of the initial 18 months of COBRA continuation coverage or within the disability extension period discussed below. Under no circumstances will COBRA continuation coverage be available for more than 36 months from the initial qualifying event. Secondary qualifying events are: your death; your divorce or legal separation; or, for a Dependent child, failure to continue to qualify as a Dependent under the Plan.

Disability Extension

If, after electing COBRA continuation coverage due to your termination of employment or reduction in work hours, you or one of your Dependents is determined by the Social Security Administration (SSA) to be totally disabled under title II or XVI of the SSA, you and all of your Dependents who have elected COBRA continuation coverage may extend such continuation for an additional 11 months, for a maximum of 29 months from the initial qualifying event.

To qualify for the disability extension, all of the following requirements must be satisfied:

1. SSA must determine that the disability occurred prior to or within 60 days after the disabled individual elected COBRA continuation coverage; and
2. A copy of the written SSA determination must be provided to the Plan Administrator within 60 calendar days after the date the SSA determination is made AND before the end of the initial 18-month continuation period.

If the SSA later determines that the individual is no longer disabled, you must notify the Plan Administrator within 30 days after the date the final determination is made by SSA. The 11-month disability extension will terminate for all covered persons on the first day of the month that is more than 30 days after the date the SSA makes a final determination that the disabled individual is no longer disabled.

All causes for “Termination of COBRA Continuation” listed below will also apply to the period of disability extension.

Medicare Extension for Your Dependents

When the qualifying event is your termination of employment or reduction in work hours and you became enrolled in Medicare (Part A, Part B or both) within the 18 months before the qualifying event, COBRA continuation coverage for your Dependents will last for up to 36 months after the date you became enrolled in Medicare. Your COBRA continuation coverage will last for up to 18 months from the date of your termination of employment or reduction in work hours.

Termination of COBRA Continuation

COBRA continuation coverage will be terminated upon the occurrence of any of the following:

- the end of the COBRA continuation period of 18, 29 or 36 months, as applicable;
- failure to pay the required premium within 30 calendar days after the due date;
- cancellation of the Employer’s policy with Cigna;
- after electing COBRA continuation coverage, a qualified beneficiary enrolls in Medicare (Part A, Part B, or both);
- after electing COBRA continuation coverage, a qualified beneficiary becomes covered under another group health plan, unless the qualified beneficiary has a condition for which the new plan limits or excludes coverage under a pre-existing condition provision. In such case coverage will continue until the earliest of: (a) the end of the applicable maximum period; (b) the date the pre-existing condition
provision is no longer applicable; or (c) the occurrence of an event described in one of the first three bullets above; or any reason the Plan would terminate coverage of a participant or beneficiary who is not receiving continuation coverage (e.g., fraud).

Employer’s Notification Requirements
Your Employer is required to provide you and/or your Dependents with the following notices:

- An initial notification of COBRA continuation rights must be provided within 90 days after your (or your spouse’s) coverage under the Plan begins (or the Plan first becomes subject to COBRA continuation requirements, if later). If you and/or your Dependents experience a qualifying event before the end of that 90-day period, the initial notice must be provided within the time frame required for the COBRA continuation coverage election notice as explained below.
- A COBRA continuation coverage election notice must be provided to you and/or your Dependents within the following timeframes:
  (a) if the Plan provides that COBRA continuation coverage and the period within which an Employer must notify the Plan Administrator of a qualifying event starts upon the loss of coverage, 44 days after loss of coverage under the Plan;
  (b) if the Plan provides that COBRA continuation coverage and the period within which an Employer must notify the Plan Administrator of a qualifying event starts upon the occurrence of a qualifying event, 44 days after the qualifying event occurs; or
  (c) in the case of a multi-employer plan, no later than 14 days after the end of the period in which Employers must provide notice of a qualifying event to the Plan Administrator.

How to Elect COBRA Continuation Coverage
The COBRA coverage election notice will list the individuals who are eligible for COBRA continuation coverage and inform you of the applicable premium. The notice will also include instructions for electing COBRA continuation coverage. You must notify the Plan Administrator of your election no later than the due date stated on the COBRA election notice. If a written election notice is required, it must be post-marked no later than the due date stated on the COBRA election notice. If you do not make proper notification by the due date shown on the notice, you and your Dependents will lose the right to elect COBRA continuation coverage. If you reject COBRA continuation coverage before the due date, you may change your mind as long as you furnish a completed election form before the due date.

Each qualified beneficiary has an independent right to elect COBRA continuation coverage. Continuation coverage may be elected for only one, several, or for all Dependents who are qualified beneficiaries. Parents may elect to continue coverage on behalf of their Dependent children. You or your spouse may elect continuation coverage on behalf of all the qualified beneficiaries. You are not required to elect COBRA continuation coverage in order for your Dependents to elect COBRA continuation.

How Much Does COBRA Continuation Coverage Cost?
Each qualified beneficiary may be required to pay the entire cost of continuation coverage. The amount may not exceed 102% of the cost to the group health plan (including both Employer and Employee contributions) for coverage of a similarly situated active Employee or family member. The premium during the 11-month disability extension may not exceed 150% of the cost to the group health plan (including both employer and employee contributions) for coverage of a similarly situated active Employee or family member. For example:

If the Employee alone elects COBRA continuation coverage, the Employee will be charged 102% (or 150%) of the active Employee premium. If the spouse or one Dependent child alone elects COBRA continuation coverage, they will be charged 102% (or 150%) of the active Employee premium. If more than one qualified beneficiary elects COBRA continuation coverage, they will be charged 102% (or 150%) of the applicable family premium.

When and How to Pay COBRA Premiums
First payment for COBRA continuation
If you elect COBRA continuation coverage, you do not have to send any payment with the election form. However, you must make your first payment no later than 45 calendar days after the date of your election. (This is the date the Election Notice is postmarked, if mailed.) If you do not make your first payment within that 45 days, you will lose all COBRA continuation rights under the Plan.

Subsequent payments
After you make your first payment for COBRA continuation coverage, you will be required to make subsequent payments of the required premium for each additional month of coverage. Payment is due on the first day of each month. If you make a payment on or before its due date, your coverage under the Plan will continue for that coverage period without any break.
**Grace periods for subsequent payments**

Although subsequent payments are due by the first day of the month, you will be given a grace period of 30 days after the first day of the coverage period to make each monthly payment. Your COBRA continuation coverage will be provided for each coverage period as long as payment for that coverage period is made before the end of the grace period for that payment. However, if your payment is received after the due date, your coverage under the Plan may be suspended during this time. Any providers who contact the Plan to confirm coverage during this time may be informed that coverage has been suspended. If payment is received before the end of the grace period, your coverage will be reinstated back to the beginning of the coverage period. This means that any claim you submit for benefits while your coverage is suspended may be denied and may have to be resubmitted once your coverage is reinstated. If you fail to make a payment before the end of the grace period for that coverage period, you will lose all rights to COBRA continuation coverage under the Plan.

**You Must Give Notice of Certain Qualifying Events**

If you or your Dependent(s) experience one of the following qualifying events, you must notify the Plan Administrator within 60 calendar days after the later of the date the qualifying event occurs or the date coverage would cease as a result of the qualifying event:

- Your divorce or legal separation;
- Your child ceases to qualify as a Dependent under the Plan; or
- The occurrence of a secondary qualifying event as discussed under “Secondary Qualifying Events” above (this notice must be received prior to the end of the initial 18- or 29-month COBRA period).

(Also refer to the section titled “Disability Extension” for additional notice requirements.)

Notice must be made in writing and must include: the name of the Plan, name and address of the Employee covered under the Plan, name and address(es) of the qualified beneficiaries affected by the qualifying event; the qualifying event; the date the qualifying event occurred; and supporting documentation (e.g., divorce decree, birth certificate, disability determination, etc.).

**Newly Acquired Dependents**

If you acquire a new Dependent through marriage, birth, adoption or placement for adoption while your coverage is being continued, you may cover such Dependent under your COBRA continuation coverage. However, only your newborn or adopted Dependent child is a qualified beneficiary and may continue COBRA continuation coverage for the remainder of the coverage period following your early termination of COBRA coverage or due to a secondary qualifying event. COBRA coverage for your Dependent spouse and any dependent children who are not your children (e.g., stepchildren or grandchildren) will cease on the date your COBRA coverage ceases and they are not eligible for a secondary qualifying event.

**Trade Act of 2002**

The Trade Act of 2002 created a new tax credit for certain individuals who become eligible for trade adjustment assistance and for certain retired Employees who are receiving pension payments from the Pension Benefit Guaranty Corporation (PBGC) (eligible individuals). Under the new tax provisions, eligible individuals can either take a tax credit or get advance payment of 72.5% of premiums paid for qualified health insurance, including continuation coverage. If you have questions about these new tax provisions, you may call the Health Coverage Tax Credit Customer Contact Center toll-free at 1-866-628-4282. TDD/TYY callers may call toll-free at 1-866-626-4282. More information about the Trade Act is also available at www.doleta.gov/tradeact.

In addition, if you initially declined COBRA continuation coverage and, within 60 days after your loss of coverage under the Plan, you are deemed eligible by the U.S. Department of Labor or a state labor agency for trade adjustment assistance (TAA) benefits and the tax credit, you may be eligible for a special 60 day COBRA election period. The special election period begins on the first day of the month that you become TAA-eligible. If you elect COBRA coverage during this special election period, COBRA coverage will be effective on the first day of the special election period and will continue for 18 months, unless you experience one of the events discussed under “Termination of COBRA Continuation” above. Coverage will not be retroactive to the initial loss of coverage. If you receive a determination that you are TAA-eligible, you must notify the Plan Administrator immediately.

**Interaction With Other Continuation Benefits**

You may be eligible for other continuation benefits under state law. Refer to the Termination section for any other continuation benefits.

The plan is a healthcare benefit plan.

Collective Bargaining Agreements
You may contact the Plan Administrator to determine whether the Plan is maintained pursuant to one or more collective bargaining agreements and if a particular Employer is a sponsor. A copy is available for examination from the Plan Administrator upon written request.

Discretionary Authority
The Plan Administrator delegates to Cigna the discretionary authority to interpret and apply plan terms and to make factual determinations in connection with its review of claims under the plan. Such discretionary authority is intended to include, but not limited to, the determination of the eligibility of persons desiring to enroll in or claim benefits under the plan, the determination of whether a person is entitled to benefits under the plan, and the computation of any and all benefit payments. The Plan Administrator also delegates to Cigna the discretionary authority to perform a full and fair review, as required by ERISA, of each claim denial which has been appealed by the claimant or his duly authorized representative.

Plan Modification, Amendment and Termination
The Employer as Plan Sponsor reserves the right to, at any time, change or terminate benefits under the Plan, to change or terminate the eligibility of classes of employees to be covered by the Plan, to amend or eliminate any other plan term or condition, and to terminate the whole plan or any part of it. The procedure by which benefits may be changed or terminated, by which the eligibility of classes of employees may be changed or terminated, or by which part or all of the Plan may be terminated, is contained in the Employer’s Plan Document, which is available for inspection and copying from the Plan Administrator designated by the Employer. No consent of any participant is required to terminate, modify, amend or change the Plan.

Termination of the Plan together with termination of the insurance policy(s) which funds the Plan benefits will have no adverse effect on any benefits to be paid under the policy(s) for any covered medical expenses incurred prior to the date that policy(s) terminates. Likewise, any extension of benefits under the policy(s) due to you or your Dependent’s total disability which began prior to and has continued beyond the date the policy(s) terminates will not be affected by the Plan termination. Rights to purchase limited amounts of life and medical insurance to replace part of the benefits lost because the policy(s) terminated may arise under the terms of the policy(s). A subsequent Plan termination will not affect the extension of benefits and rights under the policy(s).

Your coverage under the Plan’s insurance policy(s) will end on the earliest of the following dates:
- the last day of the calendar month in which you leave Active Service;
- the date you are no longer in an eligible class;
- if the Plan is contributory, the date you cease to contribute;
- the date the policy(s) terminates.

See your Plan Administrator to determine if any extension of benefits or rights are available to you or your Dependents under this policy(s). No extension of benefits or rights will be available solely because the Plan terminates.

Statement of Rights
As a participant in the plan you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974.
Security Act of 1974 (ERISA). ERISA provides that all plan participants shall be entitled to:

Receive Information About Your Plan and Benefits
- examine, without charge, at the Plan Administrator’s office and at other specified locations, such as worksites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements and a copy of the latest annual report (Form 5500 Series) filed by the plan with the U.S. Department of Labor and available at the Public Disclosure room of the Employee Benefits Security Administration.
- obtain, upon written request to the Plan Administrator, copies of documents governing the Plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) and updated summary plan description. The administrator may make a reasonable charge for the copies.
- receive a summary of the Plan’s annual financial report. The Plan Administrator is required by law to furnish each person under the Plan with a copy of this summary financial report.

Continue Group Health Plan Coverage
- continue health care coverage for yourself, your spouse or Dependents if there is a loss of coverage under the Plan as a result of a qualifying event. You or your Dependents may have to pay for such coverage. Review this summary plan description and the documents governing the Plan on the rules governing your federal continuation coverage rights.
- reduction or elimination of exclusionary periods of coverage for preexisting conditions under your group health plan, if you have creditable coverage from another plan. You should be provided a certificate of creditable coverage, free of charge, from your group health plan or health insurance issuer when you lose coverage under the plan, when you become entitled to elect federal continuation coverage, when your federal continuation coverage ceases, if you request it before losing coverage, or if you request it up to 24 months after losing coverage. Without evidence of creditable coverage, you may be subject to a preexisting condition exclusion for 12 months (18 months for late enrollees) after your enrollment date in your coverage.

Prudent Actions by Plan Fiduciaries
In addition to creating rights for plan participants, ERISA imposes duties upon the people responsible for the operation of the employee benefit plan. The people who operate your plan, called “fiduciaries” of the Plan, have a duty to do so prudently and in the interest of you and other plan participants and beneficiaries. No one, including your employer, your union, or any other person may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA. If your claim for a welfare benefit is denied or ignored you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Enforce Your Rights
Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the plan and do not receive them within 30 days, you may file suit in a federal court. In such a case, the court may require the plan administrator to provide the materials and pay you up to $110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or federal court.

In addition, if you disagree with the plan’s decision or lack thereof concerning the qualified status of a domestic relations order or a medical child support order, you may file suit in federal court. If it should happen that plan fiduciaries misuse the plan’s money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a federal court. The court will decide who should pay court costs and legal fees. If you are successful the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example if it finds your claim is frivolous.

Assistance with Your Questions
If you have any questions about your plan, you should contact the plan administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the plan administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.
